Christopher Dale's mother having died he has allocated the Small House rent free to his widowed sister in law and her daughters Isabella Bell and Lilian Lily. When the novel begins Bernard the squire's nephew and heir brings his friend Adolphus Crosbie to Allington and introduces him to the family. Crosbie is handsome and well regarded in London society. Bell and Lily are impressed by Crosbie's charm and worldliness and Lily the younger and wittier sister labels him an Apollo. She and Crosbie grow increasingly intimate during his stay at Allington and before leaving he proposes to her. Mrs Dale has no money for a dowry but Crosbie thinks the squire might provide Lily with some fortune given that in many ways he treats her and Bell as if they were his daughters. When asked the squire informs him this is not the case leading Crosbie to reflect on how his salary as a clerk at the General Committee Office allows him to live comfortably as a bachelor but if he were to marry and support a family on his current income they would need to live very humbly. The engagement is made public and celebrated in Allington but when Lily learns about his misunderstanding regarding her possible fortune she offers to break off the engagement with no hard feelings. Crosbie refuses however because he is impressed by this noble gesture and genuinely fond of Lily. After leaving Allington Crosbie heads straight to Courcy Castle Back among people of high society. Crosbie's image of married life with Lily on his small salary grows bleaker. Rumors have reached the castle but Crosbie attempts to dodge any questions about his engagement. Thus the Countess de Courcy views him as fair game and a viable match for her only single daughter still of marriageable age Alexandrina who had previously struck up a friendship with Crosbie in London. Pressed by Alexandrina in a moment of weakness he asks her to marry him and the countess sees that their engagement is firmly settled between Crosbie and the earl before he leaves. Crosbie immediately begins having second thoughts he is now engaged to two women and although he prefers Lily who is younger prettier and more intelligent she is a country girl he can jilt with few repercussions whereas Alexandrina is the daughter of a prominent family. Thus he writes a letter to Lily and Mrs Dale breaking off the engagement. Ironically he is given a raise in salary almost as soon as he returns to London and he muses how he could have had a comfortable happy life married to Lily.

Literary) [Annotated] Anthony Trollope, 2021-12-27 The Small House at Allington is the fifth novel in Anthony Trollope's series known as the Chronicles of Barsetshire first published in 1864. It concerns the Dale family who live in the Small House, a dower house intended for the widowed mother Dowager of the owner of the estate. There are two houses at Allington. The Great House is the residence of Squire Christopher Dale, an unmarried plain seemingly dour man whose ancestors were squires at Allington for generations. In the Small House nearby lives his sister-in-law Mrs Dale and her two daughters, Bell and Lily. Mrs Dale is the widow of the squire's youngest brother who died young and left his family in modest circumstances. When the squire offered his brother's widow the Small House rent free, she immediately accepted his offer not so much for her own sake as for that of her daughters. The Dales are not the chief family of the neighborhood. Near the town of Guestwick stands Guestwick Manor, the home of Lord de Guest and his sister Lady Julia. Although not intimate, the families have a tie by marriage. Years before, another of the squire's brothers, Colonel Orlando Dale, eloped with the earl's sister Lady Fanny. The colonel did not make a career for himself and now lives with his wife in semiretirement at Torquay. Bernard Dale, their only son and a captain in the Engineers, is the squire's heir.
