British Museum Catalogue of printed Books ,1895 New Stories from the South 1993 Shannon Ravenel,1993-01-01
Stories by writers with Southern backgrounds deal with the modern problems of life in the South **Perfect in Their Art**
Robert Hedin,Michael Waters,2003 Since Homer boxing has been fertile ground for poets The boxer as tragic hero archetype seems to have particular power in the poems collected here fatally flawed champs like Jack Johnson and Sonny Liston are poetic subjects at least as often as Joe Louis and Ali **Never Say Boo to a Ghost** John Foster,2003 John Foster and Korky Paul's phenomenally successful poetry partnership began over 10 years ago with the publication of this book The combination of John's inspired witty selection of poems with Korky's crazily imaginative and anarchic illustrations has proved exceptionally popular Features a fantastic range of poets including Jack Prelutsky Tony Bradman Adrian Henri Ian Serrailier and Judith Nicholls The mixture of funny poems and zany illustrations makes this book a great way to introduce young children to poetry *Someone I Like* ,2000 Sisters brothers teachers parents grandparents best friends everyone must learn about and live in relationships from an early age In this fine anthology of poems compiled by poet Judith Nicholls all kinds of human relationships are explored sometimes comically sometimes poignantly Poems by Gwendolyn Brooks Charlotte Zolotow Langston Hughes Eloise Greenfield and many other well known and less familiar writers fill the beautifully illustrated pages with wit and soul Giovanni Manna's china ink and watercolor paintings have an unusual appealing feel and perfectly complement each poem whether it was written in China in the first century B C or last year at a computer in a New York apartment building Common themes such as new sibling ambivalence fights among friends and aging grandparents are covered as well as imaginary playmates and overly kissy aunts Rhythm and rhyme lilting musical verses readers do not need to be poetry aficionados to fall in love with this marvelous collection As in this poem by Andrew Collett about a teacher telling stories to her class these poems take us far away We all sit in silence we just sit and stare for when teacher tells us stories she makes us feel we're there AGES 4 and up *Obsession* Carolyn Beard Whitlow,Marilyn Krysl,2014-03-04 The sestina of medieval French origin is a complex poetic form of 39 lines six sestets and a three line envoy in which the six end words teleutons of the lines of the first sestet stanza are repeated in a specific order as teleutons in the five succeeding sestets In the envoy the six teleutons are again picked up one of them being buried in and one finishing each line Because of the complexity of the form the sestina fell out of favor with poets for several decades However a twenty first century revival of the form is underway This is the first anthology of sestinas that showcases both traditional and innovative examples of the form by modern and contemporary poets award winners and emerging writers alike Organized by such themes as Americana Art Love and Sex and Memory Contemplation Retrospection and Death the collection also includes sestinas with irregular teleutons and unconventional sestinas An evocative introduction by Marilyn Krysl acquaints readers with the form The

volume concludes with useful indexes of first lines and teleutons increasing access to the poems beyond the poets names
