Gun Smoke on the Mesa Brett Halliday, 2015-12-01 Ten years after taking vengeance on his tormentor a wanted man returns home The outlaws of West Texas know every twist and turn of the renegade trail Carved into the rugged landscape of the Big Bend region by the hoofs of galloping horses bearing desperate men it crosses the muddy waters of the Rio Grande into Mexico where freedom of a kind can be found Ten years ago Jim Markle rode the trail south fleeing for his life Now he s coming home with a new name Stormy Knight For years young Jim had chafed under his stepfather s whip Everything changed the night he gunned down the evil old man Now a battle tested gunslinger with a stern countenance Stormy Knight is unrecognizable to all who knew him as a boy He forfeited his inheritance the night he rode across the border Now he s ready claim it even if it means killing once more

The American Political Scandal David R. Dewberry, 2015-08-13 In this holistic examination of political scandal in the United States David Dewberry argues convincingly that such scandals follow a consistent narrative centered largely on media coverage and politician performance rather than the actual corruption or ethics violation committed In making this argument he also provides an analytical framework for understanding the patterns underlying scandals regardless of their unique political contexts Dewberry dissects four major examples Teapot Dome Watergate Iran Contra and Clinton Lewinsky and explores the roles of various constituencies involved in creating reacting to and mediating the scandal What is the true role of journalism within the context of scandal What persuasive techniques do politicians employ to develop and perpetuate scandals What motives and values bring scandals to a close In addition to the core cases Dewberry incorporates briefer examples from contemporary and ongoing controversies including Anthony Weiner s sexting scandal money and sex in Congress how cover ups have gone digital and Chris Christie s Bridgegate The result is a fascinating and thoughtful look at the relationships among political discourse free speech and democracy
