## **The Keys Of Jeshua:**

**The Keys of Jeshua** Glenda Green,2004-10 There are keys that open doors to astounding perceptions and higher states of being These keys have now been revealed The Keys of Jeshua is the culminating presentation of the conversations between artist Glenda Green and Jesus Christ that took place in 1992 while she painted his portrait He personally appeared to her He has appeared many times to others since the day of his resurrection Their visits were warm personal and completely vivid to all the senses She took extensive notes for her own future study not realizing that he would eventually ask her to share them with the world The Keys of Jeshua presents the remaining notes from their original conversations plus the continuing lessons of subsequent years More than that it stands alone as a perfected light of what his teachings have always been These are the quintessential instructions of the Beloved Master now presented within the context of contemporary language and modern understanding Each chapter begins with a message from Jeshua Each message presents a crucial Key to Life Following that there is a contribution from the author correlations with the Bible other words of wisdom and practical applications to life Last but not least for subjective realization of the message each chapter ends with a meditation and prayer It is recommended that you enjoy this book with all your faculties of understanding from objective to subjective and allow a holistic perception of these revelations to develop in your heart

The Keys of Jeshua Glenda Green,2006-01 There are keys that open doors to astounding perceptions and higher states of being These keys have now been revealed The Keys of Jeshua is not about religion Nor was it written to solicit reinforce or change existing beliefs These teachings are a gift to your heart for the fulfillment of your life Discover the courage to be fully conscious Unlock your creativity Fulfill the desires of your heart Learn how to enter the Sacred Heart and know your souls true purpose Learn to release forgive and receive the ultimate blessing of true freedom Gain enlightenment and practical techniques to bring this new understanding into reality Find peace within yourself

**The Sum Of All Spiritual Paths** Orest Stocco,2014-12-08 Open your heart to God s love and you will get all the respite you need It is not that difficult Whenever I was down in the dumps I prayed You don t pray because it is not in you to beg God for help but you can open your heart to God and let God s love pour into you That is the way of the open heart Here s what you do think of all the times you loved and let your heart fill with those memories Think of one time one moment of love and just let the love fill your heart again that s the exercise It is your prayer Don t ask for anything more because God s love is all there is I am always with you my dear friend Chapter 35 Padre Pio s Promise

*RIVER OF TRUTH* Rev John Robert Thwaytes, There are a vast number of superhuman persons in the spiritual realm created perfect but having free will like us and therefore capable of turning towards evil Among them were Lucifer Satan and Caligastia for example They are not God but when they function perfectly in tandem with God they may be referred to as God or the Good Shepherd as in Psalm 23 Significantly the majority of them the good ones tell us that they first recognize the FACT of God by His River of inexhaustible energy Meditating on this led me to put my thoughts down in this book partly for

my own spiritual good But I am happy to share them      Prisoner of Words Michael E Morrison,2012-03-07 Can we use words to make ourselves feel and actually be better Michael Morrison certainly thinks so and in this insightful guide he tells us about the transformational power of language In doing so he delves into such concepts as neuro linguistic programming NLP Lamarckian evolution theory the Biology of Belief Cell Level Healing the power of prayer in health as well as sickness the Gaia Hypothesis and Earth Hour As current concerns move from the individual to the global our well being is seen as holistic rather than localised Can we use positive thoughts and frame positive words to change ourselves and ultimately help our world flourish Read Prisoner of Words and discover a new approach to old problems      *The Mystery of Spirit* George Robbins,2021-02-25 Focusing on techniques of spiritual development and awareness of the presence of spirit in ordinary life Robbins challenges the reader to move beyond spiritual blockages and obstacles and raise the vibrational frequencies that bring us to greater enlightenment This reduces negative emotions such as despair meaninglessness and unhappiness Robbins wants to help us increase our pro social activity thereby contributing to a more open minded service towards others In this book he shows how to use effective techniques for practical and spiritual change while following a path of heart

