Small Arms Survey 2007 Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2007-09-06 The Small Arms Survey 2007 features a special focus on the complex issue of urban violence

Small Arms Survey 2012 Graduate Institute of International and Development Studies (Geneva, Switzerland), Small Arms Survey, Geneva, 2012-08-30 The Small Arms Survey 2012 seeks to increase our scrutiny of what is changing and not changing in relation to armed violence and small arms proliferation Chapters on firearm homicide in Latin America and the Caribbean drug violence in selected Latin American countries and non lethal violence worldwide illustrate that security is a moving target armed violence both lethal and non lethal continues to undermine the security and wellbeing of people and societies around the world The goal of curbing small arms proliferation embodied in the UN Programme of Action appears similarly elusive Chapters on illicit small arms in war zones trade transparency Somali piracy and the 2011 UN Meeting of Governmental Experts highlight some of the successes but also the continuing challenges in this area Country studies on Kazakhstan and Somaliland along with the final instalment of the authorized transfers project round out the 2012 edition

Small Arms Survey 2015 Keith Krause, 2015-07-30 Highlights emerging trends and concerns regarding armed violence and small arms proliferation as well as related policies and programming

Small Arms Survey 2014 Small Arms Survey, Geneva, 2014-07-03 The Small Arms Survey 2014 considers the multiple roles of women in the context of armed violence security and the small arms agenda The volume's thematic section comprises one chapter on violence against women and girls with a focus on post conflict Liberia

and Nepal and another on the recent convergence of the small arms agenda with that of women peace and security. Complementing these chapters are illustrated testimonies of women with experience as soldiers, rebels and security personnel. The weapons and markets section assesses the potential impact of the Arms Trade Treaty, presents the 2014 Transparency Barometer and an update on the authorised small arms trade and analyses recent ammunition explosions in the Republic of the Congo. Additionally, it examines ammunition circulating in Africa and the Middle East, maps the sources of insurgent weapons in Sudan and South Sudan and evaluates crime gun records in the United States. **Small Arms Survey 2006** Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2006. This book offers new and updated information on small arms production, stockpiles, transfers and measures, including a review of the International Tracing Instrument. This year's thematic chapters examine issues such as the demand for weapons, small arms and security sector reform and the economic cost of small arms use. This edition also features case studies on small arms violence in Papua New Guinea and Colombia, armed groups in West Africa and the Lord's Resistance Army in Northern Uganda.

Small Arms Survey 2013 Small Arms Survey, Geneva, Small Arms Survey, 2013-07-04. Highlights emerging trends and concerns regarding armed violence and small arms proliferation as well as related policies and programming. Small Arms Survey 2015 Small Arms Survey, 2015-07-30. The Small Arms Survey 2015 examines the role of weapons and armed violence in humanity's appropriation of the earth's wildlife and mineral riches in Africa, where the poaching of elephants and rhinos is becoming increasingly militarised and near resource extraction sites around the world. In addition to presenting updates on the UN small arms process and the top arms importers and exporters, the volume assesses how recent technological developments affect weapons, marking record keeping and tracing, reviews small arms flows to Egypt, Libya and Syria and evaluates a stockpile management initiative in south east Europe. The armed actors section sheds light on the arms and ammunition used by insurgents in northern Mali, the decline of the Forces Démocratiques de Libération du Rwanda and the use of floating armouries by private security companies in the Indian Ocean. This edition also analyses conditions that are driving young people to adopt high risk coping strategies in Burundi. **Small Arms Survey** Small Arms Survey, 2008.

Overcoming Armed Violence in a Complex World Michael Brzoska, Axel Krohn, 2009-10-30. The nature of armed conflict has changed in recent decades. This presents new challenges for the prevention of violence, the promotion of disarmament and the securing of durable peace. The essays in this book address important aspects related to these challenges with references to the work of prominent German peace researcher Herbert Wulf. Topics covered include demilitarization, small arms control, security sector reform, post conflict construction, peace building in failed states and as guiding theme, the limits and possibilities of security governance. Small Arms Survey 2010 Small Arms Survey, Geneva, 2010-06-03. The Small Arms Survey 2010 focuses on gangs and non state armed groups. Gang violence, while typically directed at other gang members, can account for a major portion of social violence. Armed groups, whatever their orientation to the state, are of growing concern in

conflict and post conflict settings where their activities can have serious repercussions for human security This volume reviews a range of issues related to gangs and armed groups exploring their functions roles and use of violence as well as emerging efforts to address the damage they inflict on society The volume explores prison gangs gender aspects of gangs and pro government groups it also features case studies from Ecuador and southern Sudan Original research on the global ammunition trade and on options for controlling illicit firearm transfers by air rounds out the book **Small Arms and Security**

