examination which equivalent to HSK 4 You should know the meaning of most vocabulary HSK 1 to HSK 4 If you see HSK 5 or even HSK 6 vocabulary you are motivated to reach higher who knows these harder vocabulary will not appear in your reading papers actually it happened many time the vocabulary appeared in the past papers are out of range If you see HSK 1 to HSK 3 vocabulary you are required to write them out in additional know how to read and the meaning This is the answer to annoying question raised by many students Should I know how to write them The 6 levels classification provide a grid to evaluate students progress by teacher or self assessment by students Such classification will enable students go faster as too much memorize of writing of Chinese characters will slow down their progress It takes us six month to do this small but significant modification a painful task for us but for goodness of students By providing the best English translation available on the world not bragging no jokes the best seeing is believing HSK classification reference and past papers sentences illustration we created more than just a dictionary a vocabulary list or a reference book Edeo Educational Video courses Our practical and unique approach integrated with our IT system seamlessly will bring you the learning experience you may never know Grab our courses and success in your examinations David YAO Founder of <https://edeo.biz> shop www.legoomandarin.com July 28 2016 Revised on January 2019 November 14 2020
