Mark D. Regnerus Assocaite Professor of Sociology University of Texas at Austin

#### **Story Of Sex In Religion:**

Forbidden Fruit: Sex & Religion in the Lives of American Teenagers Mark D. Regnerus Assocaite Professor of Sociology University of Texas at Austin, 2007-02-05 Americans remain deeply ambivalent about teenage sexuality Many presume that such uneasiness is rooted in religion But how exactly does religion contribute to the formation of teenagers sexual values and actions What difference if any does religion make in adolescents sexual attitudes and behaviors Are abstinence pledges effective What does it mean to be emotionally ready for sex Who expresses regrets about their sexual activity and why Tackling these and other questions Forbidden Fruit tells the definitive story of the sexual values and practices of American teenagers paying particular attention to how participating in organized religion shapes sexual decision making Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America Mark Regnerus reviews how young people learn and what they know about sex from their parents schools peers and other sources He examines what experiences teens profess to have had and how they make sense of these experiences in light of their own identities as religious moral and responsible persons Religion can and does matter Regnerus finds but religious claims are often swamped by other compelling sexual scripts Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs And strikingly evangelical teens aren t less sexually active than their non evangelical counterparts they just tend to feel guiltier about it In fact Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations. The only and largely ineffective sexual message most religious teens are getting is Don t do it until you re married Ultimately Regnerus concludes religion may influence adolescent sexual behavior but it rarely motivates sexual decision making **Sex and Religion** Dag Ølstein Endsjø, 2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In Sex and Religion Dag istein Endsj examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsj reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it s permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsj explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual s place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage Sex and Religion reveals there is nothing natural or self evident about the ways in which various religions prescribe or proscribe and bless or condemn different types

of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it Sex and Religion is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience The Sacred Fire The Sacred Fire Ben Z. Goldberg, 1937 Sex and Religion ,2023-07-31 Ben Zion Goldberg, 1930 Sex in Religion Eliza Gamble, 2019-01-09 As the conception of a deity originated in sex or in the creative agencies female and male which animate Nature we may reasonably expect to find in the history of the development of the two sex principles and in the notions entertained concerning them throughout past ages a tolerably correct account of the growth of the god idea We shall perceive that during an earlier age of human existence not only were the reproductive powers throughout Nature and especially in human beings and in animals venerated as the Creator but we shall find also that the prevailing ideas relative to the importance of either sex in the office of reproduction decided the sex of this universal creative force We shall observe also that the ideas of a god have always corresponded with the current opinions regarding the importance of either sex in human society In other words so long as female power and influence were in the ascendency the creative force was regarded as embodying the principles of the female nature later however when woman's power waned and the supremacy of man was gained the god idea began gradually to assume the male characters and attributes The Sacred Fire Benjamin Sex and Religion in the Bible Calum Carmichael, 2010-03-30 If we look to the Bible for historical accounts Waife, 1958 of ancient life we make a profound error So contends Calum Carmichael in this original and incisive reading of some of the Hebrew Bible and New Testament's most famous narratives Sifting through the imaginative layers of these texts with an uncanny sensitivity and a panoptic critical eye he unearths patterns connecting disparate passages providing fascinating insights into how ideas were expressed received and transformed in the ancient Near East Ranging from Jacob's encounter with Leah to the marriage at Cana to Jesus encounter with the woman at the well these readings demonstrate the remarkable subtlety and sophistication of the biblical views on marriage sexuality fertility impurity creation and love Sex, Religion, Media Dane S. Claussen, 2002-10-16 Each chapter in this unique volume explores intersections of sex religion and media in our society An interdisciplinary cast of contributors examines a wide variety of themes including entertainment producers roles in disseminating sexual and religious content news coverage of stories about sex and religious conservatives efforts to influence media coverage of sex and values and how religious consumers are influenced by and react to sexual content in media **Sex Symbolism in Religion** James Ballantyne Hannay,1922 Sex Symbolism in Religion James Ballantyne Hannay, 1993-05 1922 Contents the Gods of the Hebrew Bible Part I Old Testament Gods Growth of the Sun God Idea Status Beliefs Fruition of the Sun God Idea Peter or the Rock the Two Gods Queen of Heaven Ruach Seven Stories of The Kingdom of Matthias: A Story of Sex and Salvation in 19th-Century America Paul E. Johnson, Sean Wilentz, 1994-04-28 In the autumn of 1834 New York City was awash with rumors of a strange religious cult operating nearby

