Situation Ethics: True or False? John Warwick Montgomery, Joseph Fletcher, 2017-03-11 This riveting philosophical debate pits Christian apologist Dr John Warwick Montgomery against the situation ethicist Joseph Fletcher to grapple with the absoluteness of moral principles      **Situation Ethics** Joseph Francis Fletcher, John Warwick Montgomery, 1972

Situation Ethics ; True Or False Joseph Francis Fletcher, 1966      **The Philosophical Diseases of Medicine and their Cure** Josef Seifert, 2012-11-02 At all times physicians were bound to pursue not only medical tasks but to reflect also on the many anthropological and metaphysical aspects of their discipline such as on the nature of life and death of health and sickness and above all on the vital ethical dimensions of their practice For centuries almost for two millennia how ever those who practiced medicine lived in a relatively clearly defined ethical and implicitly philosophical or religious world order within which they could safely turn to medical practice knowing right from wrong or at least being told what to do and what not to do Today however the situation has radically changed mainly due to three quite different reasons First and most obviously physicians today are faced with a tremendous development of new possibilities and techniques which allow previously unheard of medical interventions such as cloning cryo conservation ge netic interference etc which call out for ethical reflection and wise judgment but regarding which there is no legal and medical ethical tradition Traditional medical education did not prepare physicians for coping with this new brave world of mod em medicine Secondly there are the deep philosophical crises and the philosophical diseases of medicine mentioned in the preface that lead to a break down of firm and formative legal and ethical norms for medical actions      *Dictionary Of Modern American Philosophers* John R. Shook, 2005-05-15 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought      **The Bloomsbury Encyclopedia of Philosophers in America** John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From

1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history Defending the Gospel in Legal Style John Warwick Montgomery, 2017-10-25 Traditional apologetics is either focused on obscure quasi Thomist philosophical arguments for God's existence or on 18th century style answers to alleged biblical contradictions But a new approach has recently entered the picture the juridical defence of historic Christian faith with its particular concern for demonstrating Jesus's deity and saving work for humankind The undisputed leader of this movement is John Warwick Montgomery emeritus professor of law and humanities University of Bedfordshire England and director International Academy of Apologetics Evangelism and Human Rights Strasbourg France His latest book of more than sixty published during his career shows the strength of legal apologetics its arguments drawn from secular legal reasoning can be rejected only at the cost of jettisoning the legal system itself on which every civilised society depends for its very existence The present work also includes theological essays on vital topics of the day characterised by the author's well known humour and skill for lucid communication *Human Rights and Human Dignity* John Warwick Montgomery, 2018-02-06 No one is against human rights It is obviously a good thing until one starts to think about the meaning of the term and its implications Then it shows itself to be an idea that polarizes encouraging uncritical support and also extreme reaction from both secularists and religionists John Warwick Montgomery who is both a lawyer and a theologian is uniquely qualified to address the question of human rights In clear easily understood language he analyzes what human rights are and addresses the crucial question How can human rights properly understood be legitimated Montgomery shows that there is a foundation for human rights it must be sought in a transcendent perspective in the revelational content of the Bible **An Introduction to Biblical Ethics** David W. **Old Texts Through New Eyes** Dallas R. Burdette, 2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God's people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is

**Colossians** David J. Landegent,2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey
