and the conservative regime of corruption that has usurped the Supreme Court by a Democratic activist and former
Republican political operative Public confidence in the Supreme Court has plummeted to new lows in the last few years and
for good reason In the past three decades six conservative justices have gained a supermajority through questionable means
a dubious intervention in a presidential election perjury during Senate testimony and a GOP Senate Leader s unethical
blockade of a Supreme Court nomination Behind this strategic dismantling of our Supreme Court is a vast well funded

political machine backed by the extreme right wing Federalist Society the notoriously secretive Catholic organization Opus Dei and GOP megadonors operating from behind closed doors Armed with an insider s perspective from his time within the conservative movement David Brock reveals how the efforts to stack the Court in service of extreme right wing interests stem from a decades long strategy to weaponize our judicial system into an extension of the Republican Party itself Stench investigates the ethics scandals that surround Clarence Thomas and his wife the right wing activist Ginni Thomas culling new material from Thomas s accusers along with original reporting and Brock s firsthand knowledge of the inner workings of the GOP Stench is a staggering expos one that only Brock could write exhaustive in its research and revelatory in its access to the world of what has effectively become the Thomas Court **Reclaiming the American Right** Justin

Raimondo,2023-04-04 Many conservatives want to know Where did the Right go wrong Justin Raimondo provides the answer in this captivating narrative Raimondo shows how the noninterventionist Old Right which included half forgotten giants and prophets such as Senator Robert A Taft Garett Garrett and Colonel Robert McCormick was supplanted in influence by a Right that made its peace with bigger government at home and perpetual war for perpetual peace abroad First published in 1993 Reclaiming the American Right is as timely as ever This new edition includes commentary by Pat Buchanan political scientist George W Carey Chronicles executive editor Scott Richert and the Ludwig von Mises Institute s David Gordon