**The Merciful Law of Divine Synchronicity** Orest Stocco,2017-03-09 I was going on twenty four and living in Annecy France when it happened a soul moment so charged with energy that it changed the dynamic of my life      The Tree of Life Stephen B. Machnik,2021-03-25 What if the literary form of the Bible derived its pattern from the elementary process of creation Is there an underlying symbolic form to the book The Tree of Life is an analysis of this form and compares it to the operations of the intellect These operations are the process by which we come to know what is It also corresponds to the metaphysical elements which are the core of our being What becomes evident is that there is a form to human consciousness

**A Journey Of P's and Cues To Inner Peace and Power** Petra Rose,2010-06-24 A Ps and CUES JOURNEY of INNER PEACE and POWER is the Embodiment of our Divine Essence through a powerful self healing and release process supporting the first P of Purification It is about creating space for our divine Essence to emerge The Tap and Breathe I Am TaBIA process is used throughout the remaining eleven Ps of empowerment along with the Four Keys of the Queendom which focuses on living the Way of the Heart It is from the heart we create Heaven on Earth When we are Awake Aware and At One our vision of Paradise will manifest

**One Rule to Live By BE GOOD** Orest Stocco,2019-07-28 Where Do We Come From What Are We Where Are We Going This is the title of the celebrated painting by French artist Paul Gauguin questions that we would all like answered but one can read all the libraries in the world and have every experience imaginable and still not know the answer to these questions U of T professor and clinical psychologist Dr Jordan B Peterson offers a way to find the answer with his global bestseller 12 Rules for Life An Antidote to Chaos but this will only take one so far on their journey to personal resolution that will answer Gauguin s three questions the rest of the way has to be negotiated by special effort which One Rule to Live By Be Good by Georgian Bay author Orest Stocco spells out by opening the door to a new way of

perceiving a new way of thinking and understanding an unbelievable true story that defies comprehension a story that takes the mystery out of what the great psychologist C G Jung called the way of what is to come      **Envoy Paul**  
 Herman,2021-12-01 Truly I say to you there are some standing here who will not taste death until they see the Son of Man coming in his kingdom Jeshua Matthew 16 28 So begins the story of Envoy transformed by Jeshua in that moment and called to write a firsthand account of the Church in all her glory and shame throughout the ages      **The Golden Fleece Found!**

endlessly fascinating because every writer speaks to their place in the enantiodromic process of man's becoming which Jung called individuation and in their stories they stake out the geography of man's soul whether it be the happy country of one's being the unhappy country of one's non-being or that miserable place of being stuck between two countries the no man's land of one's soul Chapter 18 The Dust on a Butterfly's Wings Current of Grace Melinda Bern, 2021-09-27 With earnestness she pursued the path of self inquiry under the guidance of American teachers A Ramana and Elizabeth MacDonald Young both devotees of the teachings of Ramana Maharshi In 2011 her search led her on a pilgrimage to Ramana Maharshi's ashram in South India where she received a grace so profound that her life as a seeker stopped She shares her journey in hope that others might partake of this same current of grace which is immediate ever present and available to all

*Just Going With the Flow, And Other Spiritual Musings* Orest Stocco, 2011-12 Just Going With The Flow is a book of spiritually inspired musings or thought pieces that explore the experiences of daily life Thought provoking entertaining and enlightening these personal essays shed light on the human condition **S.T.A.R. Philosophy** Nina Brown, 2017-01-30 This book is designed to energetically awaken within the reader the remembrance of our human divinity In so doing the wisdom it imparts serves as a reminder that our purpose is not to seek perfection but to realize that we are perfection expressing itself We then become the divine beings we were intended to be conscious creators Second Coming Sandra Diaz Ph.D., 2015-06-19 This book is the result of a therapist's spiritual journey which intensified after four vivid lucid dreams where she came face to face with Christ and God who filled her with the energy of pure love This led to a search for the meaning behind the dreams She learned that love is the most powerful force in the universe and is in fact what we are made of By being the love that we are she discovered that we put the heart in its rightful place of master and the mind servant In so doing we live from the higher levels of consciousness where we are able to manifest our hearts deepest desires Christ taught that manifestation requires that we charge our positive thoughts with love She learned that by being love and living from the heart and the highest levels of consciousness we essentially create heaven on earth
