**Memoirs of a Middle School Teacher** Patricia Patrick Marr,2022-11-03 Middle schoolers are interesting creatures Teaching them was both challenging and fulfilling Sixth grade in my opinion is the most difficult grade to teach Too many times to count mothers claimed that their child had never done that before I learned to respond That s because he wasn t in the sixth grade before As hard as it was at times as I look back on my days in middle school I can reminisce with a chuckle at most of their antics Too often though it was I who said or did something foolish in the heat of the moment If I had kept notes I could have filled hundreds of pages with the comical things that happened in the middle grades Instead these are my memories
