J. Bacevich, 2021-10-08 Hailed by the New York Times as one of the best soldiers this country has produced Frank Ross McCoy was throughout his distinguished career much more than just a good soldier As friend and confidant to such leaders as Theodore Roosevelt Leonard Wood and Henry

Stimson he disproves the standard view of the military before 1940 as having no role in American foreign policy Instead as A J Bacevich ably demonstrates McCoy was intimately involved in the development of U S foreign relations from McKinley s administration to Truman s McCoy began his military career with Leonard Wood in Cuba during the Spanish American War After the war he and Wood who became military governor worked together to establish democratic reforms in Cuba There followed for McCoy a succession of difficult and sometimes dangerous assignments The Philippines during the Moro uprising Mexico France as combat commander during World War I Turkey and Armenia the Philippines again Nicaragua during the Sandino s guerrilla campaign Bolivia and Paraguay and China with the Lytton Commission investigating Japan s invasion of Manchuria Following a series of stateside appointments McCoy served finally as chairman of the Far Eastern Commission an international body created to determine the fate of postwar Japan Based on exhaustive research in McCoy s personal papers and official records Bacevich shows that McCoy s career provides a unique perspective both on American foreign policy and on civil military relations **National Union Catalog ,1978 Charles A. Crusade John W. Lemza,2024-03-20 Beware the Red Peril was the clarion call of General Charles A Willoughby at the close of World War II The refrain echoed from Capitol Hill into American living rooms For three decades after the war the Old Right crusaded against global communist expansion sniffing out internal and external threats to the American way of life These paleo conservatives faced resistance from the Left as well as from an emerging faction on the Right that sought to frame a new identity for conservatism Despite those obstacles the Old Right made a lasting imprint on geopolitical thought in the early Cold War period This book investigates their influence the roles played by women minorities and Jewish conservatives and their legacy in early 20th century ideologies Literature Suppressed on Political Grounds Nicholas J. Karolides,Margaret Bald,2014-05-14 Literature Suppressed on Religious Grounds Revised Edition profiles the censorship of many such essential works of literature The entries new to this edition include extensive coverage of the Harry Potter series which has been frequently banned in the United States on the grounds that it promotes witchcraft as well as entries on two popular textbook series The Witches by Roald Dahl Women Without Men A Novel of Modern Iran and more Also included are updates to such entries as The Satanic Verses by Salman Rushdie and On the Origin of Species by Charles Darwin

Maverick Marine Hans Schmidt,2014-04-23 Traces Butler s stormy career As pure biography Maverick Marine is a colorful story about a swashbuckling establishment shaker Publishers Weekly Smedley Butler s life and career epitomize the contradictory nature of American military policy through the first part of this century Butler won renown as a Marine battlefield hero campaigning in most of America s foreign military expeditions from 1898 to the late 1920s He became the leading national advocate for paramilitary police reform Upon his retirement however he renounced war and imperialism and devoted his energy and prestige to various dissident and leftist political causes This biography of Smedley Butler is a sympathetic portrait of a Victorian officer warrior who lost his way as he advanced in rank and his America and his Marine

Corps changed after World War I The Journal of American History This long awaited biography is as crisp as a David Brinkley commentary Fact packed and exquisitely documented Naval Institute Proceedings The Editorial Page in the Country Weekly Millard Van Marter Atwood,1924 The Publishers' Trade List Annual ,1978 **The Plot to Seize the White House** Jules Archer,2015-04-07 Many people might not know that in 1933 a group of wealthy industrialists working closely with groups like the K K K and the American Liberty League planned to overthrow the U S government and run FDR out of office in a fascist coup Readers will learn of their plan to turn unhappy war veterans into American brown shirts depose F D R and stop the New Deal They asked Medal of Honor recipient and Marine Major General Smedley Darlington Butler to work with them and become the first American Caesar Fortunately Butler was a true patriot Instead of working for the fascist coup he revealed the plot to journalists and to Congress Archer writes a compelling account of a ploy that would have turned FDR into fascist puppet threatened American democracy and changed the course of history This book not only reveals the truth behind this shocking episode in history but also tells the story of the man whose courage and bravery prevented it from happening Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The Last of the Imperious Rich** Peter Chapman,2010-09-02 On September 11 1844 Henry Lehman arrived in New York City on a boat from Germany Soon after he moved to Montgomery Alabama where he and his brother Emanuel established a modest cotton brokering firm that would come to be called Lehman Brothers On September 15 2008 Dick Fuld the last CEO of Lehman Brothers filed for corporate bankruptcy amid one of the worst financial crises in American history After 164 years one of the largest and most respected investment banks in the world was gone leaving everyone wondering How could this have happened Peter Chapman an editor and writer for The Financial Times answers this question by exploring the complete history of Lehman Brothers between those two historic Septembers He takes us back to its early days as a cotton broker in Alabama and then to its glory days as one of the leading corporate financiers in America He also provides an intimate portrait of the people who ran Lehman over the decades from Henry Lehman the founder to Bobbie Lehman who led the company into the world of radio motion pictures and air travel in first part of the 20th century to Dick Fuld who allowed it to morph into a dealer of shoddy securities Throughout his account of this imperiously rich firm Chapman examines the impact Lehman Brothers had not only on American finance but also on American life As a major backer of companies like Pan American Airlines Macy s and RKO Lehman helped lead the country into major new industries and helped support some of its most intrepid entrepreneurs He then shows how starting in the 1980s Lehman s increased focus on short term gain

investments led the firm down the dangerous path that would eventually lead to its demise In the end the story of Lehman Brothers is not only the story of a truly important American company but a cautionary tale of what happens when leaders lose sight of their core mission in their quest for something too good to be true Praise for The Last of the Imperious Rich Thought provoking and illuminating The New York Times Chapman has succeeded in holding up a mirror to America s past and what its future might hold Bloomberg

Devil Dog David Talbot,2010-10-05 The thrilling illustrated biography of Major General Smedley Butler the Devil Dog Marine who fought for America across the world cleaned up the streets of Philadelphia and foiled a plot to overthrow FDR Devil Dog brings to life extraordinary feats of bravery violence and redemption that history has forgotten These stories are so dramatic and thrilling they have to be true Smedley Butler took a Chinese bullet to the chest at age eighteen but that did not stop him from running down rebels in Nicaragua and Haiti or from saving the lives of his men in France But when he learned that America was trading the blood of Marines to make Wall Street fat cats even fatter Butler went on a crusade He threw the gangsters out of Philadelphia faced down Herbert Hoover to help veterans and blew the lid off a plot to overthrow FDR

The Defining Moment Jonathan Alter,2007-05-08 In this dramatic and authoritative account the author shows how Franklin Delano Roosevelt used his famous fear itself speech and the first 100 days in office to lift the country from despair and paralysis and transform the American presidency
