Lace: Its Origin and History Samuel L. Goldenberg, 2016-09-06 Lace Its Origin and History Originally published in 1904 Many of the earliest books on weaving textiles and needlework particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork The purpose of this book is to present to those whose relation to lace is primarily a commercial one a compendium that may perchance in times of doubt serve as a practical guide Most of these works necessarily voluminous and replete with detail are more for the connoisseur or dilettante than for the busy man of affairs upon whom the practical aspect of lace always forces itself
