The Homesick Patrol:

The Homesick Patrol David E. Vancil, 1995 On My Honor Jay Mechling, 2004-03-01 In a timely contribution to current debates over the psychology of boys and the construction of their social lives On My Honor explores the folk customs of adolescent males in the Boy Scouts of America during a summer encampment in California's Sierra Nevada. Drawing on more than twenty years of research and extensive visits and interviews with members of the troop, Mechling uncovers the key rituals and play events through which the Boy Scouts shapes boys into men. He describes the campfire songs, initiation rites, games, and activities that are used to mold the Scouts into responsible adults. The themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure, discipline, and guidance and teaching scouts the difficult balance between freedom and self control. What results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood. On My Honor provides a provocative, sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires, their innate aggressions, their inclination toward peer pressure and violence, and their social acculturation. On My Honor ultimately shows how the Boy Scouts of America continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression, homosexuality, and the proposed inclusion of female members. While the organization's bureaucracy has taken an unyielding stance against gay men and atheists, real live Scouts are often more open to plurality than we might assume. In their embrace of tolerance, acceptance, and understanding, troop leaders at the local level have the power to shape boys into emotionally mature men. WLA, 2013 *The Mystery of the Haunted Dance Hall* Charis Cotter, 2025-05-13 Set in the 60s at a summer camp, *The Mystery of the Haunted Dance Hall* is a spooky, atmospheric middle grade story for fans of classic ghost stories, unlikely friendships, and intriguing mysteries. Bee's mom has a job in New York City for the summer, so Bee is being sent to summer camp. She's not excited about it. Being around other people is hard for her, plus she knows nothing about campfires, she's not a good swimmer, and she's never even been in a canoe. When she first arrives, things go pretty much as she expected. The other girls either make fun of her or ignore her, and the woods surrounding the camp give her the creeps. She keeps hearing elusive music coming from somewhere in the distance, and there's something unearthly about it. But then Zippy comes on the scene, an oddball like Bee but with a lot more confidence and hard-won knowledge gleaned from many summers spent at this exact camp. And most importantly, Zippy has also discovered mysterious behavior going on at the camp: the older girls from the Hawks cabin are sneaking out to do something. They're always exhausted, and their flashlight batteries are running out at an alarming rate. But their counselors are never woken up by girls sneaking out; no one on staff doing nightly rounds ever sees them outside the cabin, and even when they start doing a bed check at night, the girls all seem to be in their bunks. Zippy and Bee are on the case, and with the help of an unlikely ally, they try to figure out what the Hawks are up to. But they soon discover there's more going on than just the usual summer camp hijinks. How are the Hawks getting
