

A dramatic landscape of ancient Egypt at sunset. The Great Pyramid of Giza dominates the left side, its stone surface catching the low light. In the foreground, the Sphinx sits on the left, and a winding path leads towards the pyramids. The sky is a mix of orange, yellow, and blue, with the sun's glow creating a bright lens flare effect behind the title text.

Story Of Egypt:

The Story of Egypt Joann Fletcher, 2015-09-24 The story of the world's greatest civilisation spans more than 4000 years of history that has shaped the world. It is full of spectacular sites and epic stories, an evolving society rich in heroes and villains, inventors and intellectuals, artisans and pioneers. Now Professor Joann Fletcher pulls together the complete Story of Egypt, charting the rise and fall of the ancient Egyptians while putting their whole world into a context that we can all relate to. Joann Fletcher uncovers some fascinating revelations from Egypt's oldest art to the beginnings of mummification almost two thousand years earlier than previously believed. She also looks at the women who became pharaohs on at least 10 occasions and the evidence that the Egyptians built the first Suez Canal, circumnavigated Africa and won victories at the original Olympic games. From Ramses II's penchant for dying, his greying hair to how we know Montuhotep's wife bit her nails and the farmer Baki liked eating in bed, Joann Fletcher brings alive the history and people of ancient Egypt as nobody else can.

A History of Egypt Jason Thompson, 2009-12-01 In *A History of Egypt*, Jason Thompson has written the first one-volume work to encompass all 5,000 years of Egyptian history, highlighting the surprisingly strong connections between the ancient land of the Pharaohs and the modern-day Arab nation. No country's past can match Egypt's in antiquity, richness and variety. However, it is rarely presented as a comprehensive panorama because scholars tend to divide it into distinct eras: prehistoric, pharaonic, Greco-Roman, Coptic, medieval, Islamic, Ottoman and modern, that are not often studied in relation to one another. In this daringly ambitious project, drawing on the most current scholarship as well as his own research, Thompson makes the case that few, if any other countries, have as many threads of continuity running through their entire historical experience. With its unprecedented scope and lively and readable style, *A History of Egypt* offers students, travelers and general readers alike an engaging narrative of the extraordinarily long course of human history by the Nile. Egypt Robert L.

Tignor, 2011-09-12 A sweeping and colorful account of Egypt's 5000-year history. This is a sweeping, colorful and concise narrative history of Egypt from the beginning of human settlement in the Nile River valley 5000 years ago to the present day. Accessible, authoritative and richly illustrated, this is an ideal introduction and guide to Egypt's long, brilliant and complex history for general readers, tourists and anyone else who wants a better understanding of this vibrant and fascinating country, one that has played a central role in world history for millennia and that continues to do so today. Respected historian Robert Tignor, who has lived in Egypt at different times over the course of five decades, covers all the major eras of the country's ancient, modern and recent history. A cradle of civilization, ancient Egypt developed a unique and influential culture that featured a centralized monarchy, sophisticated art and technology and monumental architecture in the form of pyramids and temples. But the great age of the pharaohs is just the beginning of the story and Egypt. *A Short History* also gives a rich account of the tumultuous history that followed from Greek and Roman conquests, the rise of Christianity, Arab Muslim triumph and Egypt's incorporation into powerful Islamic empires, to Napoleon's 1798 invasion, the country's absorption into

the British Empire and modern postcolonial Egypt under Nasser Sadat and Mubarak This book provides an indispensable key to Egypt in all its layers ancient and modern Greek and Roman and Christian and Islamic In a new afterword the author analyzes the recent unrest in Egypt and weighs in on what the country might look like after Mubarak The Rise and Fall of Ancient Egypt Toby Wilkinson,2011-08-01 This is a story studded with extraordinary achievements and historic moments from the building of the pyramids and the conquest of Nubia through Akhenaten s religious revolution the power and beauty of Nefertiti the glory of Tutankhamun s burial chamber and the ruthlessness of Ramesses to Alexander the Great s invasion and Cleopatra s fatal entanglement with Rome As the world s first nation state the history of Ancient Egypt is above all the story of the attempt to unite a disparate realm and defend it against hostile forces from within and without Combining grand narrative sweep with detailed knowledge of hieroglyphs and the iconography of power Toby Wilkinson reveals Ancient Egypt in all its complexity The Story of Egypt Joann Fletcher,2016-08-02 The story of the world s greatest civilization spanning 4 000 years of history full of epic stories spectacular places and an evolving society rich in inventors heroes villains and pioneers The story of the world s greatest civilization spans 4 000 years of history that has shaped the world It is full of spectacular cities and epic stories an evolving society rich in inventors heroes heroines villains artisans and pioneers Professor Joann Fletcher pulls together the complete story of Egypt charting the rise and fall of the ancient Egyptians while putting their whole world into a context to which we can all relate Fletcher uncovers some fascinating revelations new evidence shows that women became pharaohs on at least ten occasions that the ancient Egyptians built the first Suez Canal and then circumnavigated Africa From Ramses II s penchant for dying his grey hair to how we know that Montuhotep s chief wife bit her nails Dr Joann Fletcher brings alive the history and people of ancient Egypt as nobody else can **History of Egypt** F.
