complete me through a relationship with a male figure When in a relationship or what I thought was a relationship I would always put 100 percent of my heart in it while at the same time not receiving the mutual feeling because I thought I was The way I would express my feelings would be to either write a poem buy them things or to speak from my heart I didnt know at the time that this kind of love could not fill the void that I had until I was introduced to Jesus Christ and how he truly loves me and I didnt have to do anything to earn and receive his love Therefore my thinking and thought process began to change about the meaning of true love So I began to write other poems that God had given me **Straight from the Heart** Ina
