

Business Health Check A Foundation Workshop for SME

Brief Introduction: Let me start introducing this workshop with an example. You must have always heard about the word “Foundation” and how important it is in every aspect of life. When a child is growing up, family make sure that he/she gets the right foundation by imbibing moral values, ethics, etiquettes, appropriate behaviour etc. in him/her. Such a good foundation will make him ready for outside world and for him/her to cope up in difficult situations not only to succeed but also to be happy. Likewise in SME (Small and Medium Enterprises) foundation too plays major role. Analogically the Business’s foundation is not visible and is not tangible, but can only be assessed using the thinking processes. Thus learning about a Business’s foundation can provide us with great insights to achieve sustainable profitable growth for transitioning to a LARGE ENTERPRISE.

Main Contents: Economy is all about making the most effective use of the scarce resources to meet a demand.

- The first part of the program is an assessment of the degree of scarcity of the 10 resources needed for your business.
([Blog: Scarce Resources for Sustainable Profitable Growth](#)).
- The core competencies of your business are then identified and assessed.
- The relative ranking your business in the market for each of your customer’s decision factors is the next part.
- The understanding of your market in depth for creating value innovation follows next.
- Finally, based on these four assessments, the focus areas are then identified for achieving sustainable profitable growth through value innovation.

Who can benefit the most: Senior management of SMEs wanting to grow.

Programme duration: 3 to 4 hours.

Price: ₹ 5,000/- (Rupees Five Thousand) per participant excluding taxes; but including credits worth ₹ 500/- (Rupees Five Hundred) for the doHow APP to practice (a mobile tool for practicing and monitoring the success routines)
