The Last Rainbow:

The Last Rainbow Parke Godwin, 1986 *Rainbow Warriors* Maite Mompo, 2014-10-20 Following the lives of the three ships with the name Rainbow Warrior this book written by a long serving Greenpeace activist tells the inside stories of life on board and recounts some of the ship's most exciting adventures and actions. It is at once a narrative of real life on board a history of some of the most famous vessels in the world and also a history of Greenpeace itself which goes beyond the oceans and touches on many aspects of the organization's work. In the end though it aims to bring out the personal stories and firsthand accounts of the ships' adventures, tales from the high seas full of action and daring but also of humanity and great compassion. Starting with the early life of Greenpeace and the bombing of the Rainbow Warrior I by the French secret service through to the imprisonment of the Arctic 30 by the Russians the stories are brought to life with photos from the Greenpeace archives, maps and nautical charts. The most symbolic items belonging to the ship's historical inventory are also included. Maite Mompo has been a Greenpeace activist for over ten years. With the sea in her blood she started on a small boat the Zorba and then moved on to crew for the Arctic Sunrise, Esperanza and Rainbow Warrior. Spending half her year at sea she has sailed from pole to pole, taken part in numerous actions and has put herself between the harpoon and the whale.

Revelation Edward Reaugh Smith, 2015-12-15 With this major work Edward Reaugh Smith concludes his singular series on the Bible and Anthroposophy. Understanding the Book of Revelation presents the ultimate challenge to those who wish to penetrate its deepest meaning, a spiritual mountain whose summit has remained beyond reach to most people. Paradoxically in spite of its name Revelation is the most veiled and mysterious book in the Bible. A century ago Rudolf Steiner opened a route to that summit. This book is the first extensive application of that priceless resource to the full text of Revelation. The substance of what Steiner tells us about John's Revelation derives from the individuality who had that Apocalyptic Vision: he was a seer and visionary and his account is esoteric and open only to such a seer. Smith presents Steiner as a seer who for the first time since John wrote his Revelation has penetrated the obscuring veil of this text. The scope of John's vision and Steiner's exposition covers the vast stretch of our human journey. Our ongoing involvement in that journey is not optional. We are each in it from beginning to end. This book is for those who would awake to it. *The Rainbow Bridge* Raymond L. Lee, Alistair B. Fraser, 2001 Venerated as god and goddess, feared as demon and pestilence, trusted as battle omen and used as a proving ground for optical theories, the rainbow's image is woven into the fabric of our past and present. From antiquity to the nineteenth century the rainbow has played a vital role in both inspiring and testing new ideas about the physical world. Although scientists today understand the rainbow's underlying optics fairly well, its subtle variability in nature has yet to be fully explained. Throughout history the rainbow has been seen primarily as a symbol of peace, covenant or divine sanction rather than as a natural phenomenon. Lee and Fraser discuss the role the rainbow has played in societies throughout the ages, contrasting its guises as a sign of optimism, bearer of Greek gods' messages of war and retribution, and a symbol of the Judeo

Christian bridge to the divine The authors traverse the bridges between the rainbow s various roles as they explore its scientific artistic and folkloric visions This unique book exploring the rainbow from the perspectives of atmospheric optics art history color theory and mythology will inspire readers to gaze at the rainbow anew For more information on The Rainbow Bridge visit **At the Rainbow's Edge** Kenny Anthony,2004 *Crescent* ,1888 **The Cambrian** ,1918 **Feather Bower Truth** Jenny Dixon,2014-02-05 The birds are behaving in a strange manner Two black crows messengers from the Old Kingdom arrive to tell Miss Jay and her team that an ancient curse is still active In order to lift the curse and bring healing to the Earth and All Life they must solve a riddle in just four days How is Miss Jay connected to this curse What is the secret of the Dragon Tooth brooch worn by Cassandra Pallas Athena and Miss Jays ancestors How can the friends bring healing across bloodlines In their search for these answers Bindi Biggles Kooky Vargo Master Zen and Miss Jay embark on an exciting journey starting from a small island near Tasmania where all that is large appears small From there they travel to Greece to meet with the ancient gods and Th emis the oracle of Delphi In the magical canyons of Sedona Arizona they seek out a wise elder with the secrets of shape shifting dance and the medicine wheel Eventually their search takes them to Africa Along the Zambezi River they meet Oshun goddess of water who summons truth from the water itself Miss Jay learns why she left the Dragons who Bindi really is and why they have been brought together Can the friends work together on this next phase of ascension to bring through the new energy of the New Earth Can they heal the bloodlines and balance the masculine and feminine energy Will they ever be free happy and at peace **In Search of the Rainbow's End** Colin Caffell,2020-01-09 THE TRUE STORY BEHIND MAJOR ITV DRAMA WHITE HOUSE FARM NOW ON NETFLIX An extraordinary book both deeply moving and quietly inspiring FREDDIE FOX A beautiful very moving book CRESSIDA BONAS In 1985 the shocking murder of a family of five in a quiet country house in Essex rocked the nation The victims were Nevill and June Bamber their adopted daughter Sheila Caffell divorced from her husband Colin and Sheila and Colin s twin sons Nicholas and Daniel Only one survivor remained the Bamber s other adopted child Jeremy Bamber Following his lead the police and later the press blamed the murders on Sheila who so the story went then committed suicide Written by Sheila s ex husband Colin and originally published in 1994 In Search of the Rainbow s End is the first and only book about the White House Farm murders to have been written by a family member It is the inside story of two families into whose midst the most monstrous events erupted When Jeremy Bamber is later convicted on all five counts of murder Colin is left to pick up the pieces of his life after not only burying his ex wife two children and parents in law but also having to cope with memories of Sheila almost shattered by a predatory press hungry for stories of sex drugs and the high life Colin s tale is not just a rare insider s picture of murder but testimony to the strength and resilience of one man in search of healing after trauma he describes his process of recovery a process that led to his working in prisons helping to rehabilitate among others convicted murderers By turns emotive terrifying and inspiring Colin Caffell s account of mass murder and its aftermath will not fail to move and astonish

Remembering the Cold War David Lowe, Tony Joel, 2014-01-21 *Remembering the Cold War* examines how more than two decades since the collapse of the Soviet Union Cold War legacies continue to play crucial roles in defining national identities and shaping international relations around the globe Given the Cold War's blurred definition it has neither a widely accepted commencement date nor unanimous conclusion what is to be remembered This book illustrates that there is in fact a huge body of remembrance and that it is more pertinent to ask what should be included and what can be overlooked Over five sections this richly illustrated volume considers case studies of Cold War remembering from different parts of the world and engages with growing theorisation in the field of memory studies specifically in relation to war David Lowe and Tony Joel afford careful consideration to agencies that identify with being victims of the Cold War In addition the concept of arenas of articulation which envelops the myriad spaces in which the remembering commemorating memorialising and even revising of Cold War history takes place is given prominence *Rainbow's Shadow and the Covenant of Wisdom* John

Cicero, 2010-03-11 *Rainbow's Shadow and the Covenant of Wisdom* picks up where *Rainbow's Shadow and the Tablets of Fate* leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his head spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to Rainbow Alley for something big He has secretly tried to gain access back into the portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another *Sorcerers Shadow* novel entitled *The Pirates Revenge* With the book resting up against the stone and another novel entitled *The Island Where Magic Began* it only takes a few seconds for the evil forces of the *Sorcerers Shadow* to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the *Covenant of Wisdom* will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind **Bwiti** James W Fernandez, 2019-01-29 We cannot the author
