Slovenia From Yugoslavia To The European Union:

Slovenia Mojmir Mrak, Matija Rojec, Carlos Silva-Jauregui, 2004-01-01 Thirteen years after independence from the former Socialist Republic of Yugoslavia Slovenia has become one of the most advanced transition economies in Central and Eastern Europe and will become a member of the EU in May 2004 This publication examines the country's recent political and socio-economic history its transition to a market economy and the challenges that lie ahead It includes contributions from Slovenia's president a former vice prime minister the current and previous ministers of finance the minister of European Affairs the current and former governors of the Bank of Slovenia as well as from leading development scholars in Slovenia and abroad

Slovenia Mojmir Mrak, Matija Rojec, Carlos Silva-Jauregui, 2004 **Small States and the European Union** Lino Briguglio, 2016-06-10 The Economies of European Union Small Member and Candidate States deals with the small states and candidate states of the EU with a focus on their economic structure and performance and the impact of EU membership past actual and potential on the economy The small states to be covered are those with a population of 3 million or less namely Cyprus Estonia Iceland Latvia Lithuania Luxembourg Malta Macedonia Montenegro and Slovenia This title adds to the literature on the EU on regional integration generally and on small states It delves into the special constraints of small economic size and examines why and how the small states of Europe manage to compete albeit not without difficulty with the larger states in the block where free trade prevails The book answers the following research questions What are the special economic development constraints faced by the small states of the EU What policy options have been used by or are available to these small states to address these constraints How can the economic resilience and competitiveness of these states be enhanced Has EU membership been mostly advantageous for these small states What are the economic prospects for these states as EU member states The book is aimed primarily for students of EU affairs and of regional integration in general It will also be useful for students of subjects relating to small states It may also appeal to policy makers of small states and to officials of international and regional organisations that have a constituency that includes small states **Working and Employment Conditions in New EU Member States** Daniel Vaughan-Whitehead, 2005 This study presents information on trends in working and employment conditions in the 10 new EU member states within a year of their accession By comparing them with the other EU member states it provides insights into general trends that we may expect between convergence and diversity in an enlarged EU The volume produced by a working group of leading experts in this field provides information on practices at enterprise level through a series of case studies in new member states and identifies how the different elements of the world of work employment contracts working time wages social dialogue and workers participation reconciliation of work and family are combined Welfare State Transformation in the Yugoslav Successor States Marija Stambolieva, 2016-04-28 Welfare states are the product of economic political and social interactions and undergo changes as these interactions transform Existing welfare state theories mainly tend to explain the emergence and development of the

welfare state in the western industrialized and capitalist world While the states of Central and Eastern Europe have recently been integrated in the academic discourse the countries of the former Yugoslavia have been predominantly excluded from comparative analysis Issues of nationalism and ethnic polarization have been prevalent there while socio economic issues have been put on the back burner This book explores what happened to the strong social states and relatively equal societies which existed in Slovenia Croatia Serbia and Macedonia and looks into what accounts for these diverse outcomes By investigating the applicability of the theories on welfare state development and typologization it fills in the gap in the welfare state literature It offers an original typology of social citizenship that takes into account the diversity of welfare policy formations across the region The aim of this typology is not to compete with existing ones but rather to offer a framework for better understanding of states that do not necessarily fit into known explanatory categories In a global context of changing economic circumstances and contending political responses macroeconomic policy and welfare state reform become order of the day By featuring the ways that states adjust to new pressures this book s arguments may come in handy to those trying to make sense of the crisis and the powers that drive the policy solutions *Structural Origins of Post-Yugoslav Regimes*

Valentina Petrović,2024-09-16 This analysis of the Yugoslav democratisation process explains the variation of regime outcomes within a structuralist framework Focusing on the post socialist world it goes beyond ethnicity and elite agency to bring the role of class and the state into discussions of third wave democracies Offering an in depth study of four post Yugoslav cases and relying on extensive field work it examines how civil society state structures and elite agency influence the trajectories of Croatia North Macedonia Serbia and Slovenia after the end of socialism The analysis also considers the impact of the European Union on domestic conditions The author argues that no single factor explains the occurrence of democracy It is instead the result of the combination of an autonomous civil society a non captured state and ruling elites willing to implement democratic reforms Concomitant with this the analysis provides evidence that the only sufficient condition for the occurrence of democracy is non captured state structures State capacity therefore plays a central role in democratisation This book will be of interest to scholars and students of Eastern Europe Southeastern Europe the EU and democratisation as well as to policymakers and nongovernmental organisations Europeanization and Informal Networks

