Knack Norm Brodsky,Bo Burlingham,2008 People starting out in business tend to seek step by step formulas or rules but in reality there are no magic bullets Rather there s a mentality that helps street smart entrepreneurs solve problems and pursue opportunities as they arise **The Street-Smart Side of Business** Tara Acosta,2021-12-14 Have you ever thought about

what it would be like to own your own business Maybe you ve given thought to how you can turn your passion into a career or maybe you just want to do something different Most people have at least teetered with the idea if you have this is the book for you Wouldn t it be amazing to be able to have your income generated by something that you really enjoy or are interested in It doesn t matter our age or where we are in our lives We have the power to redirect set new goals and achieve them We just have to be smart about it This book provides realistic insight as to what running a business is really about It will help prepare you for all aspects of business and teach you how to protect yourself and your investment The simplicity of using our intuition is often overlooked The point is to understand exactly what you re getting into and not be blinded by the appearance of a good opportunity This book will open your eyes and show you how to evaluate opportunities people and motives skills often overlooked but are critical aspects of owning and operating a successful business Prepare to get in tune with your street smarts in order to be successful in business and in life *Summary of Norm Brodsky & Bo Burlingham's Street*

Insights 1 I was interested in finding out how much I could teach people about business Could I take a couple who weren t businesspeople and show them how to create a successful business I wasn t sure but I was curious to find out 2 After hearing the goals of the business owners I wanted to see if their plan was viable I wanted to know if they had a real business or not I

asked them to reduce their expenses and put some money into the business They had to cut back on their spending 3 The next day they fired Helene s assistant Paula explaining that Bobby was coming into the business and it couldn t support both of them As Helene put it it was reality smacking us in the face 4 The most important number in a new business is gross profit It determines everything about your business from the amount of capital you need to the volume of sales

How to be Street Smart Yaser Qandeel,2025-01-27 Street smart is one of those phrases we hear a lot but rarely think about Everyone wants to be street smart but as Yaser Qandeel discovered in his experience and research for this book it means many different even contradictory things to different people How to Be Street Smart clears up the confusion and shows anyone who really wants to be street smart how to go about it step by step For Yaser being street smart is more than just a term in the dictionary or a trendy catchphrase It means having self respect confidence skills knowledge of people and what motivates them and a no nonsense understanding of how the real world works It is about finding your own way in life overcoming challenges and winning other people to your side whether in the world of business and entrepreneurship or in dating and relationships How to Be Street Smart is a practical guide to success in your own business or side hustle and on the dating scene and every aspect of life If you re tired of working for others in the 9 to 5 treadmill and getting friend zoned or ghosted in the online dating scene this book is for you Yaser Qandeel lays out in an honest straightforward style the hard headed go getter mindset you need to develop and the pragmatic steps you can take to put that street smart mindset to work in your life today Being street smart means being always ready to learn new skills and ideas in order to be exceptional not ordinary a winner not a loser It s about never taking no for an answer picking yourself up and trying again when you fall short and learning to use your hard earned street smarts and problem solving skills to make things work for you rather than accept what others are willing to give you If you have these qualities people will see you as a leader You ll be able to go as far as you want Most people live their whole lives unable to achieve their dreams But using the street smart mindset taught in this book the sky will truly be your limit

Smart Women and Small Business Ginny Wilmerding,2007-06-30 Are you one of the many women out there who needs a brand new model for your business career Are you looking for entrepreneurial alternatives to the world of big business but aren t sure where to start A transition into small business is a natural progression for countless

