Ideals and Ideologies Terence Ball, Richard Dagger, Daniel I. O'Neill, 2016-01-08 *Ideals and Ideologies* A Reader 9 e is a comprehensive compilation of original readings representing all of the major isms It offers students a generous sampling of key thinkers in different ideological traditions and places them in their historical and political contexts Used on its own or with *Political Ideologies and the Democratic Ideal* the title accounts for the different ways people use ideology and conveys the ongoing importance of ideas in politics      Scattering Ashes Joyce Smith Helyer, 2016-06-08 *Scattering Ashes* is a resource for Christian families confronting the reality of their loved one s gay lifestyle Joyce Smith Helyer takes the reader on a journey that changed her life when her brother began their midnight Christmas Eve conversation with these words Joyce I have something to tell you As I waited expectantly for what he was going to say next he paused but then shifted the conversation He tried again but the same thing happened I felt like he was trying to land an airplane in trouble and kept circling the airport looking for the best approach His attempted landings kept falling short of the runway A vague sense of uneasiness began to fill my mind Little did I realize that my nice typical Christian experience would be undergoing a significant change Fear I could barely articulate almost overwhelmed me Finally I looked at my handsome 26 year old brother and knew the words he was having so much difficulty saying Ron are you trying to tell me you re gay His quiet response echoed across the living room I thought you had it figured out      **The First Letter to the Corinthians** Roy E Ciampa, Brian S Rosner, 2020-05-21 This careful sometimes innovative mid level commentary touches on an astonishingly wide swath of important sensitive issues theological and pastoral that have urgent resonances in twenty first century life This thorough commentary presents a coherent reading of 1 Corinthians taking full account of its Old Testament and Jewish roots and demonstrating Paula s primary concern for the unity and purity of the church and the glory of God Those who preach and teach 1 Corinthians will be grateful to Ciampa and Rosner for years to come and scholars will be challenged to see this letter with fresh eyes      *Is the Good Book Good Enough?* David K. Ryden, 2010-12-18 The political emergence of evangelical Christians has been a signal development in America in the past quarter century And while their voting tendencies have been closely scrutinized their participation in the policy debates of the day has not They continue to be caricatured as anti intellectual Bible thumpers whose views are devoid of reason logic or empirical evidence They re seen as lemmings following the cues of Dobson and Robertson and marching in lock step with the Republican party on the culture wars issues of abortion gay rights and guns *Is The Good Book Good Enough* remedies the neglect of this highly influential group which makes up as much as a third of the American public It offers a carefully nuanced and comprehensive portrait of evangelical attitudes on a

wide range of policies and their theological underpinnings Each essay applies an evangelical lens to a contemporary issue environmentalism immigration family and same sex marriage race relations global human rights foreign policy and national security social welfare and poverty and economic policy The result thoroughly enriches our understanding of evangelicalism as a prism through which many view a wide range of policy debates      **Paranoid Science** Antony Alumkal,2019-04-01

Explores the Christian Right s fierce opposition to science explaining how and why its leaders came to see scientific truths as their enemy For decades the Christian Right s high profile clashes with science have made national headlines From attempts to insert intelligent design creationism into public schools to climate change denial efforts to cure gay people through conversion therapy and opposition to stem cell research the Christian Right has battled against science How did this hostility begin and more importantly why has it endured Antony Alumkal provides a comprehensive background on the war on science how it developed and why it will continue to endure Drawing upon Richard Hofstadter s influential 1965 essay The Paranoid Style in American Politics Antony Alumkal argues that the Christian Right adopts a similar paranoid style in their approach to science Alumkal demonstrates that Christian Right leaders see conspiracies within the scientific establishment with scientists not only peddling fraudulent information but actively concealing their true motives from the American public and threatening to destroy the moral foundation of society By rejecting science Christian Right leaders create their own alternative reality one that does not challenge their literal reading of the Bible While Alumkal recognizes the many evangelicals who oppose the Christian Right s agenda he also highlights the consequences of the war on reality both for the evangelical community and the broader American public A compelling glimpse into the heart of the Christian Right s anti science agenda Paranoid Science is a must read for those who hope to understand the Christian Right s battle against science and for the scientists and educators who wish to stop it      The Indecent Theologies of Marcella Althaus-Reid Lisa Isherwood,Hugo Córdova Quero,2020-12-30 This book celebrates the legacy of theologian Marcella Althaus Reid 1952 2009 and her particular influence in Asia and South America Her work has served as a significant source of inspiration to many scholars ministers and activists challenging heteronormative theologies but her sudden death in 2009 cut short the nascent and elegant theological thought for which she so valued Contributors to this book succinctly investigate aspects of the vast work of Althaus Reid by discussing issues of gender race and sexuality in Asia and South America utilising the liberation queer and indecent theologies she espoused Each chapter demonstrates how her legacy is alive and thriving today but also points towards to the potential future impact of her prolific theological output By highlighting the ground breaking work of Althaus Reid this book will serve as a key reference for scholars of Liberation Queer and Indecent Theology as well as Asian and Latinx religions      **When God Goes to Starbucks** Paul Copan,2008-08-01 More than ever Christians are bombarded with tough faith questions from their pluralistic friends and neighbors Many of these emerge as anti truth claims and slogans we are all familiar with Why not just look out for yourself Do what you want just as long as you don t hurt anyone Miracles

