Includes a bibliography for further reading We bring you the circus that Pied Piper whose magic tunes lead children of all
ages into a tinselled and spun candied world of reckless beauty and mounting laughter whirling thrills of rhythm excitement
and grace of daring enflaming and dance of high stepping horses and high flying stars But behind all this the circus is a
massive machine whose very life depends on discipline motion and speed a mechanized army on wheels that rolls over any
obstacle in its path that meets calamity again and again but always comes up smiling a place where disaster and tragedy
stalk the Big Top haunts the back yard and rides the circus train where Death is constantly watching for one frayed rope one
weak link or one trace of fear A fierce primitive fighting force that smashes relentlessly forward against impossible odds That
is the circus and this is the story of the biggest of the Big Tops and of the men and women who fight to make it Opening
remarks from the film The Greatest Show On Earth a drama set in the Ringling Brothers and Barnum Bailey Circus
Americans have loved traveling circuses for generations and none represent the country's love for entertainment quite like
the most famous of them all the Ringling Bros and Barnum Bailey Circus The five brothers who started a circus in Wisconsin
as well as P T Barnum have had their names become synonymous with the circus so it's only fitting that the manner in which
these men entered the business and the merging of their traveling circuses together also make for great stories Circus
promoters have long been viewed as somewhat shady hucksters but none could top P T Barnum who used a blend of
traditional circus entertainment freak show exhibits and outright hoaxes to create The Greatest Show on Earth Barnum
introduced America to Jumbo the Elephant one of the most legendary acts in the history of the circus as well as exhibits like
Joice Heth an elderly African American woman Barnum advertised as a 161 year old who nursed George Washington He also
notoriously perpetrated hoaxes with General Tom Thumb and claimed to have a live mermaid so it's no surprise that Barnum
is often apocryphally quoted as saying There's a sucker born every minute While he didn't actually say that he said
something similar Nobody ever lost a dollar by underestimating the taste of the American public Around the same time that
Barnum was operating the Barnum Bailey's circus the Ringling Brothers were engaging in more traditional circus activities
in Wisconsin As their traveling circus became better known in the late 1880s it was advertised as the Ringling Brothers
United Monster Shows Great Double Circus Royal European Menagerie Museum Caravan and Congress of Trained Animals
The Ringling Brothers were eventually successful enough that they were able to buy Barnum's circus after Barnum had
already died and they merged the traveling circuses together in 1919 The Greatest Show on Earth The History of the
Ringling Bros and Barnum Bailey Circus examines the origins of the famous circuses the background of the important
