Smith Voices Smith College,1990 *Smith Voices* Patricia L. Skarda,1999 *American Learned Men and Women with Czechoslovak Roots* Mila Rechcigl,2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That s what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i e Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethnic background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective **Notable American Women with Czechoslovak Roots**

Miloslav Rechcigl Jr.,2019-09-16 Even though there exist only a few general studies on the subject of Czechoslovak American women this is not at all a reflection of the paucity of work done by these women as this publication demonstrates This monograph is a compendium of notable American women with Czechoslovak roots who distinguished themselves in a particular field or area from the time they first immigrated to America to date Included are not only individuals born on the territory of former Czechoslovakia but also their descendants This project has been approached strictly geographically irrespective of the language or ethnicity Because of the lack of bibliographical information most of the monograph comprises biobibliographical information in which area a plethora of information exists As the reader will discover these women have been involved practically in every field of human endeavor in numbers that surprise On the whole they have been noted for their independent spirit and nonconforming role **Encyclopedia of Bohemian and Czech-American Biography**

Miloslav Rechcigl Jr.,2016-11-10 As the Czech ambassador to the United States H E Petr Gandalovic noted in his foreword to this book that Mla Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America The Encyclopedia of Bohemian and Czech American Biography is a unique and unparalleled publication The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the

seventeenth and eighteenth centuries the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism The encyclopedia has been planned as a representative a comprehensive and authoritative reference tool encompassing over 7 500 biographies This prodigious and unparalleled encyclopedic vade mecum reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a carte blanche for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history **Ann**

American Voices Bernard K. Duffy,Richard Leeman,2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America s most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator s major speeches within the context of historical events

and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes **Harvard Alumni Bulletin** ,1964 **Contemporary Authors** ,2003-11 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries A softcover cumulative index is published twice per year included in subscription

The National Union Catalog, Pre-1956 Imprints ,1968 **Voices in the Gallery** Grant Holcomb,2001 The forty writers in this book all prominent poets and novelists were asked to select a work of art from the University of Rochester s Memorial Art Gallery and respond to it with a poem short story or essay The writers include Poet Laureates Pulitzer Prize and National Book Award winners New York State Poets and MacArthur Fellows Their works range from the gritty hour of charcoal and amber in Kate Braverman s response to Douglas Gorsline s 1942 painting Bar Scene to a delightful short story by Tom Gavin based upon Winslow Homer s magnificent painting The Artist s Studio in an Afternoon Fog A notable group of nineteenth century American landscape paintings caught the attention of a number of writers while the poet John Ashbery found the contemporary landscape painting of Jane Freilicher to be a continual joie de vivre Other contributors include Andrea Barrett National Book Award Winner for Fiction in 1996 Hayden Carruth National Book Award Winner for Poetry in 1996 Anthony Hecht Chancellor Emeritus of the Academy of American Poets and Joanna Scott recipient of the Pushcart Prize and the Lannan Literary Award With imagination and originality these writers have recreated the works of art and enable us to see anew many of the treasures in the collections of the Memorial Art Gallery Grant Holcomb is the Director of the Memorial Art Gallery of the University of Rochester *Alumni News* ,1929 **The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony** Ann D. Gordon,2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26 1902 and three years later Susan B Anthony dies on March 13 1906 It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new challenges to an aristocracy of sex

whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete David Smith David Smith,2018-02-22 This comprehensive sourcebook is destined to become a lasting and definitive resource on the art and aesthetic philosophy of the American artist David Smith 1906 1965 A pioneer of twentieth century modernism Smith was renowned for the expansive formal and conceptual ambitions of his broadly diverse and inventive welded steel abstractions His groundbreaking achievements drew freely on cubism surrealism and constructivism profoundly influencing later movements such as minimalism and environmental art By radically challenging older conventions of monolithic figuration and refuting arbitrary distinctions between painters and sculptors Smith asserted sculpture s equal role in advancing modern art A compilation of Smith s poems sketchbook notes essays lectures letters to the editor reviews and interviews these previously unpublished texts underscore the varied ways in which his writing functioned as a means to examine and articulate his private identity and to promote the social ideals that made him a key participant in contemporary discourses surrounding modernism art and politics and sculptural aesthetics All the documents in David Smith collected writings lectures and interviews have been newly corrected against the original manuscripts typescripts and audiotapes Each text in this collection is annotated with historical and contextual information that reflects Smith s own process of continually reviewing and revising his writings in response to his evolving aspirations as a visual artist Provided by publisher **The Irish Voice in America** Charles Fanning,2014-07-11 In this study Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction The result is a portrait of the evolving fictional self consciousness of an immigrant group over a span of 250 years Fanning traces the roots of Irish American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T Farrell Later writers treated in depth include Edwin O Connor Elizabeth Cullinan Maureen Howard and William Kennedy Along the way he places in the historical record many all but forgotten writers including the prolific Mary Ann Sadlier The Irish Voice in America is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works For this second edition Fanning has added a chapter that covers the fiction of the past decade He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience **Yale Alumni Weekly** ,1907 **New Haven Free Public Library Bulletin** New Haven Free Public Library,1920
