*Frontiers Past and Future* Carl Abbott, 2006 Abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott's study journeys across the far reaches of science fiction's universe

**Stories and Society** Dennis Butts, 1992-07-01 Children's literature is increasingly exposed to critical debate in England and America There are indeed a number of histories and surveys of children's literature but few works exist which discuss the contexts ideologies and narrative structures of children's stories in a serious and detailed manner or examine particular case histories to see how the different forces interact This is what this collection of essays attempts to do The topics range from Little Women to Winnie the Pooh and from story forms such as The Adventure Story to Fantasy

**Archive Stories** Antoinette Burton, 2006-01-25 This anthology compares scholarly findings from around the world to comment on the creation definition and use of archival evidence in the writing of history

**The Stories We Are** William Randall, 2013-12-31 From time to time we all tend to wonder what sort of story our life might comprise what it means where it is going and whether it hangs together as a whole In *The Stories We Are* William Lowell Randall explores the links between literature and life and speculates on the range of storytelling styles through which people compose their lives In doing so he draws on a variety of fields including psychology psychotherapy theology philosophy feminist theory and literary theory Using categories like plot character point of view and style Randall plays with the possibility that we each make sense of the events of our lives to the extent that we weave them into our own unfolding novel as simultaneously its author narrator main character and reader In the process he offers us a unique perspective on features of our day to day world such as secrecy self deception gossip prejudice intimacy maturity and the proverbial art of living First published in 1995 this second edition of *The Stories We Are* includes a new preface and afterword by the author

that offer insight into his argument and evolution as a scholar as well as an illuminating foreword by Ruthellen Josselson

**The Short Story after Apartheid** Graham K. Riach, 2023-10-15 Honourable Mention in the 2023 British Association for Contemporary Literary Studies Monograph Prize The Short Story after Apartheid offers the first major study of the anglophone short story in South Africa since apartheid's end By focusing on the short story this book complicates models of South African literature dominated by the novel and contributes to a much needed generic and formalist turn in postcolonial studies Literary texts are sites of productive struggle between formal and extra formal concerns and these brief fragmentary elliptical formally innovative stories offer perspectives that reframe or revise important concerns of post apartheid literature the aesthetics of engaged writing the politics of the past class and race the legacies of violence and the struggle over the land Through an analysis of key texts from the period by Nadine Gordimer Ivan Vladislavi Zo Wicomb Phaswane Mpe and Henrietta Rose Innes this book assesses the place of the short story in post apartheid writing and develops a fuller model of how artworks allow and disallow forms of social thought [A Critical Collection on Alejandro Morales](#) Marc

García-Martínez, Francisco A. Lomeli, 2025-04-29 Silver Medalist at the 24th International Latino Book Awards Alejandro Morales is a pioneer of Chicana and Chicano literature and the author of groundbreaking works including The Brick People The Rag Doll Plagues and River of Angels His work often experimental was one of the first to depict harsh urban realities in the barrios a break from much of the Chicana and Chicano fiction that had been published previously Morales relentless work has grown over the decades into a veritable menagerie of cultural testimonies fantastic counterhistories magical realism challenging metanarratives and flesh and blood aesthetic innovation The fourteen essays included in this compendium examine Morales novels and short stories The editors also include a critical introduction an interview between Morales the editors and fellow author Daniel Olivas and a new comprehensive bibliography of Morales writings and works about him books articles book reviews online resources and dissertations A Critical Collection on Alejandro Morales Forging an Alternative Chicano Fiction is a must read for understanding and appreciating Morales work in particular and Chicana and Chicano literature in general **Smithsonian Stories** Wilton S. Dillon, 2015-01-08 Why is the Smithsonian more than the Nation's Attic Or more than a museum complex As Wilton S Dillon shows the Smithsonian came to be the institution we know today under the twenty year leadership of Sun King S Dillon Ripley Ripley aspired to reinvent the Smithsonian as a great university with museums Although little understood by the public at large it began as a basic research center The Smithsonian remains a key contributor to the world of higher learning and functions diplomatically as the ministry of culture for the United States Dillon provides backstage insights into Ripley's quest for the wholeness of knowledge He describes how he inspired its role as a theater of ideas as well as artifacts Under his tutelage the National Mall became a playground for world intelligentsia an intellectual free trade zone in the shadow of the nation's political capital Dillon reminds us that interdisciplinary international Smithsonian symposia foreshadowed twenty first century issues and trends His descriptions of

the educational rewards of balancing tradition with the avant garde are inspiring As Dillon reminds us Ripley s twenty year reign may well have helped spark the waning embers of the Enlightenment

