History of the Knights Templars of Canada John Ross Robertson,1890 [History of the Grand Commandery of Knights Templar of the State of Illinois](#) Knights Templar (Masonic order). Grand Commandery (Ill.),1885 *The Pocket A-Z of the Knights Templar* Gordon Napier,2014-04-07 The Knights Templar were among the most famous of Christian military orders Created after the First Crusade of 1096 and endorsed by the Catholic Church in 1129 the Order grew rapidly in membership and power Templar knights were some of the best equipped trained and disciplined fighting units of the Crusades But when the Holy Land was lost and the Templars suffered crushing defeats support for the Order faded and rumours about their secret initiation ceremony created mistrust When the Order suddenly disappeared disbanded by the Pope it gave rise to speculation and legends that have kept the name Templar alive From Abbasids to Zion The A Z of the Knights Templar is an invaluable reference of the places people and themes of the Crusades the Knights Templar and their legacy **History of Portland Commandery, No. 2, of Knights Templar** Stephen Berry,2025-07-11 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Knights Templar on Trial Helen J Nicholson,2011-08-26 The trial of the Templars in the British Isles 1308 1311 is a largely unexplored area of history Unlike the trial in France where the Templars were tortured into confessing to unspeakable activities in the British Isles there were no burnings and only three confessions after torture Several Templars went missing most of whom later reappeared Outsiders told stories of abominable Templar rituals secret meetings and murders at the dead of night but all these tales turned out to be rumour This book is based on extensive research into the records of the trial of trial of the Templars and other unpublished medieval documents recording their arrest imprisonment and trial and the surveys of their property It traces the course of this the first heresy of trial in the British Isles from the arrests in January 1308 to the dissolution of the Order and shows how by judicious selection of material the inquisitors made the scanty evidence against the Templars appear convincing The book includes a list of all the Templars in the British Isles at the time of the arrests and a gazetteer of the Templars major properties in the British Isles *Proceedings of the Grand Commandery, Knights Templar, State of New York, at Its ... Annual Conclave* Knights Templar (Masonic order) Grand Commandery of the State of New York,1885 [The Templars](#) Barbara Frale,2011-05-01 Barbara Frale gives us an explosive exhaustively researched history of the medieval world s most powerful military order the Templars At its height the Order of the Knights Templar rivaled the kingdoms of Europe in military might economic power and political influence For 700 years the tragic demise of this society of warrior monks amid accusations of heresy has been plagued by controversy in part

because the transcript of their trial by the Inquisition which held the key to the truth had vanished Templar historian Barbara Frale happened to be studying a document at the Vatican Secret Archives when she suddenly realized that it was none other than the long lost transcript It revealed that Pope Clement V had absolved the order of all charges of heresy The Templars chronicles the spectacular rise and fall of the organization against a sweeping backdrop of war religious fervor and the struggle for dominance and finally lifts the centuries old cloak of mystery surrounding one of the world s most intriguing secret societies

The Knights Templar Tony McMahon, 2025-03-31 Explores the history legacy and mysteries of the Knights Templar from their valor in battle to their brutal downfall The Knights Templar have fascinated us for centuries They were holy warriors who fought with incredible bravery in the Crusades but were then destroyed by their own side In battle they were the bravest knights first on the battlefield and the last to quit Charging towards the enemy with their white cloaks emblazoned with the red cross of martyrdom Every young man in medieval Europe yearned to be a Knight Templar The reality though could be tough Battles fought against fearsome foes sometimes resulted in terrible defeat with a huge loss of life The Templars were always the target of jealousy and hatred because of their military prowess financial acumen and strict organisation Eventually their enemies got the better of them Not the Saracens they had fought in the Holy Land but kings and bishops back home The Templars were accused of bizarre initiation rituals and heretical beliefs Many were executed for the sole crime of being a Templar But their memory was not extinguished It has endured Today millions of people still want to understand the history and mystery of the Knights Templar Is it true they possessed the Holy Grail Why were they destroyed so brutally This book sets out to find the answers