centered around a mysterious self styled prophet named Matthias It was said that Matthias the Prophet was stealing money from one of his followers then came reports of lascivious sexual relations based on odd teachings of matched spirits apostolic priesthoods and the inferiority of women At its climax the rumors transformed into legal charges as the Prophet was arrested for the murder of a once highly regarded Christian gentleman who had fallen under his sway By the time the story played out it became one of the nation's first penny press sensations casting a peculiar but revealing light on the sexual and spiritual tensions of the day In The Kingdom of Matthias the distinguished historians Paul Johnson and Sean Wilentz brilliantly recapture this forgotten story imbuing their richly researched account with the dramatic force of a novel In this book the strange tale of Matthias the Prophet provides a fascinating window into the turbulent movements of the religious revival known as the Second Great Awakening movements which swept up great numbers of evangelical Americans and gave rise to new sects like the Mormons Into this teeming environment walked a down and out carpenter named Robert Matthews who announced himself as Matthias prophet of the God of the Jews His hypnotic spell drew in a cast of unforgettable characters the meekly devout businessman Elijah Pierson who once tried to raise his late wife from the dead the young attractive Christian couple Benjamin Folger and his wife Ann who seduced the woman hating Prophet and the shrewd ex slave Isabella Van Wagenen regarded by some as the most wicked of the wicked None was more colorful than the Prophet himself a bearded thundering tyrant who gathered his followers into an absolutist household using their money to buy an elaborate eccentric wardrobe and reordering their marital relations By the time the tensions within the kingdom exploded into a clash with the law Matthias had become a national scandal In the hands of Johnson and Wilentz the strange tale of the Prophet and his kingdom comes vividly to life recalling scenes from recent experiences at Jonestown and Waco They also reveal much about a formative period in American history showing the connections among rapid economic change sex and race relations politics popular culture and the rich varieties of American religious experience The Kingdom of Matthias: A Story of Sex and Salvation in 19th-Century America Paul E. Johnson Associate Professor of History University of Utah, Sean Wilentz Professor of History Princeton University, 1994-04-28 In the autumn of 1834 New York City was awash with rumors of a strange religious cult operating nearby centered around a mysterious self styled prophet named Matthias It was said that Matthias the Prophet was stealing money from one of his followers then came reports of lascivious sexual relations based on odd teachings of matched spirits apostolic priesthoods and the inferiority of women At its climax the rumors transformed into legal charges as the Prophet was arrested for the murder of a once highly regarded Christian gentleman who had fallen under his sway By the time the story played out it became one of the nation s first penny press sensations casting a peculiar but revealing light on the sexual and spiritual tensions of the day In The Kingdom of Matthias the distinguishd historians Paul Johnson and Sean Wilentz brilliantly recapture this forgotten story imbuing their richly researched account with the dramatic force of a novel In this book the strange tale of Matthias the Prophet provides a fascinating window into the turbulent