Denise Garcia,2006-09-27 This book examines the emergence of new international norms to govern the spread of small arms and the extent to which these norms have been established in the policies and practices of states regions and international organizations It also attempts to establish criteria for assessing norm emergence and to assess the process of norm development by comparing what actually happens at the multilateral level If norm making on small arms and related multilateral negotiations have mostly dealt with illicit arms and most of the norms examined here fall on the arms supplier side of the arms equation the author argues that the creation of international norms and the setting of widely agreed standards amongst states on all aspects of the demand for availability and spread of both legal and illegal small arms and light weapons must become central to the multilateral coordination of policy responses in order to tackle the growing violence associated with small arms availability Small Arms and Security will be of interest to researchers and professionals in the fields of peace and conflict studies global governance international security and disarmament Counterterrorism

Frank Shanty,2012-08-17 This two volume set examines modern nation state legislative diplomatic military and non military attempts to combat terrorism within and outside state borders The articles which comprise this comprehensive reference work address counterterrorism efforts employed by the international community prior to and following the events of September 11 2001 Global terrorism in the 21st century threatens the foundations of secular democracies and directly challenges global security thereby raising new and critical issues that transcend national borders This two volume reference carefully examines threats such as Weapons of Mass Destruction WMD terrorism agro environmental terrorism and energy related terrorism and discusses technologies and strategies such as the use of biometrics data mining information systems psychological profiling and terrorists rehabilitation efforts to mitigate these threats Counterterrorism From the Cold War to the War on Terror provides an easy to read discussion of some of the principal issues involved in combating contemporary terrorism Information is presented in non technical language making it appealing to the general reader as well as a solid reference for undergraduate college students and researchers Following each article are references to other articles of interest and a comprehensive index facilitates access to specific subject material The second volume includes a compilation of significant national and international treaties laws conventions and protocols that have been implemented in an attempt to counter these ongoing threats to domestic and international security *Armed Groups and Contemporary Conflicts* Keith Krause,2013-09-13 Armed groups operating beyond the state have become the most important actors in most contemporary

wars and violent conflicts from Iraq and Afghanistan to Colombia and Somalia They come in a dizzying array of forms some informally linked to the state and state power others in opposition to the state some pursuing classic political goals others primarily predatory and large scale criminal enterprises All groups however challenge the state's Weberian monopoly of the legitimate use of force yet their origins evolution violent dynamics and relations with state power are poorly understood This interdisciplinary collection includes both conceptual and empirical studies of contemporary armed groups examining cases in Latin America Asia and Africa It brings sociological political economy and ethnographic approaches to bear on larger questions including armed groups and the changing nature of warfare the economic dimensions of their activities and means of engagement with armed actors It both broadens and sharpens our understanding of how force and violence are used in today's contemporary armed conflicts This book was published as a special issue of Contemporary Security Policy

Handbook of New Security Studies J. Peter Burgess, 2010-01-22 This new Handbook gathers together state of the art theoretical reflection and empirical research by a group of leading international scholars relating to recent transformations in the field of security studies

Postinternationalism and Small Arms Control Damien Rogers, 2016-04-08 Even though impacts generated by the widespread availability and ongoing use of small arms and light weapons have not reached a magnitude sufficient to radically reorder contemporary world affairs awareness of the nature and extent of these impacts has compelled some international actors to take decisive action Damien Rogers examines how the international community has responded to the challenge of controlling small arms and light weapons since the early 1990s Using a postinternationalist analytic framework he specifically focuses on the maturing relationships between particular actors of world affairs and the nascent interconnectivity between their strategies for and approaches toward controlling these weapons Furthermore the book identifies ways in which the captains of small arms industry arms brokers and chief users of these weapons are able to mitigate resist or elude the intended effects of those responses

State of Corruption, State of Chaos Michaelene Cox, 2008-01-01 State of Corruption State of Chaos provides a base of knowledge upon which critical analyses on the nature and causes of violence can draw Studies in this volume were selected for their unique contributions to the rich and growing literature on corruption and conflict

Security and Post-Conflict Reconstruction Robert Muggah, 2008-11-04 This book provides a critical analysis of the changing discourse and practice of post conflict security promoting interventions since the Cold War such as disarmament demobilization and reintegration DDR and security sector reform SSR Although the international aid and security sectors exhibit an expanding appetite for peace support operations in the 21st Century the effectiveness of such interventions are largely untested This book aims to fill this evidentiary gap and issues a challenge to conventional approaches to security promotion as currently conceived by military and peace keeping forces drawing on cutting edge statistical and qualitative findings from war torn areas including Afghanistan Timor Leste Sudan Uganda Colombia and Haiti By focusing on specific

cases where the United Nations and others have sought to contain the presumed sources of post conflict violence and insecurity it lays out a new research agenda for measuring success or failure This book will be of much interest to students of peacebuilding peacekeeping conflict resolution conflict and development and security studies in general
