My book is about a young lady myself who in my younger days was seeking love that I thought would complete me through a relationship with a male figure When in a relationship or what I thought was a relationship I would always put 100 percent of my heart in it while at the same time not receiving the mutual feeling because I thought I was The way I would express my feelings would be to either write a poem buy them things or to speak from my heart I didn't know at the time that this kind of love could not fill the void that I had until I was introduced to Jesus Christ and how he truly loves me and I didn't have to do anything to earn and receive his love Therefore my thinking and thought process began to change about the meaning of true love So I began to write other poems that God had given me *Straight from the heart* Ruchi Agarwal, 2022-04-25 This book is basically about myself about what has been erupted straight from my heart Some of the poems are effusively emotional and some are based on general views that we go through in everyday's life observed very minutely like the poem jhalmuriwala Some write ups are related to my personal life This book is a mixed bag It contains write ups in all context May it be human thoughts or a motivational one Godly as well as spiritual poems This is my debut book to reach out to maximum people to let them understand themselves better through my thoughts to let them observe their surrounding very keenly and to realise that there is life in every moment and that every moment can be created into a story to be remembered forever *Straight from the Heart* Ina Yalof, 1997-10-01 An inspirational and affirming collection of letters by breast cancer survivors is gathered from women from all walks of life and at different stages of recovery Reprint

**Straight from the Heart** Angela Denis, 2024-04-02 'Tis better to have Loved and lost Than never to have Loved at all Alfred Lord Tennyson It is said that the most genuine feelings blossom from a heart which has felt the emotion of love in all its forms *Straight from the Heart* is one such attempt to put in words what the heart endures Inspired by nature romance and relationships it is a collection of poems which tries to portray what the poet feels Each poem pours out the emotions of the poet and makes a connection instinctively Most of the poems in this collection take us through a journey of a young heart who has fallen in love and felt the pain of separation the confusion and struggle of growing up the dreams and hopes of young adulthood The collection is an amalgamation of all such emotions and experiences which all of us go through at some point of time in our life Dedicated to all those who have fallen in love or plan to do so Welcome to the world of Life's Only Valuable Emotion LOVE **Straight from the Heart** Ajaan Mahā Boowa Ñāṇasampanno, This collection of talks was

originally given for the benefit of a lay disciple who had come to Ajaan Mah Boowa's monastery to receive his guidance as she faced her approaching death from bone marrow cancer. These talks offer important lessons about how to learn from pain, illness, and death by seeing through to their ultimate nature and detaching the mind from the suffering associated with them.

**Straight from the Heart** Rosemarie Richards, 2016-02-20 The book is in a way a biography of my life's experiences. I always had trouble expressing my feelings verbally about good times and bad, so I started to write them down on paper. I found that it was easier to express how I felt about things that had happened to me when I wrote them down. Life has a way of throwing you a lot of curves on your journey through it, good ones and bad, and my poetry was a way of me accepting them. I found with every curve life threw at me there was a lesson to be learned. When you deal with the experience you can move on with your life and become a better person. Life is too short to dwell in the past and let things get you down. You should enjoy life to the fullest and with every feeling and emotion you handle through your experiences makes you a better person. This was my way of moving on with my life and looking for a brighter future.

**Straight from the Heart** Ingrid Green, 2023-01-10 Have you ever been in love or experienced any pain? Most of us have memories from both. If you're like me, it takes some time to process the feelings and thoughts that linger on after experiencing these two powerful emotions. This book helps to explain the joy and happiness as well as the disappointment and frustration caused by love and pain. How well do you know yourself? How do you deal with such feelings from their very start? This book will help you process those feelings that flow straight from the heart.

Collection of Poetry (Straight from the Heart), *Eternal Love: Romantic Poetry*  
*Straight from the Heart* Stacey Chillemi, 2017-10-29 How do you know when you are in love? What is true love and what is not? How can I find a person to love and share the rest of my life? Will true love come to me naturally? How can I build a relationship? The poems in my book answer these questions. People are eager to find true love, love that will not last a short period of time but for a lifetime. *Eternal Love* is designed to answer these questions and more. It is divided into two sections that correspond to the way most people experience love: the explanation of love and the love poems using poems and love letters that I created. Each part highlights a particular aspect of love: what love is and how it can be obtained. Many philosophers and writers have tried to find the true meaning of love, yet true love remains to be one of the most mysterious feelings on this planet. Sometimes we are not always aware when true love comes our way. True love is not something we can control. It takes control of our mind, body, and soul. However, when it does come our way, it enriches our lives and makes our heart sing with joy. True love is magical and no one should have to live without it. *Eternal Love: Romantic Poetry*  
*Straight from the Heart* is a collection of poems that describes the true meaning of true love. So find a comfortable spot in your home and get ready to encounter the magical journey of eternal love.
