ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

**T. S. Eliot, Dante, and the Idea of Europe** Paul Douglass, 2011-05-25 T S Eliot greatly enhanced Dante's profound influence on European literature The essays in this volume explore Dante's importance through a focus on Eliot Probing the questions what Eliot made of Dante and what Dante meant to Eliot the essays here assess the legacy of modernism by engaging its classicist roots covering a wide spectrum of topics stemming from Dante's relevance to the poetry and criticism of Eliot The essays reflect on Eliot's aesthetic philosophical and religious convictions in relation to Dante his influence upon literary modernism through his embracing and championing of the Florentine and his desire to promote European unity The first section of the book deals with aesthetic and philosophical issues related to Eliot's engagement with Dante beginning with Jewel Spears Brooker's masterful essay on the concepts of immediate experience and primary consciousness in Eliot's work and moving on to essays considering his idea of a unified sensibility as well as Eliot's engagement with Hindu Buddhist and Christian themes and motifs The second part of the book focuses on Dante's importance to Eliot's founding work in the modernist movement In what ways did Dante directly and indirectly influence the exemplary path that Eliot blazed for his contemporaries especially Ezra Pound How early did Dante's influence show itself in Eliot's work Why was he unable to complete the great trilogy he seems to have sought to write based on Dante's Inferno Purgatorio and Paradiso These questions and their answers lead to the book's final section which considers Eliot's and Dante's role in the formation of a twentieth century concept of Europe Incisive essays on Eliot's varied sources of tradition in his attempt to promote the idea of a European union and his anxiety over the heritage of Romanticism are capped by a magisterial contribution from Dominic Manganiello showing precisely how Eliot's reformulation of the Dantesque European Epic continues to influence the work of Anglo European and Commonwealth writers

**In the Blood** Lesley Welsh, 2018-01-30 One woman's heroism gives her unwanted attention and snares her in a web of deadly revelations from the past in this breathtaking crime thriller Grace Dobbs a champion at her local gun club lives a quiet life in Western Australia with her mother But when a violent killing spree in the neighbourhood sees Grace come to the rescue she is catapulted into the limelight as a local heroine However her fame spreads much further than the local town bringing her to the attention of someone in Britain who is very keen to meet her But what does this person want And can they be trusted As Grace travels to England to discover her true heritage she is about to learn the real meaning of danger In the Blood is an enormously enjoyable read Entertaining unflinching and seeped in dark intent the novel leaves this reader lamenting that the late Ms Welsh won't gift her readers another work Mark Wilson bestselling author of the dEaDINBURGH series *Waterborne*

*Pageants and Festivities in the Renaissance* Margaret Shewring, 2017-03-02 As the first book length study of waterborne festivities in Renaissance and early modern Europe this collection of essays draws on a rich array of sources many previously un researched to explore aspects of scenography choreography music fashion painting sculpture architecture stage and personnel management and urban planning as evinced in spectacles staged on water Bodies of water in all their variety are explored here seas rivers fountains lakes and canals and flooded improvised locations within or adjacent to great buildings all provided stages for elaborate and costly performances utilising the particular qualities of water to reflect light and distort sound The volume encompasses festivals marking a wide range of occasions from the election of civic officials the welcome of a monarch an investiture or coronation to ambassadorial visits or the arrival of a royal or ducal bride or bridegroom Often taking the form of re enactments of naval battles or legendary seaborne quests these festivals seek to buttress civic and national pride make claims to mastery over the sea and landscape and explore the imaginative as well as practical life of performance space which has been a hallmark of the research and publication of this volume s honorand J R Ronnie Mulryne
