Jon Benjamin, 2019-05-07 Writing this funny requires immense talent AV Club H. Jon Benjamin the lead voice behind Archer and Bob's Burgers helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure Most people would consider H. Jon Benjamin a comedy show business success But he'd like to remind everyone that as great as success can be failure is also an option And maybe the best option In this book he tells stories from his own life from his early days wherein I'm unable to deliver a sizzling fajita to his romantic life how I failed to quantify a threesome to family wherein a trip to P.F. Chang's fractures a family to career how I failed at launching a kid's show As Jon himself says breaking down one's natural ability to succeed is not an easy task but also not an insurmountable one Society as we know it is sadly failure averse But more acceptance of failure as Jon sees it will go a long way to making this world a different place a kinder gentler place where gardens are overgrown and most people stay home with their pets A vision of failure but also a vision of freedom With stories examples of artistic and literary failure and a powerful can't do attitude Failure Is an Option is the book the world doesn't need right now but will get regardless **New York Magazine**, 1991-11-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Ward's Automobile Topics**, 1916 **Motor Age**, 1916 *The Lighter Side of Finland (6th Edition)* Russell Snyder, The Lighter Side of Finland is celebrating its 22nd
