Story Of Caroline Beale A Stranger And Afraid:

A Stranger and Afraid Duncan Campbell, 1997 **Parents Who Kill - Shocking True Stories of The World's Most Evil Parents** Carol Anne Davis, 2013-08-05 The bond between parent and child is the strongest natural connection imaginable But in rare and shocking cases that bond can be brutally broken The Philpott family baby P and Jasmine Beckford are just three cases that have made a nation's blood run cold But what could possibly drive a parent to commit the cruellest crime of all the killing of their own child In *Parents Who Kill* renowned crime expert Carol Anne Davis explores the motives behind an act which flies in the face of all reason and instinct This timely study examines some of the most harrowing cases documented in recent legal history ranging from tragic negligence to more culturally specific instances of religious honour killings for sexual deviancy Update to include analysis of the most recent case of Mick and Mairead Philpott who killed six of their children after setting fire to their own home Davis casts a forensically objective eye over powerful themes encompassing jealousy insanity greed and everything in between But this is more than just a study in the macabre David shows great compassion and insight to reveal the psychology behind disability mercy killings and post natal depression whilst in a final conclusion she proposes solutions to these issues and potentially life saving avenues of help *Parents Who Kill* is the compendium for anyone seeking to answer the hardest question What could possibly turn a parent into a killer Carol Anne Davis writes with dangerous authority about the deadly everyday You've got to read her IAN RANKIN *Everyday Violence in Britain, 1850-1950* Shani D'Cruze, Ivor Crewe, 2014-07-30 The diverse violence of modern Britain is hardly new The Britain of 1850 to 1950 was similarly afflicted The book is divided into four parts *Getting Hurt* which looks at everyday violence in the home including a chapter on infanticide *Uses and Rejections* two chapters on the use of violence within groups of men and women outside the home for example violence within youth gangs and male violence centred around pubs *Going Public* three chapters on how violence was regulated by law and the professional agencies which were set up to deal with it *Perceptions and Representations* this final section looks at how violence was written about using both fiction and non-fiction sources Throughout the book the recurring themes of gender class continuity and change public private and experience discourses and representations are highlighted *Infanticide* Mark Jackson, 2018-10-24 The history of infanticide from the 16th through to the late 20th century is the subject of this volume Collectively the contributions explore how the concealment of pregnancy birth and death particularly by unmarried women became a central preoccupation of witnesses doctors courts and legislatures concerned with suspicious infant deaths While the emphasis is upon Britain original and stimulating accounts of infanticide accusations and trials in France Germany and South Africa provide compelling comparative analyses Presenting a series of case studies successive chapters expose striking continuities across both time and space in the social history of infanticide Clearly written focusing on a range of original cases and documents and addressing critical historiographical questions *Infanticide* will be invaluable to historians and students researching the social history of medicine

law crime and gender In addition it will appeal to lawyers doctors and others interested in understanding the historical roots of modern debates about infanticide Alien Landscapes?
