The Horse That Played Center Field:

The Horse that Played Center Field Hal Higdon, 1974 After Oscar the horse began playing center field the New York Goats worst team in the major leagues seemed certain to win the World Series and then Oscar was horse naped

Philadelphia's Old Ballparks Rich Westcott, 1996 Philadelphia's rich baseball heritage as seen through its baseball parks is vividly brought to life in this colorful and anecdotal book Experienced sportswriter Rich Westcott once again dives into a labor of love taking us back in time to an era when Philadelphia's ballparks were as famous and as much a part of the game as the teams that took the field Philadelphia's baseball history goes beyond Shibe Park Philadelphia's Old Ballparks is both a documentary and an oral history providing detailed descriptions of all of the old professional parks and the many teams that played in them including Baker Bowl with its right field wall so close to home plate it prompted sportswriter Red Smith to quip It might be exaggerating to say the outfield wall casts a shadow across the infield But if the right fielder had eaten onions at lunch the second baseman knew it Shibe Park is also well documented with its idiosyncracies as are the others The recollections of dozens of people players owners vendors ushers grounds keepers and fans combine to recreate the world that was held within those walls Author note Rich Westcott has served as a writer and editor on the staffs of a variety of newspapers and magazines in the Philadelphia and Baltimore areas during his 35 years in publishing He is the publisher and editor of Phillies Report He is the author of six books including The New Phillies Encyclopedia Temple with Frank Bilovsky Phillies 93 An Incredible Season Temple Diamond Greats and Masters of the Diamond **The Doomed**

Horse Soldiers of Bataan Raymond G. Woolfe Jr., 2016-05-26 This is the story of the last mounted American troops to see action in battle when in late 1941 six hundred men and their horses held off the Japanese invasion of Luzon in the Philippines just long enough to allow General Douglas MacArthur's forces to withdraw to Bataan The 26th continued to fight on horseback until late February 1942 when tragically they were ordered dismounted and their horses and mules transferred to the Quartermaster's center and slaughtered for food for the defenders It is on record that the 26th troopers refused to accept meat rations from their animals regardless of their own starvation This stirring account of a little known aspect of the Philippine campaign is military history at its best *The Red Hand Forever: The Hugh M. O'Neill Family of Cleveland, Ohio*

Christopher Eiben, 1997-01-01 A history of the Hugh M O'Neill family of Cleveland Ohio **A Tourist's Guide to Glengarry** Ian McGillis, 2002 Nine year old Neil McDonald has always wanted to write a book Every time he tries though it comes out like the Hardy Boys or something But when a maverick substitute teacher challenges him to record all the events and thoughts of a single day the doors of creativity swing open It helps that the day in question is in Neil's words pretty weird The time is the fall of 1971 the setting is 'North America's northernmost Metropolis' The cast includes Neil his best friend Keith and his gnome like baba a budding Black Power advocate the heavy smoking son of anti war activists and a very small boy wielding a very large axe in a public park Neil thinks his day will climax with the broadcast of the first night game

in World Series history but what he is in for is something much deeper a surprise that will teach him much about the world and his place in it In the end Neil has his book And it is nothing at all like the Hardy Boys *Science Fiction and Fantasy Literature, Vol 1* R.
