The House Boat Boys St. George Rathborne, 2015-02-05 *The House Boat Boys* by St George Rathborne *The House Boat Boys* St. George Rathborne, 1912 I say what s gone wrong now Maurice old fel The speaker a roughly clad boy of about

fifteen or over caught hold of his companion's sleeve and looked sympathetically in his face. The lad whom he called Maurice was better dressed and he seemed to carry with him a certain air of refinement that was lacking in his friend who was of a rougher nature. Despite this difference he and Thad Tucker were the closest of chums sharing each other's joys and disappointments small though they might be. They had met just now at the post office of a little country town not many miles below Evansville, Indiana, as the afternoon mail was being sorted. The yellow flood of the great Ohio River could be seen from where they stood glowing in the early November sunshine. Upon being greeted with these words Maurice Pemberton shook his head dolefully.

FictionDB The House Boat Boys: Drifting Down to the Sunny South St. George Henry Rathborne, I say what's gone wrong now Maurice old fel. The speaker a roughly clad boy of about fifteen or over caught hold of his companion's sleeve and looked sympathetically in his face. The lad whom he called Maurice was better dressed and he seemed to carry with him a certain air of refinement that was lacking in his friend who was of a rougher nature. Despite this difference he and Thad Tucker were the closest of chums sharing each other's joys and disappointments small though they might be. They had met just now at the post office of a little country town not many miles below Evansville, Indiana, as the afternoon mail was being sorted. The yellow flood of the great Ohio River could be seen from where they stood glowing in the early November sunshine. Upon being greeted with these words Maurice Pemberton shook his head dolefully. It's come just as I've been half expecting it these four months. Thad. The old couple I live with have sold their house and leave for Chicago in a week. That turns me out into the Streets for you know they've given me a home ever since mother who was a friend of Mrs Jasper died and in return I've tried to make good by doing all their gardening and other work between school hours. Now a son has sent for them to come and make their home with him. Pretty tough on a fellow not to know where he's going to sleep after a single week. But Thad was smiling now as though an idea had flashed into his head that gave him reason for something akin to pleasure. Well I don't know if it comes to the worst. Pard Maurice you're a dozen times welcome to share my old bunk on the shanty boat. I'd just love to make another cot like mine and have you there. Say wouldn't it be grand. Of course though you'd find it a pretty poor contraption alongside the house you've lived in but if it was a thousand dollar launch still you'd be just as welcome and you know it he said with a heartiness that could not be misunderstood.

Boy on a Houseboat Leroy Wescovich, 2022-08-01. After coaching and teaching for forty years you have years of hearing stories from students. Growing up I lived across the levee from houseboats. One of my best friends lived on a houseboat and I always thought about the hardships the young man had while living on the bayou. From these ideas from the past I came across the idea of a boy T Pep living on a houseboat. Follow him as he learns the negative consequences of lying.
