The Beckoning Sea Bernhard Abrahamsson,2008-10-28 Looking back author Bernhard J Abrahamsson cannot say exactly why at age fourteen he chose a seafaring life Perhaps the choice was less the result of deliberate design and pursuit than of circumstances that led him in that direction In The Beckoning Sea Abrahamsson a native of Sweden shares the short stories and vignettes from a youth spent dreaming of seeing the world This memoir narrates his experiences when he joined the Swedish Merchant Marine and sailed all over the world on Swedish and Israeli

merchant ships through the 1950s He passed the sea captains exam in 1953 and was licensed as a captain in 1958 reaching the rank of commander in the Swedish Naval Reserve before becoming a US citizen Funny and sad events mesh to form a picture of seafaring as it once was of a lifestyle that no longer exists The Beckoning Sea offers stories of friendship loss and madness at sea the forces of nature and life in the rough ports of the Baltic coal trade immediately after World War II A tale of a boys journey to adulthood The Beckoning Sea also contains a collection of memories and often comical stories from Abrahamssons own second chapter his life after leaving the sea and planting his feet on firm ground **The Passage** Vance Palmer, 1928 **The Secret Vanguard** Michael Innes, 2023-05-30 A Scotland Yard detective investigates a peculiar case of murder poetry kidnapping and German spies in this classic British wartime thriller Insp John Appleby is puzzled by the death of Philip Ploss Who would want to kill such a harmless quiet man known for writing mid level nature poetry Poetry is what Sheila Grant overhears two men discussing on a train outside Edinburgh Their whole conversation seems absurd to her especially after one of them misquotes the poet Swinburne Unfortunately her discovery quickly places her in danger Meanwhile back in London Appleby learns of a kidnapping on a train in Scotland and senses a connection to Ploss s murder Locating Sheila will certainly lead Appleby to Ploss s killer but only if he finds her alive You d let a cobra walk all over you before you d put this one down to defend yourself The New Yorker Very exciting full of most painstakingly described violent action The Observer For sheer excitement and picturesque melodrama The Secret Vanguard will delight everyone New Statesman **The Atlantic Monthly**, 1919 **The Horror Comics** William Schoell, 2014-07-10 From the Golden Age of the 1940s through the Silver Age of the 60s up until the early 80s the end of the Bronze Age Included are the earliest series like American Comics Group s Adventures into the Unknown and Prize Comics Frankenstein and the controversial and gory comics of the 40s such as EC s infamous and influential Tales from the Crypt The resurgence of monster horror titles during the 60s is explored along with the return of horror anthologies like Dell Comics Ghost Stories and Charlton s Ghostly Tales from the Haunted House The explosion of horror titles following the relaxation of the comics code in the 70s is fully documented with chapters on Marvel s prodigious output The Tomb of Dracula Werewolf by Night and others DC s anthologies Witching Hour and Ghosts and titles such as Swamp Thing as well as the notable contributions of firms like Gold Key and Atlas This book examines how horror comics exploited everyday terrors and often reflected societal attitudes toward women and people who were different The Gothic Romance Wave Lori A. Paige, 2018-09-19 The late 1960s and early 1970s saw the birth of modern feminism the sexual revolution and strong growth in the mass market publishing industry Women made up a large part of the book market and Gothic fiction became a higher popular staple Victoria Holt Mary Stewart and Phyllis Whitney emerged as prominent authors while the standardized paperback Gothic sold in the millions Pitched at middle class women of all ages Gothics paved the way for contemporary fiction categories such as urban fantasy paranormal romance and vampire erotica Though not as popular today as they once were Gothic paperbacks retain a cult

following and the books themselves have become collectors items They were also the first popular novels to present strong heroines as agents of liberation and transformation This work offers the missing chapters of the Gothic story from the imaginative creations of Ann Radcliffe and the Bronte sisters to the bestseller 50 Shades of Grey The Terrible Old Man Говард Лавкрафт, 2022-01-29 The Terrible Old Man is a strange elderly man so old that no one can remember when he was young and so taciturn that few know his real name He lives alone in an ancient house on Water Street in the town of Kingsport *The Master Criminal - Ultimate Crime Collection* Fred M.
