

What is Media Literacy?

Knowing the difference between news that really happened and news that is a made-up story is important. Today, information comes from all directions. It shows up in print, online, on the radio, on billboards ... all kinds of places!

Reading carefully and knowing the difference between real and false is called Media Literacy. Check out your media literacy skills with today's Kid Scoop page!

True news or not?

Today, you get information from lots of different places – the internet, TV news, newspapers, magazines, radio, and more. Some of it is true, and some of it is not. When something isn't real, we say it is "fake" or "made up".

Clearly, our article about a fairy finding a leprechaun's gold is not true. It is made up and just for fun. But sometimes, it's not so easy to tell the difference between real (true) news and stories that are false.

True Clues

Here are three ways you can check to see if something you read is true or made up. Ask a librarian or another trusted adult to help you when you go online.

Answer the following questions when you read or hear a news item.

Fairy Tale Facts

Knowing the difference between a **FACT** and an **OPINION** is another clue that helps you decide if a news article is true or made up.

Two of the Three Little Pigs are sharing opinions, and one is making a statement of fact.

Do the math to find out which pig is sharing a fact. Odd-numbered answers are fact. Circle the opinions in red crayon. Circle the fact in green.

Remember: **FACT** = something that is true. **OPINION** = something that is not true.

Kid Scoop Puzzler

Prove it, Pinocchio!

Pinocchio says he went to school and that he has a nose that grows when he lies. But it's not always that easy. Sometimes you need great tools to tell the difference between what is **TRUE** and what is **FALSE**.

FROM THE KIDSCOOP LESSON LIBRARY

Media Gets Attention

Media is created to get people's attention. These people are the media's audience. Look through today's newspaper. What audience do you think the publisher of this paper is trying to reach?

Remember: **FACT** = something that is true. **OPINION** = something that is not true.

Caution! This article is not real news! It is just for fun!

By Norman Gnome

FAIRYWOOD GLEN – Frida Fairy discovered what is believed to be a local leprechaun's gold hidden inside of a log in Fairywood Glen.

"I saw a little glow coming from inside the log," reported Frida. "So I walked up to see what it was."

Frida said that it appeared a regional had chucked a hole in the log of gold. "I saw several coins fall out. She said it was the glowing coins that caught her attention."

"It's a leprechaun tradition, whenever find the gold gets to keep it," said Sheriff O'Clock, lawyer for the Fairywood Glen Leprechaun League.

What will Frida do with her new-found treasure? "First, I am going to have a party for all my friends!" exclaimed Frida.

"I'd also like to take a vacation to Candy Land," Frida added. "I've always wanted to see Rock Candy Mountain."

Ad Facts and Opinions

Find an advertisement you like in today's newspaper. Circle the facts in green. Cross out the opinions. What does the ad say if you read only the facts?

17 ÷ 4 =

My little yellow straw house was the oldest house in Storybook Land!

13 ÷ 6 =

House made of sticks are my favorite because they're easy to build!

21 ÷ 3 =

My brick house is the only one still standing!
