Straight From The Horses Mouth:

Straight from the Horse's Mouth Amelia Kinkade, 2011-02-08 What if you could listen to your pet's thoughts and truly understand? What if your cat could reveal his mischievous secrets or your dog could tell you about her day? What if you could assure him you'd be back soon or comfort her about visiting the vet? You can. And animal communicator Amelia Kinkade will show you how. In *Straight from the Horse's Mouth* she shares her practical program that has helped hundreds of clients break through to communicate with their pets. Using guided meditations and other exercises designed to increase intuition, you can learn to share memories, make plans, diagnose illness, track a disappearance, and accept each other's differences. Read Amelia Kinkade's adventures in animal communication in all their hilarity, passion, and tenderness, and know that you too can talk to animals and get answers.

Straight from the Horse's Mouth Keith Hughan, 2004-11 This book was not written solely for the horse racing fraternity. The actions I took were the result of Ladbrokes not honouring a bet I had placed. What would you do with 260,000? I don't know. I did not get the chance to spend it. Now was I going to let them get away with it without a fight? You can bet I didn't, but how far does one go? Sledge was a good mate of mine. He only stood about 3 foot high and weighed 14lb, but we had some smashing times together. Ladbrokes were a war unto themselves. I thought that two could play at that game. The trouble is that Ladbrokes hide behind an outdated act, the Gentleman's agreement act 1845. When one takes the legal route for 5 years and gets no joy from the system, then they may take the law into their own hands. It was a shame that I could not be protected. When you haven't got a care in the world, your life can change dramatically. I thought that free from care was free from stress. Wrong. I played Sherlock Holmes for 10 years. Did I get the answers that I needed? You will have to read my story to find out. Ladbrokes, how do they say it in America? Oh yeah, Have a nice day.

Straight from the Horse's Mouth Meryem Alaoui, 2020-09-15 Named a Best Book of the Year by the Los Angeles Public Library. This hilarious, colorful portrait of a sex worker navigating life in modern Morocco introduces a promising new literary voice. Thirty-four-year-old prostitute Jmiaa reflects on the bustling world around her with a brutal honesty but also a quick wit that cuts through the drudgery. Like many of the women in her working-class Casablanca neighborhood, Jmiaa struggles to earn enough money to support herself and her family, often including the deadbeat husband who walked out on her and their young daughter. While she doesn't despair about her profession like her roommate Halima, who reads the Quran between clients, she still has to maintain a delicate balance between her reality and the respectable one she paints for her own more conservative mother. This daily grind is interrupted by the arrival of an aspiring young director, Chadlia, whom Jmiaa takes to calling Horse Mouth. Chadlia enlists Jmiaa's help on a film project, initially just to make sure the plot and dialogue are authentic. But when she's unable to find an actress who's right for the starring role, she turns again to Jmiaa, giving the latter an incredible opportunity for a better life. In her breakout debut novel, Meryem Alaoui creates a vibrant picture of the day-to-day challenges faced by working people in Casablanca, which they meet head-on with resourcefulness and resilience.
