Stephen Greenblatt Mark Robson,2014-06-11 Stephen Greenblatt is the most important exponent of new historicism a dynamic critical movement which rejects the traditional reliance on individual canonical texts exploring a multitude of other more marginal works and voices Questioning not just literary but social political and cultural assumptions about knowledge and power Greenblatt s work has had a huge impact on contemporary theory Mark Robson discusses ideas specific to particular works and explores the relation of Greenblatt s thought to new historicism as well as other modes of criticism including the key topics of context cultural poetics power subversion and containment thick description anecdotes Providing a starting point for readers new to this crucial theorist s sometimes complex texts or support for those deepening their understanding of his work this guidebook is ideal for students in the fields of literary history social and cultural studies

George Herbert's Pastoral Christopher Hodgkins,2010 As poet and as country parson George Herbert engaged the pastoral in all of its varied senses In October of 2007 many of the world s leading Herbert scholars met at Sarum College in Salisbury England to locate Herbert s pastoral life and writings more particularly in early Stuart Wiltshire They explored the relations between the pastoral locale of Herbert s last years 1630 1633 in nearby Bemerton and the themes images and tenor of his writing How did the specific country place time and people shape the life and work of this especially lyrical country priest The fourteen essays in this collection address Herbert s pastoral poetry and practice cast new light on his actual relations with specific local personalities and places make fresh connections to the inward biblical and liturgical spaces of his work consider his outward links to garden and pasture and discover fictional and theological reverberations beyond Herbert s local pastoral world Christopher Hodgkins is Professor of English at the University of North Carolina Greensboro

Roman Shakespeare Coppélia Kahn,2013-04-15 In the first full length study of Shakespeare s Roman plays Coppélia Kahn brings to these texts a startling critical perspective which interrogates the gender ideologies lurking behind Roman virtue Plays featured include Titus Andronicus Julius Caesar Antony and Cleopatra Coriolanus Cymbeline Setting the Roman works in the dual context of the popular theatre and Renaissance humanism the author identifies new sources which she analyzes from a historicised feminist perspective Roman Shakespeare is written in an accessible style and will appeal to scholars and students of Shakespeare and those interested in feminist theory as well as classicists Shakespeare and His Authors William Leahy,2015-03-17 The Shakespeare Authorship question the question of who wrote Shakespeare s plays and who the man we know as Shakespeare was is a subject which fascinates millions of people the world over and can be seen as

a major cultural phenomenon However much discussion of the question exists on the very margins of academia deemed by most Shakespearean academics as unimportant or indeed of interest only to conspiracy theorists Yet many academics find the Authorship question interesting and worthy of analysis in theoretical and philosophical terms This collection brings together leading literary and cultural critics to explore the Authorship question as a social cultural and even theological phenomenon and consider it in all its rich diversity and significance

Literary and visual Raleigh Christopher Armitage, 2016-05-16 This collection of essays by scholars from Great Britain the United States Canada and Taiwan covers a wide range of topics about Raleigh's diversified career and achievements Some of the essays shed light on less familiar facets such as Raleigh as a father and as he is represented in paintings statues and in movies others re-examine him as poet historian as a controversial figure in Ireland during Elizabeth's reign and look at his complex relationship with and patronage of Edmund Spenser A recurrent topic is the Hatfield Manuscript in Raleigh's handwriting which contains his long unfinished poem *The Ocean to Cynthia* usually considered a lament about his rejection by Queen Elizabeth after she learned of his secret marriage to one of her ladies in waiting The book is appropriate for students of Elizabethan Jacobean history and literature Among the contributors are well-known scholars of Raleigh and his era including James Nohrenberg Anna Beer Thomas Herron Alden Vaughan and Andrew Hiscock

Voyages in Print Mary C. Fuller, 1995-09-28 The decades leading up to England's first permanent American colony saw not only territorial and commercial expansion but also the emergence of a vast and heterogeneous literature. In the multiple relations of writing to discovery over these decades, these texts played a role more powerful than that of simple recording. They needed to establish certain realities against a background of scepticism, the possibility of discovery, the lands discovered, the intentions and experiences of the discoverers, and they also had to find ways of theorizing their enterprise. Yet conceiving of the American enterprise positively or even survivably proved surprisingly difficult. The voyage narratives evolved almost from the outset as a genre concerned with recuperating failure as noble, strategic even as a form of success. Reception of these texts from the Victorian era on has often accepted their claims of heroism and mastery through a careful re-reading. Mary Fuller argues for a more complicated, less glorious history.