**Narrative Psychology and Vygotsky in Dialogue** Jill Bradbury,2019-09-06 This book draws together two domains of psychological theory Vygotsky s cultural historical theory of cognition and narrative theories of identity to offer a way of rethinking the human subject as embodied relational and temporal A dialogue between these two ostensibly disparate and contested theoretical trajectories provides a new vantage point from which to explore questions of personal and political change In a world of deepening inequalities and increasing economic precarity the demand for free decolonised quality education as articulated by the South African Student Movement and in many other contexts around the world is disrupting established institutional practices and reinvigorating possibilities for change This context provokes new lines of hopeful thought and critical reflection on discontinuities across historical time theories of social and psychological developmental processes and the practices of intergenerational life particularly in the domain of education for the making of emancipatory futures This is essential reading for academics and students interested in Vygotskian and narrative theory and critical psychology as well as those interested in the politics and praxis of higher education

**Eastern Cherokee Stories** Sandra Muse Isaacs,2019-07-10 Throughout our Cherokee history writes Joyce Dugan former principal chief of the Eastern Band of Cherokee Indians our ancient stories have been the essence of who we are These traditional stories embody the Cherokee concepts of Gadugi working together for the good of all and Duyvhta walking the right path and teach listeners how to understand and live in the world with reverence for all living things In *Eastern Cherokee Stories* Sandra Muse Isaacs uses the concepts of Gadugi and Duyvhta to explore the Eastern Cherokee oral

tradition and to explain how storytelling in this tradition as both an ancient and a contemporary literary form is instrumental in the perpetuation of Cherokee identity and culture Muse Isaacs worked among the Eastern Cherokees of North Carolina recording stories and documenting storytelling practices and examining the Eastern Cherokee oral tradition as both an ancient and contemporary literary form For the descendants of those Cherokees who evaded forced removal by the U S government in the 1830s storytelling has been a vital tool of survival and resistance and as Muse Isaacs shows us this remains true today as storytelling plays a powerful role in motivating and educating tribal members and others about contemporary issues such as land reclamation cultural regeneration and language revitalization The stories collected and analyzed in this volume range from tales of creation and origins that tell about the natural world around the homeland to post Removal stories that often employ Native humor to present the Cherokee side of history to Cherokee and non Cherokee alike The persistence of this living oral tradition as a means to promote nationhood and tribal sovereignty to revitalize culture and language and to present the Indigenous view of history and the land bears testimony to the tenacity and resilience of the Cherokee people the Ani Giduwah

**Public History, Private Stories** Graziella Parati, 1996 In this important volume Graziella Parati examines the ways in which Italian women writers articulate their identities through autobiography a public act that is also the creation of a private life Considering autobiographical writings by five women writers from the seventeenth century to the present Parati draws important connections between self writing and the debate over women s roles both traditional and transgressive Parati considers the first prose autobiography written by an Italian woman Camilla Faa Gonzaga s 1622 memoir as her beginning point citing it as a central pre text Parati then examines the autobiographies of Enif Robert Fausta Cialente Rita Levi Montalcini and Luisa Passerini Through her discussion of these women s writings she demonstrates the complex negotiations over identity contained within them negotiations that challenge dichotomies between male and female maternal and paternal and private and public Public History Private Stories is a compelling exploration of the disparate identities created by these women through the act of writing autobiography

*Science-fiction* Everett Franklin Bleiler, Richard Bleiler, 1998 Complementing Science Fiction The Early Years which surveys science fiction published in book form from its beginnings through 1930 the present volume covers all the science fiction printed in the genre magazines Amazing Astounding and Wonder along with offshoots and minor magazines from 1926 through 1936 This is the first time this historically important literary phenomenon which stands behind the enormous modern development of science fiction has been studied thoroughly and accurately The heart of the book is a series of descriptions of all 1 835 stories published during this period plus bibliographic information Supplementing this are many useful features detailed histories of each of the magazines an issue by issue roster of contents a technical analysis of the art work brief authors biographies poetry and letter indexes a theme and motif index of approximately 30 000 entries and general indexes Science Fiction The Gernsback Years is not only indispensable for reference librarians collectors readers and scholars interested in science

