Small Voices And Great Trumpets Minorities The Media:

Small Voices & Great Trumpets Bernard Rubin, 1980 *The Media in Black and White* Everette Dennis, 2020-03-24 The media's treatment of and interaction with race like race itself is one of the most sensitive areas in American society. Whether in its coverage and treatment of racial matters or racial connections inside media organizations themselves, mass communication is deeply involved with race. *The Media in Black and White* brings together twenty journalists and scholars of various racial backgrounds to grapple with a controversial issue: the role that media industries from advertising to newspapers to the information superhighway play in helping Americans understand race. Contributors include Ellis Cose, a contributing editor for *Newsweek*; Manning Marable, chairman of Columbia University's African American Research Center; William Wong, a columnist for the *Oakland Tribune*; Lisa Penaloza, a University of Illinois professor; and Melita Marie Garza, a *Chicago Tribune* reporter. Among the topics discussed are the quality of reporting on immigrant issues; how sensationalism may be deepening the chasm of misunderstanding between the races; how the coverage of America's drug wars has been marked by racism; and whether politically correct language is interfering with coverage of vital issues and problems. The contributors of *The Media in Black and White* hope to broaden the narrow vision of the United States and the world beyond with their contributions to the debate over race and the media. The commentary found in this important work will be of interest to sociologists, communication specialists, and black studies scholars.

Cultural Diversity and the U.S. Media Yahya R. Kamalipour, Theresa Carilli, 1998-09-11 This book provides rich and detailed accounts of how the media filters racial, ethnic identity through economic or sensationalized perspectives in newspapers, films, television, and radio. By exploring media descriptions of various racial, ethnic groups, *Cultural Diversity and the U.S. Media* provides opportunities to discover, debate, and discuss issues surrounding race, ethnicity, and the role of the media in American society.

Media & You Donna Lloyd-Kolkin, Kathleen R. Tyner, 1991 *Racism, Sexism, and the Media* Clint C. Wilson, Felix Gutierrez, Lena Chao, 2003-08-28 This third edition presents current information in the rapidly evolving field of minorities' interaction with mass communications, including the portrayals of minorities in the media, advertising, and public relations.
