**The Last Days of Dorothy Parker** Marion Meade,2014-05-27 Dorothy Parker biographer Marion Meade shares insight into the last days in the life of Dorothy Parker the horrible and the hilarious including her colorful friendship with Lillian Hellman and the bizarre afterlife of Parker s remains from a file cabinet on Wall Street to a small burial site by the NAACP office in Baltimore The Volney was a dignified residence hotel favored by older women and their dogs on Manhattan s Upper East Side Dorothy Parker died there of a heart attack on June 7 1967 She was seventy three and had been famous for almost half a century As befitted a much loved humorist poet and storyteller the New York Times announced her exit in a front page obituary This was followed by a star studded memorial service also reported in the paper which was attended by some 150 of her friends and admirers More than

twenty years later on October 20 1988 Parker was buried in Baltimore in a memorial garden at the national headquarters of the NAACP Why did it take more than two decades for Dorothy Parker to get a decent burial What accounts for her macabre Edgar Allan Poe style ending arguably one of the most ghoulish in modern literary history And just what happened to her during those twenty one years Dorothy Parker biographer Marion Meade draws from new research to portray Parker in her last years and last days with an emphasis on her posthumous existence The story also features Parker s enduring friendship of over thirty years with playwright and screenwriter Lillian Hellman along with other notable figures in Parker s circle including Dashiell Hammett and John O Hara Always riotous and occasionally ghastly *The Last Days* is utterly and completely Dorothy Parker *Marilyn's Last Sessions* Michel Schneider, 2011-11-03 4 25 am 5 August 1962 West Los Angeles Police Department Marilyn Monroe has died of an overdose a man s voice says dully And when the stunned policeman asked What the same voice struggled to repeat Marilyn Monroe has died She has committed suicide If life were scripted like the movies this extraordinary phone call would have been made by the most important man in Marilyn Monroe s life Dr Ralph Greenson her final psychoanalyst During her last years Marilyn had come to rely on Greenson more and more She met with him almost every day He was her analyst her friend and her confessor He was the last person to see her alive and the first to see her dead In this highly acclaimed novel Marilyn s last years and her last sessions on Dr Greenson s couch are brilliantly recreated This is the story of the world s most famous and elusive actress and the world she inhabited surrounded by such figures as Arthur Miller Truman Capote and John Huston It is a remarkable piece of storytelling that illuminates one of the greatest icons of the twentieth century *Dimaggio -Softbound Edition* Morris Engelberg Marv Schneider, Having met the challenge of a posthumous collaboration with the great Robert Jordan to complete his classic bestselling fantasy series *The Wheel of Time* with three 1 New York Times bestsellers in a row Brandon Sanderson is at last free to return to the decade spanning task of creating his own multi volume epic one that he hopes will make a comparable mark on the field That epic is *The Stormlight Archive* and it began in 2010 with Tor s longest most elaborately embellished novel ever *The Way of Kings* In that first volume we were introduced to the remarkable world of Roshar a world both alien and magical where gigantic hurricane like storms scour the surface every few days and life has adapted accordingly Roshar is shared by humans and the enigmatic humanoid Parshendi with whom they are at war Among those caught up in the conflict are Brightlord Dalinar Kholin who leads the human armies his sister Jasnah a renowned scholar her student Shallan a brilliant but troubled young woman and Kaladin a military slave who by the book s end had become the first magically endowed Knight Radiant in centuries In *Words of Radiance* their intertwined stories will continue and as Sanderson fans have come to expect develop in unexpected wonderfully surprising directions The war with the Parshendi will move into a new dangerous phase as Dalinar leads the human armies deep into the heart of the Shattered Plains in a bold attempt to finally end it Shallan will come along hoping to find the legendary perhaps mythical city of Urithuru which Jasnah believes holds a secret vital to mankind s survival on

Roshar The Parshendi take a dangerous step to strengthen themselves for the human challenge risking the return of the fearsome Voidbringers of old To deal with it all Kaladin must learn to how to fulfill his new role as leader of the restored Knights Radiant while mastering the powers of a Windrunner With this second book the Stormlight Archive grows even more richly immersive and compelling Sanderson s fans old and new are likely to lift it at least as high on the bestseller lists as its predecessor

**Ask Not** Maureen Callahan,2024-07-02 From New York Times bestseller Maureen Callahan a harrowing incendiary expos of the real Kennedy Curse the family s generations long legacy of misogyny murder and mayhem Karen Abbott The must read book of the summer Megyn Kelly The Kennedy name has long been synonymous with wealth power glamor and above all else integrity But this carefully constructed veneer hides a dark truth the pattern of Kennedy men physically and psychologically abusing women and girls leaving a trail of ruin and death in each generation s wake Through decades of scandal after scandal from sexual assaults to reputational slander suicides to manslaughter the family and their defenders have kept the Kennedy brand intact Now in Ask Not bestselling author and journalist Maureen Callahan reveals the Kennedys hidden history of violence and exploitation laying bare their unrepentant sexism and rampant depravity while also restoring these women and girls to their rightful place at the center of the dynasty s story from Jacqueline Onassis and Marilyn Monroe to Carolyn Bessette Martha Moxley Mary Jo Kopechne Rosemary Kennedy and many others whose names aren t nearly as well known but should be Drawing on years of explosive reportage and written in electric prose Ask Not is a long overdue reckoning with this fabled family and a consequential part of American history that is still very much with us At long last Callahan redirects the spotlight to the women in the Kennedys orbit paying homage to those who freed themselves and giving voice to those who through no fault of their own could not One of Town Country s Must Read Books of Summer 2024