fiction it is also of importance to the study of popular culture during the Great Depression in the United States Most of its data which are largely based on rare and almost unobtainable sources are not available elsewhere The Oxford Handbook of Identity Development Kate C. McLean,Moin Syed,2014-10-27 Identity is defined in many different ways in various disciplines in the social sciences and sub disciplines within psychology The developmental psychological approach to identity is characterized by a focus on developing a sense of the self that is temporally continuous and unified across the different life spaces that individuals inhabit Erikson proposed that the task of adolescence and young adulthood was to define the self by answering the question Who Am I There have been many advances in theory and research on identity development since Erikson s writing over fifty years ago and the time has come to consolidate our knowledge and set an agenda for future research The Oxford Handbook of Identity Development represents a turning point in the field of identity development research Various and disparate groups of researchers are brought together to debate extend and apply Erikson s theory to contemporary problems and empirical issues The result is a comprehensive and state of the art examination of identity development that pushes the field in provocative new directions Scholars of identity development adolescent and adult development and related fields as well as graduate students advanced undergraduates and practitioners will find this to be an innovative unique and exciting look at identity development *Fiction Catalog* ,1928 **Stories, Meaning, and Experience** Yanna B. Popova,2015-06-26 This is a book about the human propensity to think about and experience the world through stories Why do we have stories How do stories create meaning for us and How is storytelling distinct from other forms of meaning making are some of the questions that this book seeks to answer Although these and other related problems have preoccupied linguists philosophers sociologists narratologists and cognitive scientists for centuries in Stories Meaning and Experience Yanna Popova takes an original interdisciplinary approach situating the study of stories within an enactive understanding of human cognition Enactive approaches to consciousness and cognition foreground the role of interaction in explanations of social understanding which includes the human practices of telling and reading stories Such an understanding of narrative makes a decisive break with both text centred approaches that have dominated structuralist and early cognitivist views of narrative meaning as well as pragmatic ones that view narrative understanding as a form of linguistic implicature The intersubjective experience that each narrative both affords and necessitates the author argues serves to highlight the active yet cooperative and communal nature of human sociality expressed in the numerous forms of human interaction of which storytelling is one **Science Fiction and the Historical Novel** Ian P. MacDonald,Kate Polak,2024-09-16 If you woke to realize that you could rewrite your yesterday without knowing the kind of tomorrow it would grant you would you do it Are the authors of our destiny working with an outline or spit balling confusing plotlines Since the past changes possible futures to what alighting butterfly should we pay the most heed This book explores the liminal space between speculative fiction and the historical novel Staged as a transnational multicultural conversation it takes up a call

originally made by Fredric Jameson in *Archaeologies of the Future* wherein he describes that flashpoint between speculative and historical genres as the symptom of a mutation in our relationship to historical time itself Drawing together postcolonial feminist cultural Indigenous and cognitive approaches *Science Fiction and the Historical Novel* asks what the past can offer a future oriented world and how the future can be imagined in relation to a past that seeks narratives of inevitability rather than possibility Engaged with the idea of the past as a model for the future authors in this volume probe the extent to which historical scripts delimit possibilities and how authors engaged with the practice of alternative pasts rewrite potentialities in the present

*Wonder Tales in the Fiction of A. S. Byatt* Alexandra Cheira, 2023-01-19 This volume provides sustained critical attention on Byatt's wonder tales both the stand alone tales and those which are embedded in the wider frame of a novel or novella In this light it examines Byatt's claim that her wonder tales are modern literary stories and they do play quite consciously with a postmodern creation and recreation of old forms through a revisitation of the wonder tale in a productive dialogue with tradition as an expanded recognition of this fertile creative critical dialogue with regards to the significance of the wonder tale in Byatt's fictional work The book evinces a fresh variety of conceptions and approaches to Byatt's wonder tales some spanning several tales and others focussing on a specific wonder tale all thoroughly observant of the nature and workings of the relationship between story or novel and genre or tale and theoretically informed by innovative critical approaches

**Vietnam War Stories** Tobey C. Herzog, 2017-01-27 Dealing with ten key narratives including novels and personal accounts Herzog locates them in the tradition of war literature as well as recent cinema and charts the transformations of the American nation in its experience of modern war
