twenty first century there are few books written as firsthand accounts of the experience of complete abandonment to God. God has brought forward mystics in the past two thousand years of Christianity individuals totally devoted to him and the message of divine love and mercy. He has this message for us today. God's messages come with warning. Warnings remind us that heaven and hell are real. That sin offends and wounds the heart of God. St. Julie Ann as God calls her has been a vessel of the Lord since she had her first vision of Jesus Christ in 2006. No words were exchanged. She walked down a hallway and knelt and kissed his feet. Then she had a near death experience in 2012. God returned her to life after a surgery gone wrong. This was the beginning of her great adventure and passionate love affair with her Lord. Like so many of the chosen ones of God, St. Julie Ann is honest and uncomplicated. She records her experiences in her own words without theological training. She lives a consecrated life outside of a religious community and struggles to support herself and her children and grandchildren working three jobs and sacrificing for her family as much of the world does today. Although Bella Louise conveys St. Julie Ann's experiences from her daily lessons, visions and experiences with Jesus Christ and his mother Mary, the idea of Christ is with us and Mary within us is a basic belief of Christianity and Catholicism. You will be reminded that the words of love and devotion spoken by Jesus to Julie Ann are words he speaks to all of us. We all could live this great romance. In a world without kindness, Julie Ann's teaching from Mother Mary, her words of compassion and care for the children of the world reminds us that we are always embraced by her maternal heart. By writing this honest and true account, Bella Louise Allen provides you with a compelling portrait of what it means to live with total abandonment to God while struggling to live at the same time in the everyday world.
