Storytime Zoo:

Storytime: The Star of the Zoo Virginie Zurcher, 2014-11-11 The animals are settling down for the night when a shooting star falls into the zoo Little Star is desperate to get back home but who will help her One by one each of the animals offers to help Little Star but none of them are tall enough to reach the sky Finally Ant comes forward Together with all of her friends and family Ant makes a tower tall enough to get Little Star home Their work done the animals finally go to sleep High above them Little Star twinkles like a diamond in the sky This Storytime title is perfect for showing children the value of teamwork whilst also educating them on the different animals and their individual characteristics Each title in the Storytime series contains beautiful artwork that children will love and a moral they'll remember They are the perfect stories to read with a loved one and even alone

Toddler Storytimes II Diane Briggs, 2008 School Library Journal With 25 theme based chapters this is a handy resource Each theme includes book recommendations often 10 or more with a nice mixture of classic and newer titles and a suggestion to choose two or three per session Words and instructions for fingerplays rhymes and songs are provided while a discography provides melody sources for all songs Each theme includes a flannel board activity complete with reproducible patterns and brief directions on how to present the story or song on the board Safe and simple crafts ideas are presented as optional activities Activities are listed by type rather than in an ordered list so tellers can pick choose and order according to individual style and preference An introduction provides tips and rationale for all of the types of activities A couple of sentences note the potential impact on brain development and early literacy skills but the focus is on the activities themselves strategies for sharing early literacy information with parents and caregivers are not addressed Judy Nichols's Storytimes for Two Year Olds ALA 2007 and Linda L Ernst's Baby Rhyming Time Neal Schuman 2008 provide more comprehensive looks at all aspects of storytime planning and presentation This update of Briggs's Toddler Storytime Programs Scarecrow 1993 will be most useful as a resource for programming ideas and fleshing out themes