movements of the religious revival known as the Second Great Awakening movements which swept up great numbers of evangelical Americans and gave rise to new sects like the Mormons Into this teeming environment walked a down and out carpenter named Robert Matthews who announced himself as Matthias prophet of the God of the Jews His hypnotic spell drew in a cast of unforgettable characters the meekly devout businessman Elijah Pierson who once tried to raise his late wife from the dead the young attractive Christian couple Benjamin Folger and his wife Ann who seduced the woman hating Prophet and the shrewd ex slave Isabella Van Wagenen regarded by some as the most wicked of the wicked None was more colorful than the Prophet himself a bearded thundering tyrant who gathered his followers into an absolutist household using their money to buy an elaborate eccentric wardrobe and reordering their marital relations By the time the tensions within the kingdom exploded into a clash with the law Matthias had become a national scandal In the hands of Johnson and Wilentz the strange tale of the Prophet and his kingdom comes vividly to life recalling scenes from recent experiences at Jonestown and Waco They also reveal much about a formative period in American history showing the connections among rapid economic change sex and race relations politics popular culture and the rich varieties of American religious experience God (RLE Women and Religion) Linda Hurcombe, 2014-10-03 These stories essays and poems by women examine the connections feminists are making between sex and God The women write from very different perspectives cutting across the spectrum of feminist writing about sexuality and spirituality within the Judeo Christian tradition Some writers though critical are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith Others impatient suggests the editor with the great inseminator in the sky have moved on to what might be described as a post patriarchal spirituality Contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas monogamy and promiscuity sex politics and spirituality childbirth sex and healing in dying feminist sexual psychology lesbian identity and feminist embodied theology. The recent and continuing debate about women priests in the Anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion This book with its reflections on both the politics of Christian feminism and the more widespread expression of women's spirituality makes an important contribution to that change First published in 1987 Sacred Fire B. Z. Goldberg, 1998-10-01 **Abusing Religion** Megan Goodwin, 2020-07-17 Why do Americans presume to know what s really going on in marginal religions Sex abuse happens in all communities but American religious outsiders often face disproportionate allegations of sexual abuse Abusing Religion argues that sex abuse in minority religious communities is an American problem not merely a religious one The Sex Obsession Janet R. Jakobsen, 2023-04-11 The Sex Obsession connects perversity and possibility in American politics First Times: Short Stories about Sex Karine Glorieux, 2025-04-01 A balm for adolescent anxiety this inclusive collection offers sometimes imperfect but always frank short stories of first sexual experiences Although to be honest there isn t ever really a first time is there Rather there are many first times with

yourself First times with another person First times you look forward to First times you wish you could forget First times that are sexy as hell First times that are definitely definitely not First Times Short Stories about Sex collects nine stories by nine different authors writing from a vast range of perspectives cultural backgrounds and sexual orientations revealing how unreasonable it is to define ourselves by a single overhyped moment What a relief With stories by Laurence Beaudoin Masse Edith Chouinard Vanessa Duchel Schelby Jean Baptiste Alexandra Larochelle J r mie Larouche Nicolas Michon Olivier Simard and Pierre Yves Villeneuve edited by Karine Glorieux and translated by Shelley Tanaka Key Text Features introduction The Routledge International Handbook of Sex Therapy and Religion Caleb Jacobson, 2025-09-30 The doodles Routledge International Handbook of Sex Therapy and Religion is an invaluable resource for clinicians religious scholars clergy and anyone interested in the intersection of religion and sexual health By weaving together psychological theories religious ethics and cultural competence this volume provides a holistic approach to sex therapy that honors the faith and values of diverse religious traditions. This handbook is not only a testament to the importance of integrating religious and cultural perspectives in therapeutic practice but also a vital tool for religious scholars and clergy in understanding and addressing sexual health issues within their communities It serves as a call to action for greater competency in addressing the complex needs of religious clients in matters of sex sexuality and gender The Routledge Companion to Gender, Sex and Latin American Culture Frederick Luis Aldama, 2018-05-24 The Routledge Companion to Gender Sex and Latin American Culture is the first comprehensive volume to explore the intersections between gender sexuality and the creation consumption and interpretation of popular culture in the Am ricas The chapters seek to enrich our understanding of the role of pop culture in the everyday lives of its creators and consumers primarily in the 20th and 21st centuries They reveal how popular culture expresses the historical social cultural and political commonalities that have shaped the lives of peoples that make up the Am ricas and also highlight how pop culture can conform to and solidify existing social hierarchies whilst on other occasions contest and resist the status quo Front and center in this collection are issues of gender and sexuality making visible the ways in which subjects who inhabit intersectional identities sex gender race class are othered as well as demonstrating how these same subjects can and do use pop cultural phenomena in self affirmative and progressively transformative ways Topics covered in this volume include TV film pop and performance art hip hop dance slam poetry gender fluid religious ritual theater stand up comedy graffiti videogames photography graphic arts sports spectacles comic books sci fi and other genre novels loter a card games news web and digital media