in Southeastern Europe Alexander Mesarovich,2024-11-08 Europeanization and Informal Networks in Southeastern Europe considers the impact of political culture including informal rules which regulate political behaviour on formal political processes Exploring the EU accession processes of Slovenia Croatia and Serbia the author identifies how the working and social culture of political elites enabled and or constrained the ability of the respective legislatures to pass the reforms necessary to become members of the EU The innovative approach quantifies informality at the elite level taking a rigorous multi methods approach to identifying the sometimes subtle impact of informal cultures on formal political processes In doing so it demonstrates the added value from studying informality by providing a richer understanding of the factors which

help motivate and drive political action and which may be invisible to an outside observer By examining features such as the connectedness of individuals and key committees Mesarovich finds that hierarchical network structures can both accelerate and interfere with reform processes under different conditions This book advances the field of Europeanization both within the framework of accession and more broadly by highlighting network level and individual factors which can deeply impact state wide political outcomes and will be of primary interest to an academic audience interested in the region EU studies Social Network Analysis and regional politics

Back To Europe Karen Henderson,2005-10-09 As The European Union Opens Negotiations On Membership With Five Of The Ten post communist states who have applied this book looks at some of the challenges presented by Eastern enlargement not only to existing member states and European institutions but also to the Central and Eastern European countries themselves The approach is interdisciplinary and brings together contributions from academic specialists on security and international relations European institutions the economics of european integration and the domestic politics of Central and Eastern Europe The book has been structured to provide a clear and comprehensive introduction to the topic for students taking a range of courses including European integration the politics of post communist democracies and Europe s post Cold war order At the same time it will be accessible to more general readers with an interest in European Union affairs while presenting research to specialists in the area

Religion in the Post-Yugoslav Context Branislav Radeljic,Martina Topic,2015-07-01 Religion in the Post Yugoslav Context brings together a diverse group of scholars each of them specializing in the role of religion in one of the Yugoslav successor states In addition to providing the readership with the understanding of both the general context religion during the disintegration of the Yugoslav state as well as more specific aspects individual post Yugoslav states this rich collection complements the existing research in the fields of religious studies and political science It represents an important source for scholars and students interested in the post Yugoslav dynamic Moreover this kind of analysis is of major relevance for state and non state actors involved in promotion of religious tolerance

Central Europe on the Threshold of the 21st Century Adam Jarosz,Krzysztof Olszewski,2014-07-24 This book draws attention to selected aspects of the Central European reality and discusses interesting subjects related to the political economic and social landscape of the region which are in a continuous process of transformation The book will be a useful source of knowledge as Central Europe is still considered to be an undiscovered island in the changeable waters of contemporary international relations

Regime Change in the Yugoslav Successor States Mieczysław P. Boduszynski,2010-04-26 In the 1990s amid political upheaval and civil war the Socialist Federal Republic of Yugoslavia dissolved into five successor states The subsequent independence of Montenegro and Kosovo brought the total number to seven Balkan scholar and diplomat to the region Mieczyslaw P Boduszynski examines four of those states Croatia Slovenia Macedonia and the Federal Republic of Yugoslavia and traces their divergent paths toward democracy and Euro Atlantic integration over the past two decades Boduszynski argues that regime change in the Yugoslav successor states

was powerfully shaped by both internal and external forces the economic conditions on the eve of independence and transition and the incentives offered by the European Union and other Western actors to encourage economic and political liberalization He shows how these factors contributed to differing formulations of democracy in each state The author engages with the vexing problems of creating and sustaining democracy when circumstances are not entirely supportive of the effort He employs innovative concepts to measure the quality of and prospects for democracy in the Balkan region arguing that procedural indicators of democratization do not adequately describe the stability of liberalism in post communist states This unique perspective on developments in the region provides relevant lessons for regime change in the larger post communist world Scholars practitioners and policymakers will find the book to be a compelling contribution to the study of comparative politics democratization and European integration

Europe and the Post-Yugoslav Space

Branislav Radeljic, 2016-04-22 Charting the path from intervention to integration Europe and the Post Yugoslav Space examines the role of Europeanization on the development of the countries of the former Yugoslavia Slovenia Croatia Macedonia Montenegro Serbia Bosnia and Herzegovina and Kosovo may have a shared history but their experiences views and attitudes to European integration vary dramatically Opinion within each state is often equally as keenly divided as to the benefits of active membership The debate within each country and their comparative differences in approach provide fascinating case studies on the importance and relevance of the EU and the effectiveness of Europeanization A wide range of contributors with significant experience gained within the EU as well as their country of origin use their expert understanding of the language and cultures of the countries concerned to provide detailed and rich insights into the troubled history and potential of the post Yugoslav space