violate the laws of nature Aren't people born gay Paul Copan has been answering questions like these for many years In When God Goes to Starbucks he offers readers solid and caring Christian responses to these and many other concerns that are being discussed in Starbucks shopping malls youth groups and schools Each chapter provides succinct answers and points for countering the cultural questions believers are faced with today *Sexegesis: An Evangelical Response to Five Uneasy Pieces on Homosexuality*, Sexegesis An Evangelical Response to Five Uneasy Pieces on Homosexuality is written by a collaboration of Australian biblical teachers and experienced pastors addressing the vexed issue of homosexuality Sexegesis or sexual interpretation shows that the traditional reading of Scripture as against homosexual practice but for homosexual people still makes best sense of the Bible text This is contrary to the more liberal revisionist reading of Scripture in Five Uneasy Pieces The Bible's teaching on sexuality is unambiguous as it is life affirming both for homosexuals and heterosexuals This book skillfully balances biblical clarity with pastoral sensitivity compelling all Christians to engage in genuine dialogue with it and with each other *Forgive Us Our Sins* Richard D Starr, Scott L Barefoot, 2014-01-01 What does the Bible say about homosexuality Homosexuality and what the Bible says about it is a predominant subject in the world we live in How do Christians lovingly share what God's Word says about homosexuality with their friends and family members And if you're a Christian who struggles with homosexuality what does God want you to know This book is both a topical discussion on the difficult conversation about what the Bible says about homosexuality and the first person testimony of one man's real life exit from a gay lifestyle back to Jesus Christ In this book you will find very practical advice for overcoming temptation both from someone who has personally lived through the struggle and from a pastor with a deep love for God's Word and people But the authors want you to know that you won't find a quick and easy cure all silver bullet or magic formula to cure homosexuality in this book There is no cure for homosexuality other than the one cure for all sin God given faith in the forgiveness of Jesus Authors Scott Barefoot and Pastor Richard Starr avoid judgment and stereotypes by delicately balancing biblical law and gospel for an encouraging hope filled message to all believers who struggle with homosexuality and any temptation If you or someone you love are seeking to turn away from a life of homosexuality and turn your life back to Jesus this book is for you *The Prophecy Collection: The End Times Survival Guide, the Coming Apostasy, Russia Rising* Mark Hitchcock, 2021-10 Three popular books now collected for the first time in one special edition We live in a world that seems to be on the verge of coming apart Shootings Killer viruses The threat of nuclear war All of it is just too real What is happening in our world today is moving Christians to return to the foundations of our spiritual existence Believers everywhere must get back to what matters most We must always remember our battle at its most basic level is spiritual In The Prophecy Collection popular Bible teacher Mark Hitchcock helps you discover spiritual insight and spiritual tools to understand what's happening and to prepare for the future through three important works The End Times Survival Guide The Coming Apostasy coauthored with Jeff Kinley Russia Rising As we prepare for the Lord's coming it's time to understand

the biblical truths you need to know in order to face an increasingly decaying darkening world No matter what the future holds anchor your spiritual health and welfare on the immovable rock of God s Word **Outrageous Truth...** Robert Jeffress,2008-03-18 SEVEN OUTRAGEOUS TRUTHS YOU CAN STILL BELIEVE AND WHY Every other religion is wrong God sends good people to Hell Homosexuality is a perversion Evolution is a myth God is ultimately responsible for suffering in the world Husbands are to lead their families America is a Christian nation In Hell Yes Dr Robert Jeffress issues a bold wakeup call to all believers from college students to grandparents to stop apologizing for and start proclaiming the tough but essential truths that Christians have historically embraced And he provides the finest biblical scientific and historical evidence needed to defend these core beliefs in a culture turned hostile to God s truth Dr Jeffress believes the secular spirit of political correctness is holding the church hostage And the tragic result is that the revolutionary life changing positive message of the Christian faith is being watered down If you are weary of a Christianity that waffles and wavers about controversial issues if you are ready to stand up and compassionately yet forcefully and intelligently say This is what I believe and here s why then this book is for you "In the Beginning . . ." Eduardo J. Echeverria,2011-01-01 One of the most significant contributions of Pope John Paul II to the church and arguably to the culture was his development of a theology of the body This theology explores the rich meaning and vocation of human embodiment of the body person in light of the fundamental truths of creation fall into sin and redemption in Jesus Christ In this book Eduardo J Echeverria inquires into the biblical theological and philosophical foundations of the Pope s theology of the body In a wide ranging discussion of a Catholic theology of revelation biblical hermeneutics and a biblical perspective on the Christ centered dynamics of the moral life Echeverria clearly establishes the fundamental principles needed for a full understanding of John Paul II s thought He probes the philosophical foundations of the Pope s thought in the context of a Catholic theology of nature sin and grace The book concludes with an analysis of the normative implications of the Pope s theology for sexual ethics and provides a novel and provocative application of the theology of the body to the morality of homosexuality Echeverria s study of John Paul II s theology of the body helps us to make sense of how the pope s theology deepens our understanding of the Catholic teaching that the human body shares in the dignity of the image of God Catechism of the Catholic Church no 364 *Against Judicial Activism* Rory Leishman,2006-04-05 *Against Judicial Activism* cites numerous cases to support this argument For instance the British Columbia Human Rights Tribunal and Supreme Court read a ban on discrimination on the ground of transsexualism as being part of the province s human rights code On the basis of this revision of the law the tribunal ordered the Vancouver Rape Relief Society to pay 7 500 to a transsexual man in compensation for refusing to admit him into a training course for rape crisis counsellors The Queer Bible Commentary, Second Edition Mona West,Robert Shore-Goss,2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist

utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture **The Complete Book of Everyday Christianity** R.
