The Pygmy Hippo Story Phillip T. Robinson, Gabriella L. Flacke, Knut M. Hentschel, 2017-03-01 A species account and a natural history of the pygmy hippopotamus a flagship species of West Africa's Upper Guinea Forest Region

Elephant, Hippopotamus & Rabbit Zenzo Ncube, 2012-11-07 Having been born in Africa during an era when owning a picture book let alone affording TV was a luxury Tug Of War was inspired by many of the African folk stories that were told to us by my grandmother These stories were occasionally told during evenings after meals and were extremely entertaining as well as educational in a way that made me visualize them As a result I have been motivated to share this experience pictorially in this book It tells of three characters Elephant Hippopotamus and Rabbit The story begins deep in the African jungle where the agile and witty Rabbit entertains himself by challenging Elephant and Hippopotamus to a game of tug of war The little animal selects the competitors on two distinct characteristics They live in completely different environments and possess similar strengths Elephant naturally prefers the inner jungle and Hippopotamus spends most of his time in the water This

presents a perfect opportunity for a perfect match with Rabbit handing each end of the rope to each large animal at different times declaring that he can defeat either Elephant or Hippopotamus to this pull game It actually ends with both huge animals fiercely competing against one another yet ignorantly believing that Rabbit is on the other end This teaches us to

acknowledge and respect each other and not to judge each other in terms of natural built or stature **Once Upon a Time**
