Story Lives Of Master Musicians:

The World's Great Men of Music Harriette Brower, 2019-11-19 In *The World's Great Men of Music* Harriette Brower presents a rich tapestry of biographical sketches that delve into the lives and contributions of renowned composers and musicians from various epochs. Her narrative style is engaging and accessible, combining scholarly insight with a journalistic flair that captures the reader's imagination. Structured around key figures such as Beethoven, Mozart, and Wagner, Brower not only documents their artistic milestones but also explores the sociocultural contexts that shaped their creations, providing a holistic understanding of their music and its enduring impact. Harriette Brower, an accomplished writer and musicologist, navigated both the literary and musical landscapes of her time with finesse. A contemporary of the early 20th century, her passion for music was forged through direct engagement with the arts as well as her connections within music circles. This book reflects her belief in music's transformative power and her desire to share the stories behind the legends influenced by her experiences in a world rapidly evolving in terms of artistic expression. For those seeking to deepen their appreciation for classical music and its towering figures, Brower's *The World's Great Men of Music* serves as an essential resource. It illuminates not just the music itself but also the personal struggles, triumphs, and legacies of the great minds behind the notes, making it a compelling read for scholars and enthusiasts alike.

The World's Great Men of Music Story-Lives of Master Musicians Harriette Brower, 2018-07-04 *The World's Great Men of Music Story-Lives of Master Musicians* by Harriette Brower. I PALESTRINA To learn something of the life and labors of Palestrina, one of the earliest as well as one of the greatest musicians, we must go back in the world's history nearly four hundred years. And even then we may not be able to discover all the events of his life, as some of the records have been lost. But we have the main facts and know that Palestrina's name will be revered for all time as the man who strove to make sacred music the expression of lofty and spiritual meaning. Upon a hoary spur of the Apennines stands the crumbling town of Palestrina. It is very old; now it was old when Rome was young. Four hundred years ago Palestrina was dominated by the great castle of its lords, the proud Colonnas. Naturally the town was much more important in those days than it is to day. At that time there lived in Palestrina a peasant pair, Sante Pierluigi and his wife Maria, who seem to have been an honest couple and not grindingly poor, since the will of Sante's mother has lately been found in which she bequeathed a house in Palestrina to her two sons. Besides this she left behind a fine store of bed linen, mattresses, and cooking utensils. Maria Gismondi also had a little property. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand-curated by our staff. Our philosophy has been

guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Story-Lives of Master Musicians Harriette Brower,2020-09 **STORY-LIVES OF MASTER MUSICIANS HARRIETTE.
