The Kid Who Batted 1000:

The Kid Who Batted 1.000 Troon McAllister, 2002-05-14 The Des Moines Majestiks are deep in the cellar so deep that it seems nothing short of divine intervention could even get them up to the ground floor They do have one star Juan Tanamera Bueno Aires an ex basketball phenom who performs miracles at the plate and magic in the field Unfortunately team owner Holden Canfield who's struck it rich with an Internet start up spent the entire team budget on acquiring Bueno leaving the rest of the roster painfully devoid of talent Manager Zuke Johansen has just about given up hope when an unexpected thing happens A scout introduces him to Marvin Kowalski A straight A student valedictorian of his high school class and on his way to MIT Marvin knows little about the rules of the game and his pencil thin physique would get him laughed off a big league diamond But Marvin has one brilliant skill The ultimate one tool player he has such a good eye that he can tell what kind of pitch is coming almost before it leaves the pitcher's hand And even though he's not much of a hitter his reflexes and coordination are incredibly fast so fast in fact that nobody can strike him out as Zuke Johansen quickly sees Marvin may not be Babe Ruth but he has found a way to exhaust and utterly enrage opposing pitchers driving them to distraction before he takes his inevitable base Faced with the prospect of leading his team to one of the worst season records since the game was played without gloves Zuke is desperate enough to wonder if Marvin's strange talent might just lift his Majestiks out of the cellar The Kid Who Batted 1 000 is one of those rare sports novels that will appeal to fervent fans as well as those still trying to figure out the infield fly rule Generously sprinkling his story with some of the best loved one liners in the game Troon McAllister delivers a darkly funny behind the scenes look at our national pastime cementing his place as a major league humorist **The Kid who Batted 1.000** Bob Allison, Frank Ernest Hill, 1951 Campus Sexpot David Carkeet, 2010-05-29

She tipped her head sideways her lips offering themselves to his He remembered the fire those lips contained the promise her kiss held In 1962 David Carkeet's drowsy hometown of Sonora California snapped awake at the news that it had inspired a smutty potboiler titled Campus Sexpot Before leaving town on short notice the novel's author had been an English teacher at the local high school where Carkeet was a hormone saturated sophomore Leaving was a good idea it turned out for most of the characters in Campus Sexpot had been modeled after Sonora's citizens Carkeet uproariously recaptures his stunned youthful reaction to the novel's sleazy take on his hometown The innocent nowhere burg where he despaired of ever getting any action became in the pages of Campus Sexpot a sink of iniquity echoing with animal cries of delight Blood pounded dams of passion broke and marriages and careers not to mention the basics of good writing went straight to hell As Carkeet relates his own romantic fumbings to the novel's clumsy twists and turns he also evokes the urgently hushed atmosphere in which the book circulated among friends and neighbors Eventually Carkeet stumbles into adulthood where he discovers a truer definition of manhood than the one in the pages of the pulp fiction of his youth A wry look at middle class sexual mores and a witty appreciation of the art of the hack novel Carkeet's memoir is above all a poignant and hilarious coming of age story

Goodall Jr,2016-06-16 In scenes eerily parallel to the culture of fear inspired by our current War on Terror A Need to Know explores the clandestine history of a CIA family defined and ultimately destroyed by their oath to keep toxic secrets during the Cold War When Bud Goodall s father mysteriously died his inheritance consisted of three well worn books a Holy Bible The Great Gatsby and a diary But they turned his life upside down From the diary Goodall learned that his father had been a CIA operative during the height of the Cold War and the Bible and Gatsby had been his codebooks Many unexplained facets of Bud s childhood came into focus with this revelation The high living in Rome and London The blood stained stiletto in his jewelry case Bud as a child was always told he never had a need to know Or did he Now as an adult and a university professor Goodall attempts to fill in the missing pieces of his Cold War childhood by uncovering a lifetime of family secrets Who were his parents What did his father do on those business trips when he was working for the government What betrayal turned a heroic career of national service into a nightmare of alcoholism depression and premature death for both of his parents Slowly inexorably Goodall unearths the chilling secrets of a CIA family in A Need to Know 2006 Best Book Award National Communication Association Ethnography Division *Catalog of Copyright Entries.
