understand what stands in the way of their love if they are ever to spend a lifetime together At the Precipice of Poverty D. T. Blakeley, 2001 This is the story of life in a street in Croydon in 1907 It is also the story of a young man's dream to leave that street with all its violence drunkenness and poverty behind and to give his parents a better life **Transcripts of Eight Recorded Presidential Conversations** United States. Congress. House. Committee on the Judiciary, 1974 **Easy Touch** S. Kaberry, 2007-08 Second edition updated from the 2006 version Key Themes miscarriages of justice medication mental health services In exposing one medico legal scandal this story blows the whistle on the closed shop that is our legal profession and Legal Establishment A frightening and true story of unaccountable power over our daily lives Description A frightening and true insight into the inability of our Legal Establishment to understand and acknowledge mental health issues and the effects of prescribed psychoactive drugs A solicitor is doped up by prescribed drugs then rendered confused and suicidal and robbed and deceived The Legal Establishment vilify him to the public even when unanimously acquitted they take his home and career income and capital and repeat the false allegations covering the truth with a press gag The man and it could be you entrusts his safety and future to lawyers who had spent 35 million of public money seeking redress for thousands of other who had claimed the same their lives have been forever ruined by these drugs That claim was so conducted it was never heard Supported by all experts the same lawyers advise there is no claim and put him on the scrap heap of life Is there something sinister afoot You read and judge and vote He fights back only to find that the law is very much a closed shop The reader is given a fascinating insight to the real workings of our Legal Establishment to the very top in the House of Lords Finally you are given something judges and lawyers have always denied each of us the right to judge lawyers and their system and the judges who protect them About the Author Simon Kaberry was born in Leeds in December 1948 After schooling elsewhere he was admitted a solicitor in 1974 and returned to his native city in 1980 where he set up and ran his own legal practice This is his true story of the workings of our legal establishment today Book Extract They say that life is what you make of it Others say that is not so it is much more what happens to you in it Events over which you have no control such determine the path of your life and you can only respond to them as best one can The account which follows is of life in England today subjected to its lawyers rules It is not fiction I wish it were Any event to which I was not a party is based upon reasoned assumptions from known facts Had these events not happened to me I would have said this could not happen yet it could happen to you How would you cope If wrong should befall you or your family you would seek redress in accordance with the law You would put your trust in it and in the lawyers You would look to that word justice a concept which ordinary people see as right and truth sometimes retribution sometimes compensation To do that you would look to our judges our trustees of justice to hear the evidence fairly then judge and order As a democracy we elect those entrusted to govern Each five years at least we have the right to change that government the legislature and executive if it fails us lets us down or does not answer our needs they know that However the third part of democratic life is the Judiciary Our Judges are

not elected and self regulate as such they know they are not accountable to us The system has evolved this way over centuries It is one of the few jobs for life appointed from within their own answerable only to its self regulation and covered by a powerful omerta Any system whereby those who control it are unanswerable is open to abuse deceit and cover up at the public s expense It can ruin anyone s life and we are powerless
