The Kookaburra And Other Stories:

The Kookaburra and Other Stories Dal Burns, 2007-02 Wandering through the bush country of Australia at eighteen years of age I heard many tales as I sat by late night campfires Some were stories of Aborigine life some of the traveling carnival life Still others were of the white mans struggle to survive in this beautiful yet unforgiving land In this book I have taken some scraps of the Aborigine myths that I still remember and blended them together into full stories Other stories are my own written in that same style Where the one leaves off and the other begins is not important to me anymore Each story each character has a life of its own and I like to leave it at that These stories are not meant to be read alone They are meant to be read aloud by parents to children by children to parents and to anyone else you care about **Spotty the Bower-Bird and**
