Have you given any thoughts to the possibility that you might have chosen your life the way it is And that God plays little or no role in how you operate your life daily God made Man in His own image and breathe his breath into him In the process he created the best most sophisticated most valuable powerful unique unparalleled and delicate computer organs to guide and direct your path through life while you are here on earth for a limited time And this gives you the absolute power to do as much or as little as you set your mind to do This godly gift is likened to your free gift of talents from God What you do with your talents as an individual signifies your purpose of life and should limit how much responsibility is placed on God It brings the focus back on you towards accountability and success in life This is the essence of the Padlock of Knowledge how You Choose Your Destiny from Heaven All your life has been orchestrated from the time you were born until that time when you relinquished the spirit back to its rightful owner as your journey of life comes to an end Afterwards you will return to Praising and Worshiping God in His Sanctuary among Angels Before then you do have a life to live and you must factor in Destiny and its impact upon your life There is a biblically sound way that God can be petitioned to upgrade an unwanted destiny as only he could do And this is what every believer should pursue relentlessly in other to thwart the adversaries relentless attempt to sabotage your life goals The clock is ticking Let us go on this beautiful journey of personal growth together as it is written     *Six Discourses, Concerning I. Election and Reprobation. II. Extent of Christ's Redemption. III. The Grace of God. IV. Liberty of the Will. V. Defectibility of the Saints. VI. Answer to Three Objections* Daniel Whitby,1801

lead their adherents toward it This is the situation we call the crisis of the holy It is a confluence of threats challenges and opportunities for all religions This volume explores the contours of pressures changes and transformations and reflects on how all our religions are changing By identifying commonalities across religions as they respond to these pressures The Crisis of the Holy recommends ways religious traditions might cope with these changes and how they might join forces in doing so Contributors Vincent J Cornell Alon Goshen Gottstein Sidney H Griffith Maria Reis Habito B Barry Levy Deepak Sarma Michael von Br ck ABOUT VOLUME FIVE The chapters collected in this book prepared by a think tank of the Elijah Interfaith Academy address the subject of religious leadership The subject is of broad relevance in the training of religious leaders and in the practice of religious leadership As such it is also germane to religious thought where reflections on religious leadership occupy an important place What does it mean to be a religious leader in today s world To what degree are the challenges that confront religious leadership today the same perennial challenges that have arrested the attention of the faithful and their leaders for generations and to what degree do we encounter challenges today that are unique to our day and age One dimension is surely unique and that is the very ability to explore these issues from an interreligious perspective and to consider challenges opportunities and strategies across religious traditions Studying the theme across six faith traditions Christianity Islam Judaism Sikhism Hinduism and Buddhism The Future of Religious Leadership World Religions in Conversation recognizes the common challenges to present day religious leadership Contributors Awet Andemicael Timothy J Gianotti Alon Goshen Gottstein Anantanand Rambachan Maria Reis Habito Meir Sendor Balwant Singh Dhillon Miroslav Volf VOLUME SIX One of the biggest challenges for relations between religions is the view of the religious Other The question touches the roots of our theological views The Religious Other Hostility Hospitality and the Hope of Human Flourishing explores the views of multiple religious traditions on how to regard otherness How does one move from hostility to hospitality How can hospitality be understood not simply as social hospitality but as theological hospitality making room for the religious Other on theological grounds What is our vision for the flourishing of the Other while respecting his otherness This volume is an exercise in constructive interreligious theology By including Abrahamic and non Abrahamic traditions it approaches these challenges from multiple perspectives highlighting commonalities in approach and ways in which one tradition might inspire another Contributors Vincent J Cornell Alon Goshen Gottstein Richard P Hayes Lord Rabbi Jonathan Sacks Deepak Sarma Stephen W Sykes Dharma Master Hsin Tao Ashok Vohra     Notes on the Miracles of Our Lord ...