Democracy and Judicial Reforms in South-East Europe

Cristina Dallara, 2014-07-08 The book analyzes the topic of judicial reforms in four countries of South East Europe focusing on two specific factors that have influenced the reforms in the past two decades the role played by the European Union in light of the east Enlargement process and the legacies of the communist regimes Specifically the aim is to account for similarities and differences in the reform paths of Slovenia Romania Croatia and Serbia In each country in fact the influence of the EU policies has been differently mediated by national factors that broadly conceived may be considered as expressing the legacies of the past regimes In some cases these legacies challenged judicial reforms and inhibited the influence of the EU in other cases they were positively overcome by following the route suggested by the EU Some explanatory factors for these differences will be proposed drawing from democratization studies Europeanization literature and comparative judicial systems The book focuses on countries having different status vis a vis the EU and differently involved in term of timing in the EU accession process some of them are new member states entered in 2004 Slovenia or in 2007 Romania others were until recently acceding countries Croatia or candidates to the membership Serbia This comparison allows investigation of the power of EU conditionality in different phases of the EU enlargement process vis a vis the EU and differently involved in term

of timing in the EU accession process some of them are new member states entered in 2004 Slovenia or in 2007 Romania others were until recently acceding countries Croatia or candidates to the membership Serbia This comparison allows investigation of the power of EU conditionality in different phases of the EU enlargement process Identity and Security in Former Yugoslavia Zlatko Isakovic, 2019-05-24 This title was first published in 2000 A clear concise and comprehensive analysis of the concept of societal security this groundbreaking book systematically applies the concept of societal security to the five successor states of Former Yugoslavia Looking at the past and present it studies the implications for the future

Europe enlarged Kogan, Irena, Gebel, Michael, 2008-07-16 The expansion of the European Union EU has put an end to the East West division of Europe At the same time it has increased the cultural heterogeneity social disparities and economic imbalances within the EU exemplified in the lower living standards and higher unemployment rates in some of the new member states This important new reference work describes the education systems labour markets and welfare production regimes in the 10 new Central and Eastern Europe CEE countries In three comparative chapters discussing each of these domains in turn the editors provide a set of theory driven comprehensive and informative indicators that allow comparisons and rankings within the new EU member states Ten country specific chapters follow each written by experts from those countries Bulgaria the Czech Republic Estonia Hungary Latvia Lithuania Poland Romania Slovakia and Slovenia These chapters provide detailed information on each country's education and training systems labour market structure and regulations and its provision of formal and informal welfare support An important component of each country chapter is the explanation of the historical background and the specific national conditions for the institutional choices in the transitional years The handbook provides policy makers with the tools to assess the institutional changes in CEE countries and scholars with ways to apply the proposed indicators to their analytic research It will be a vital resource that no major research library should be without **The European Union and South East Europe** Andrew Geddes, Charles Lees, Andrew

Taylor, 2013-05-02 This book explores the interaction of the EU in Greece Slovenia Croatia and Macedonia in three key policy sectors cohesion border managements and the environment and assesses the degree to which the European Union's engagement with the democracies of South East Europe has promoted Europeanization and Multi Level Governance Although there is a tendency to view the Balkans as peripheral this book argues that South East European states are central to what the EU is and aspires to become and goes to the heart of many of the key issues confronting the EU It compares changing modes of governance in the three policy areas selected because they are contentious issues in domestic politics and have trans boundary policy consequences in which there is significant EU involvement The book draws on over 100 interviews conducted to explore actor motivation preferences and perceptions in the face of pressure to adapt from the EU and uses Social Network Analysis Timely and informative this book considers broader dilemmas of integration and enlargement at a time when the EU's effectiveness is under close scrutiny The European Union and South East Europe will

be of interest to students and scholars of European politics public policy and European Union governance and integration

World and Its Peoples, 2010 Presents a thirteen volume reference guide to the geography history economy government culture and daily life of countries in Europe *The Statesman's Yearbook 2008* B. Turner, 2017-01-12 The 2008 edition of *The Statesman's Yearbook* contains information and analysis on every country in the world including biographical profiles of current leaders government histories economic overviews and maps Every copy comes with a single user licence giving access to the full text online updated regularly and fully searchable **A Legal Geography of Yugoslavia's**

Disintegration Ana S. Trbovich, 2008-02-05 *A Legal Geography of Yugoslavia's Disintegration* explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia's history with a focus on the country's internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community's political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trbovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo's future status international recognition of secession implications of Yugoslavia's disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts [The European Union and Southeastern Europe](#) András Inotai, 2007 This strategy oriented analysis is based on an interdisciplinary approach with clear emphasis on economic issues such as global EU related and intra regional trade foreign direct investments labour market migration and financial transfers

Slovenia From Yugoslavia To The European Union Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Slovenia From Yugoslavia To The European Union free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Slovenia From Yugoslavia To The European Union free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Slovenia From Yugoslavia To

The European Union free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Slovenia From Yugoslavia To The European Union. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Slovenia From Yugoslavia To The European Union any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Slovenia From Yugoslavia To The European Union Books

1. Where can I buy Slovenia From Yugoslavia To The European Union books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
