**Proposing Men** Shawn L. Maurer, 1998 Simultaneously challenging conventional male dominated thought and revisionist modern feminism this book argues that gendered identities can best be conceived relationally and thus that a fuller understanding of gender roles in the eighteenth century and by extension in our own must include an analysis of men's place in the discourse of domesticity Examining the phenomenal rise of the social periodical at the end of the seventeenth century the author theorizes the genre's crucial contribution to the construction of a class specific gender identity that succeeds as ideology not as usually assumed by separating the feminine private sphere from the masculine public one but by delineating the private as an important locus of masculine control Marshalling social history political theory economics and sociology in an attempt to account historically for the appearance of the sentimental family controlled by the man who is at once lover and husband father and brother this book forcefully questions the validity of the doctrine of separate spheres and the ascription of gender roles connected to it The social periodical provides compelling evidence for understanding the relationship between gender construction and class values By focusing on such topics as courtship marriage and parent child relations the genre configured the nuclear family as a locus where emotional and sexual gratification supported material gain Periodical literature offered an ostensibly neutral forum for public debate about private issues where male editors by instructing and reforming women also learned to become the chaste husbands and watchful fathers of the bourgeois home In the process of demonstrating how social periodicals constructed new forms of masculine control still very much with us today the book also shows how by galvanizing an important new reading class they contributed to the rise of the novel Periodical literature exerted a transformative effect on English society by displaying a moral and cultural authority not to mention a

readership that novels would struggle for many decades to achieve      **Until I Find You** John Irving, 2009-02-24 Until I Find You is the story of the actor Jack Burns his life loves celebrity and astonishing search for the truth about his parents When he is four years old Jack travels with his mother Alice a tattoo artist to several North Sea ports in search of his father William Burns From Copenhagen to Amsterdam William a brilliant church organist and profligate womanizer is always a step ahead has always just departed in a wave of scandal with a new tattoo somewhere on his body from a local master or scratcher Alice and Jack abandon their quest and Jack is educated at schools in Canada and New England including tellingly a girls school in Toronto His real education consists of his relationships with older women from Emma Oastler who initiates him into erotic life to the girls of St Hilda s with whom he first appears on stage to the abusive Mrs Machado whom he first meets when sent to learn wrestling at a local gym Too much happens in this expansive eventful novel to possibly summarize it all Emma and Jack move to Los Angeles where Emma becomes a successful novelist and Jack a promising actor A host of eccentric minor characters memorably come and go including Jack s hilariously confused teacher the Wurtz Michelle Maher the girlfriend he will never forget and a precocious child Jack finds in the back of an Audi in a restaurant parking lot We learn about tattoo addiction and movie cross dressing sleeping in the needles and the cure for cauliflower ears And John Irving renders his protagonist s unusual rise through Hollywood with the same vivid detail and range of emotions he gives to the organ music Jack hears as a child in European churches This is an absorbing and moving book about obsession and loss truth and storytelling the signs we carry on us and inside us the traces we can t get rid of Jack has always lived in the shadow of his absent father But as he grows older and when his mother dies he starts to doubt the portrait of his father s character she painted for him when he was a child This is the cue for a second journey around Europe in search of his father from Edinburgh to Switzerland towards a conclusion of great emotional force A melancholy tale of deception Until I Find You is also a swaggering comic novel a giant tapestry of life s hopes It is a masterpiece to compare with John Irving s great novels and restates the author s claim to be considered the most glorious comic moving novelist at work today      **Your Movie Sucks** Roger Ebert, 2007-03-01 A collection of some of the Pulitzer Prize winning film critic s most scathing reviews from Alex Emma to the remake of Yours Mine and Ours From Roger s review of Deuce Bigalow European Gigolo 0 stars The movie created a spot of controversy in February 2005 According to a story by Larry Carroll of MTV News Rob Schneider took offense when Patrick Goldstein of the Los Angeles Times listed this year s Best Picture nominees and wrote that they were ignored unloved and turned down flat by most of the same studios that bankroll hundreds of sequels including a follow up to Deuce Bigalow Male Gigolo a film that was sadly overlooked at Oscar time because apparently nobody had the foresight to invent a category for Best Running Penis Joke Delivered by a Third Rate Comic Schneider retaliated by attacking Goldstein in full page ads in Daily Variety and the Hollywood Reporter In an open letter to Goldstein Schneider wrote Well Mr Goldstein I decided to do some research to find out what awards you have won I went online and found that you have won nothing

Absolutely nothing No journalistic awards of any kind Maybe you didn't win a Pulitzer Prize because they haven't invented a category for Best Third Rate Unfunny Pompous Reporter Who's Never Been Acknowledged by His Peers Schneider was nominated for a 2000 Razzie Award for Worst Supporting Actor but lost to Jar Jar Binks But Schneider is correct and Patrick Goldstein has not yet won a Pulitzer Prize Therefore Goldstein is not qualified to complain that Columbia financed Deuce Bigalow European Gigolo while passing on the opportunity to participate in Million Dollar Baby Ray The Aviator Sideways and Finding Neverland As chance would have it I have won the Pulitzer Prize and so I am qualified Speaking in my official capacity as a Pulitzer Prize winner Mr Schneider your movie sucks Roger Ebert's I Hated Hated Hated This Movie which gathered some of his most scathing reviews was a bestseller This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel **Kincaid's Battery** George
