The Fourth Cup Scott Hahn, 2018-02-20 From the bestselling author of *The Lamb's Supper* comes an illuminating work on the Catholic Eucharist and its link to the Jewish Passover meal Read this book And don't just read it Pray about it Reflect on it And share it with others Brant Pitre author of *The Case for Jesus* In this brilliant book part memoir part detective story and part biblical study Scott Hahn opens up new vistas on ancient landscapes while shedding light on his own enduring faith journey *The Fourth Cup* not only tracks the author's gradual conversion along the path of Evangelicalism to the doorsteps of the Catholic faith but also explores the often obscure and misunderstood rituals of Passover and their importance in foreshadowing salvation in Jesus Christ Revealing the story of his formative years as an often hot headed student and earnest seeker in search of answers to great biblical mysteries Hahn shows how his ardent exploration of the Bible's Old Testament turned up intriguing clues connecting the Last Supper and Christ's death on Calvary As Hahn tells the story of his discovery of the supreme importance of the Passover in God's plan of salvation we too experience often overlooked relationships between Abel Abraham and the Hebrews liberation from slavery in Egypt Along the way Hahn reveals how the traditional fourth cup of wine used in the concluding celebration of Passover explains in astonishing ways Christ's paschal sacrifice Rooted in Scripture and ingrained with lively history *The Fourth Cup* delivers a fascinating view of the bridges that span old and new covenants and celebrates the importance of the Jewish faith in understanding more fully Christ's life death and resurrection

Mystery Dalet Alan, 2014-04 Grab a highlighter and prepare your heart for The Great Jewish Mystery The time has come to expose friends family and particularly our children to this mystery which will eventually impact the world The Middle East receives global coverage daily yet this mysterious topic is never discussed Worldwide conspiracies now exist to deny efforts that will uncover this mystery Therefore the three major religions Judaism Christianity and Islam can no longer sit on the sidelines and avoid tough questions from this book In addition this Jewish mystery briefly combats the fallacies of The Da Vinci Code by Dan Brown Brown clearly attacked what the Jews consider sacred and made erroneous claims about the Dead Sea Scrolls This book seeks to encourage millions not to be intimidated by man made traditions or spiritual challenges Finally this book is a phenomenal quick reference guide to the best kept Middle East secret Come let us reason together Mystery of the Magi Dwight Longenecker, 2017-11-06 The perfect Christmas gift for anyone interested in the historical background behind the birth of Jesus of Nazareth Robert J Hutchinson author of The Politically Incorrect Guide to the Bible The Dawn of Christianity and Searching for Jesus Utterly refreshing and encouraging Eric Metaxas New York Times bestselling author of Bonhoeffer Pastor Martyr Prophet Spy and Martin Luther The best book I know about the Magi Sir Colin John Humphreys Ph D author of The Mystery of the Last Supper Modern biblical scholars tend to dismiss the Christmas story of the wise men from the East as pious legend Matthew's gospel offers few details but imaginative Christians filled out the story early on giving us the three kings guided by a magical star who join the adoring shepherds in every Christmas crche For many scholars then there is no reason to take the gospel story seriously But are they right Are the wise men no more than a poetic fancy In an astonishing feat of detective work Dwight Longenecker makes a powerful case that the visit of the Magi to Bethlehem really happened Piecing together the evidence from biblical studies history archeology and astronomy he goes further uncovering where they came from why they came and what might have happened to them after eluding the murderous King Herod In the process he provides a new and fascinating view of the time and place in which Jesus Christ chose to enter the world The evidence is clear and compelling The mysterious Magi from the East were in all likelihood astrologers and counselors from the court of the Nabatean king at Petra where the Hebrew messianic prophecies were well known The star that inspired their journey was a particular planetary alignment confirmed by computer models that in the astrological lore of the time portended the birth of a Jewish king The visitors whose arrival troubled Herod and all Jerusalem

with him may not have been the turbaned oriental kings of the Christmas carol but they were real and by demonstrating that the wise men were no fairy tale Mystery of the Magi demands a new level of respect for the historical claims of the gospel

Mysteries of the Bible Timothy J. Dailey,1999 *Dark Passages of the Bible* Matthew J. Ramage,2013-09-24 Multiple gods Divinely mandated genocide Rejection of an afterlife If the Scriptures are the inspired and inerrant word of God that Christians claim them to be how can they contain these things For many believers in the modern age traditional Christian answers to these challenges are no longer convincing Though spiritually edifying they are unable to account for the sheer scope and depth of problems raised through the advent of historical critical scholarship Following the lead of Pope Benedict XVI in *Dark Passages of the Bible* Matthew Ramage weds the historical critical approach with a theological reading of Scripture based in the patristic medieval tradition Whereas these two approaches are often viewed as mutually exclusive or even contradictory Ramage insists that the two are mutually enriching and necessary for doing justice to the Bible's most challenging texts Ramage applies Benedict XVI's hermeneutical principles to three of the most theologically problematic areas of the Bible its treatment of God's nature the nature of good and evil and the afterlife Teasing out key hermeneutical principles from the work of Thomas Aquinas Ramage analyzes each of these themes with an eye to reconciling texts whose presence would seem to violate the doctrines of biblical inspiration and inerrancy At the same time Ramage directly addresses the problems of concrete biblical texts in light of both patristic and modern exegetical methods PRAISE FOR THE BOOK Ramage uses three difficult biblical motifs as proving grounds for this method the nature of God the nature of good and evil and the afterlife Exegetes and theologians will appreciate the author's wrestling with these issues in a considered way that tries to be true to both scientific methodology and the demands of a community of faith The Bible Today If a sacred text can be literally incorrect about topics on which it claims to speak authoritatively how can its words be trustworthy *Dark Passages* sets out to raise the reader's awareness of how to use the Bible in ways that are not so cut and dried The Method C reader appreciates myth or authorial overreach where they exist and always reads the biblical word theologically as an encounter with the divine Word Method C goes beyond a simple formulaic answer to problematic Bible passages First Things
