

THE LAST OF THE QUEEN'S MEN
A Lesotho Experience

Peter Sanders

A photograph of a Lesotho landscape. The foreground shows a grassy slope. In the middle ground, there are terraced fields with various shades of green and brown, indicating different crops or stages of cultivation. A small cluster of white buildings, likely a village, is nestled in the valley. The background consists of a large, dark, rounded mountain under a pale sky.

The Last Of The Queens Men A Lesotho Experience:

The Last of the Queen's Men Peter Sanders, 2000 Peter Sanders one of the last administrative officers to be posted to Britain's African Empire went to Lesotho then Basutoland in 1961 and left when the country attained its independence in 1966 In 1968 he returned to carry out research for his biography of Moshoeshoe and his edited translation with Mosebi Damane of the praise poems of the Basotho chiefs In *The Last of the Queen's Men* he relives those years vividly recreating his experiences as a young and impressionable Englishman working first as an administrator and later as a scholar in the last years of British rule and the early days of Lesotho's independence He does so with the sharp eye of an observer and the authority of an historian placing his experience in the context of the extraordinary history of contacts and relations between black and white in southern Africa in general and in Lesotho in particular *The Last of the Queen's Men* is a little gem offering both a perspective on a vanishing order and a celebration of Lesotho of its mountainous grandeur and exhilarating climate of its people their history and their poetry

Mistress of everything Sarah Carter, Maria Nugent, 2016-07-01 *Mistress of everything* examines how indigenous people across Britain's settler colonies engaged with Queen Victoria in their lives and predicaments incorporated her into their political repertoires and implicated her as they sought redress for the effects of imperial expansion during her long reign It draws together empirically rich studies from Canada Australia New Zealand and Southern Africa to provide scope for comparative and transnational analysis The book includes chapters on a Maori visit to Queen Victoria in 1863 meetings between African leaders and the Queen's son Prince Alfred in 1860 gift giving in the Queen's name on colonial frontiers in Canada and Australia and Maori women's references to Queen Victoria in support of their own chiefly status and rights The collection offers an innovative approach to interpreting and including indigenous perspectives within broader histories of British imperialism and settler colonialism

Historical Dictionary of Lesotho Scott Rosenberg, Richard F. Weisfelder, 2013-06-13 Lesotho is rather different from most other African countries For starters it is a kingdom which preserves a traditional hierarchy and customs and its population consists of one fairly homogenous ethnic group although admittedly there are differences and occasional rifts within it Then it is a landlocked country completely surrounded by South Africa on which it depends heavily Economically it has not been doing particularly well this partly because the country is so poorly endowed by nature and its people often eke out a living abroad Politically there have been ups and downs the downs fortunately lying in the past with Lesotho doing somewhat better since the latest elections Socially and culturally as hinted it is quite unique and this can be gathered from reading the book This second edition of *Historical Dictionary of Lesotho* covers the full scope of Lesotho's ancient colonial and independence eras It gives greater emphasis to the more recent period and brings the book fully up to date This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 400 cross referenced entries on civil society key events leaders governmental international religious and other private organizations policies political movements and parties

economic elements and many other areas that have shaped the country's trajectory This book is an excellent access point for students researchers and anyone wanting to know more about Lesotho

Historical Dictionary of Lesotho John Aerni-Flessner, Charles Fogelman, Nthabiseng Mokoena-Mokhali, 2023-11-30 Lesotho's history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region Since the end of apartheid in 1994 Lesotho's status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades Historical Dictionary of Lesotho Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Lesotho

The Road to Democracy in South Africa South African Democracy Education Trust, 2024-12-02 This book examines the contributions made by the governments organisations and African people on the ground throughout the continent towards the realisation of the South African dream in 1994 The chapters provide detailed insight into the roots of the continent's liberation from colonialism The subject matter in this book also discusses The anti apartheid struggle Caribbean solidarity with the South African struggle Botswana's role in South African liberation Black internationalism The involvement of the ANC Print editions not for sale in Sub Saharan Africa This book is part of Routledge's co published series 30 Years of Democracy in South Africa in collaboration with UNISA Press which reflects on the past years of a democratic South Africa and assesses the future opportunities and challenges

Power in Colonial Africa Elizabeth Eldredge, 2007-11-20 Even in its heyday European rule of Africa had limits Whether through complacency or denial many colonial officials ignored the signs of African dissent Displays of opposition by Africans too indirect to counter or quash percolated throughout the colonial era and kept alive a spirit of sovereignty that would find full expression only decades later In Power in Colonial Africa Conflict and Discourse in Lesotho 1870-1960 Elizabeth A Eldredge analyzes a panoply of archival and oral resources visual signs and symbols and public and private actions to show how power may be exercised not only by rulers but also by the ruled The Basotho best known for their consolidation of a kingdom from the 1820s to 1850s through primarily peaceful means and for bringing colonial forces to a standstill in the Gun War of 1880-1881 struggled to maintain sovereignty over their internal affairs during their years under the colonial rule of the Cape Colony now part of South Africa and Britain from 1868 to 1966 Eldredge explores instances of Basotho resistance

resilience and resourcefulness in forms of expression both verbal and non verbal Skillfully navigating episodes of conflict the BaSotho matched wits with the British in diplomatic brinksmanship negotiation compromise circumvention and persuasion revealing the capacity of a subordinate population to influence the course of events as it selectively absorbs employs and subverts elements of the colonial culture A refreshing readable and lucid account of one in an array of compositions of power during colonialism in southern Africa David Gordon *Journal of African History* Elegantly written Sean Redding *Sub Saharan Africa* Eldredge writes clearly and attractively and her studies of the war between Lerotholi and Masupha and of the conflicts over the succession to the paramountcy are essential reading for anyone who wants to understand those crises Peter Sanders *Journal of Southern African Studies* [Lesotho Social Sciences Review](#) ,2008 [Poetry in Sesotho](#) David Ambrose,2008