women who have invested the first phase of their careers in large companies Many mid career women dream of starting their own businesses but until now there hasn't been a book that gives them the sense of multiple choice that helps them find the right entrepreneurial fit options that go beyond starting a venture to include buying an independent business or a franchise joining or consulting for small businesses or working with partners There's a confusing array of how to books out there with general advice about starting a business conducting a job search or balancing work and family But what entrepreneurial women really need are the strategic tools for choosing and growing a business that will not only make them money but make them happy as well Women need direct gender specific advice about succeeding financially in their businesses they also crave the feeling that their work matters and they want flexibility and control over their professional lives in order to achieve a healthy work life balance This book offers them the womenfriendly business advice they need and numerous true life role models to identify with and emulate Author Ginny Wilmerding opens women's eyes to the advantages of buying joining or consulting for existing small businesses fully explaining the alternatives to starting from scratch If you lack an original business idea this book will give you the confidence you need to get excited about pursuing a business idea other than your own But if you do want to start a company from the ground up there's plenty of food for thought for you here too Wilmerding not only shares her own stories and outside experts advice but also includes insightful vignettes from women who have found their niches and are succeeding financially If you're wondering how to finance your small business Wilmerding steers you toward success in obtaining SBA loans and other financing Finally if you're considering partnering with others to share the risk and the fun she prepares you for partnership success and explains the importance of good advisers and mentors The goal of this book is to get you started on the path to a successful career in the small business world a world that needs experienced smart versatile women like you to join its ranks *Smart Women and Small Business* is the ultimate professional guide for mid career business minded women who want to achieve the same independence and success as their entrepreneurial male peers but in their own way

Street Smart Franchising Joe Mathews,2011-05-01 Experienced franchisees and franchisors tell entrepreneurs what they need to know before they buy a franchise Second edition includes a sample copy of the entire UFOC plus 40% new and updated examples This straight shooting franchise guide goes beyond the how to to teach potential franchisees what to expect when starting a franchise Real life stories from the trenches illustrate how to cope with the difficulties a franchise presents The author reveals the personality types most likely to succeed at franchising and identifies entrepreneurial traits that may increase risk of failure Plus it takes an in depth look at the research and investigation of a franchise something glossed over in most franchise books

Street Smart Richard A. Blake,2014-10-17 New York has appeared in more movies than Michael Caine and the resulting overfamiliarity to moviegoers poses a problem for critics and

filmmakers alike Audiences often mistake the New York image of skyscrapers and bright lights for the real thing when in fact the City is a network of clearly defined villages each with a unique personality Standard film depictions of New Yorkers as a rush hour mass of undifferentiated humanity obscure the connections formed between people and places in the City's diverse neighborhoods Street Smart examines the cultural influences of New York's neighborhoods on the work of four quintessentially New York filmmakers Sidney Lumet Woody Allen Martin Scorsese and Spike Lee The City's heterogeneous economic and ethnic districts where people live work shop worship and go to school often bear little relation to the image of New York City created by the movies To these directors their home city is as tangible as the smell of fried onions in the stairwell of an apartment building and it is this New York not the bustling glittery illusion portrayed in earlier films that shapes their sensibilities and receives expression in their films Richard A Blake shows how the Jewish enclaves on Manhattan's Lower East Side profoundly influence Sidney Lumet's most noted characters as they struggle to form and maintain their identities under challenging circumstances Both Woody Allen's light comedies and his more serious cinematic fare reflect the director's origins in the Flatbush neighborhood in Brooklyn and the displacement he felt after relocating to Manhattan Martin Scorsese's upbringing on Elizabeth Street in Manhattan's Little Italy resonates in his gritty portraits of urban modernity Blake also looks at the films of Spike Lee whose adolescence in Fort Greene a socioeconomically diverse Brooklyn neighborhood exposed him to widely ranging views that add depth to his complicated treatises on power culture and race Lumet Allen Scorsese and Lee's individual identities were shaped by their neighborhoods and in turn their life experiences have shaped their artistic vision In Street Smart Richard A Blake examines the critical influence of place on the films of four of America's most accomplished contemporary filmmakers

Street Smart Chinedu Nnadi, 2025-07-10 From the Hood to Wall Street He Beat the System Without Ever Leaving the Block Trevon was never your average kid While others played games under flickering streetlights he studied stock charts and financial reports on a secondhand laptop By 14 he was buying shares in Apple and Tesla By 16 his portfolio hit six figures At 18 he was a millionaire But he didn't stop there When his friends didn't believe in long term wealth Trevon launched Street Smart a no jargon YouTube channel teaching real investing to real people His story resonated and exploded Suddenly Trevon wasn't just winning in the markets He was building a movement Now with millions in assets a viral brand and a mission to uplift his community Trevon's biggest challenge is staying grounded as the world takes notice and not everyone likes a kid from the streets disrupting the financial game Raw Powerful Real Street Smart is an inspiring story of vision discipline and beating the odds perfect for fans of Rich Dad Poor Dad The Memo or The Pursuit of Happyness
