15 000 Polish soldiers among them 800 Doctors of Medicine were murdered in one operation Originally they had been taken
into captivity by the Soviet Army in 1939 There was a possibility however that the prisoners while still alive had been taken
from Soviet custody by German forces in 1941 Some of the bodies were found in German held territory The ropes with which
their hands were tied were Soviet made but the bullets with which the men were killed were of German origin The Soviet and
German governments accused each other of the massacre To obtain or remove the evidence the intelligence services of
several nations carried on a merciless secret contest in the Katyn Forest Poland Germany Italy England and the United
States Men disappeared so did files including one from the United States Military Intelligence Office In the process a key
witness was found hanged diplomatic and military careers were destroyed in the United States personnel of the International
Military Tribunal at Nuremberg lied by omission and so did some of the greatest Allied leaders of the Second World War This

long and troubled existence Whether he s describing the crowning of Ivan the Terrible in a candlelit cathedral or the
dramatic upheaval of the peasant revolution he reveals the impulses often unappreciated or misunderstood by foreigners that
have driven Russian history the medieval myth of Mother Russia s holy mission to the world the imperial tendency toward
autocratic rule the popular belief in a paternal tsar dispensing truth and justice the cult of sacrifice rooted in the idea of the
Russian soul and always the nationalist myth of Russia s unjust treatment by the West How the Russians came to tell their
