## **Straight Out Man F W Albrecht And Central Australian Aborigines:**

Straight-Out Man Barbara Henson, 2016-10-18 Central Australia and its oldest mission Hermannsburg have long been a potent arena for the encounter between Australia's indigenous people and the European newcomers. The life of Hermannsburg's longest serving superintendent F W Albrecht vividly details much of that encounter beginning in the 1920s when Aborigines were thought to be a dying race with governments and public largely indifferent to their fate. Described by some as Australia's greatest missionary, Albrecht battled to gain secure reserves on traditional lands and to foster Aboriginal education, employment and leadership. Prominent figures crossed his path: Flynn of the Inland, T G H Strehlow and Albert Namatjira, in whose life and painting Albrecht played a key role. Aboriginal recollections punctuate the story, providing a rare glimpse into Aboriginal thoughts and feelings for Albrecht himself and the events surrounding them. And at the centre is a man of great personal commitment struggling with the painful unlearning of his own cultural certainties. This is subtle and compelling storytelling.

A Straight-out Man Barbara Mary Henson, 1994 *APAIS 1994: Australian public affairs information service*, **White Flour, White Power** Tim Rowse, 2002-07-11 This cultural study of rationing in Central Australia develops a new narrative of colonisation. *Enlightened Aboriginal Futures* Barry Judd, Katherine Ellinghaus, 2023-10-15 This book examines the radical intervention of the German Australian Lutheran missionary F W Albrecht in the education of Aboriginal children. Albrecht's ideas about consent, freedom of choice and personal autonomy were expressed in schemes designed to educate and empower Aboriginal people and efforts to find Aboriginal futures through education, training and employment. This book explores how Aboriginal people understood Albrecht's work and the Enlightenment concepts on which it was based. In the context of an Anglo Australian settler colonialism that sought to systematically remove the freedom and autonomy of Indigenous people, this study demonstrates how those who participated in the Albrecht scheme were able to reconstruct themselves in ways that fused their own Aboriginal culture and identity with the ideas and values imported from an enlightened Germany. This book will appeal to students and scholars of cultural history, colonialism, Lutheranism, race and ethnicity and Indigenous studies. It will also be illuminating reading to policymakers searching for a deeper understanding of colonial interventions in Indigenous communities.

The Contest for Aboriginal Souls Regina Ganter, 2018-05-29 This book covers the missionary activity in Australia conducted by non-English speaking missionaries from Catholic and Protestant mission societies from its beginnings to the end of the mission era. It looks through the eyes of the missionaries and their helpers as well as incorporating Indigenous perspectives and offering a balanced assessment of missionary endeavour in Australia, attuned to the controversies that surround mission history. It means neither to condemn nor praise but rather to understand the various responses of Indigenous communities, the intentions of missionaries, the agendas of the mission societies and the many tensions besetting the mission endeavour. It explores a common commitment to the supernatural and the role of intermediaries like local diplomats and evangelists from the Pacific.

Islands and Philippines and emphasises the strong role played by non English speakers in the transcultural Australian mission effort This book is a companion to the website German Missionaries in Australia A web directory of intercultural encounters The web directory provides detailed accounts of Australian missions staffed with German speakers The book reads laterally across the different missions and produces a completely different type of knowledge about missions The book and its accompanying website are based on a decade of research ranging across mission archives with foreign language sources that have not previously been accessed for a historiography of Australian missions A remarkable intellectual achievement compelling reading Dr Niel Gunson The range of knowledge on display here is very impressive indeed Professor Peter Monteath

**Arrernte Present, Arrernte Past** Diane J. Austin-Broos, 2009-08-01 The Arrernte people of Central Australia first encountered Europeans in the 1860s as groups of explorers pastoralists missionaries and laborers invaded their land During that time the Arrernte were the subject of intense curiosity and the earliest accounts of their lives beliefs and traditions were a seminal influence on European notions of the primitive The first study to address the Arrernte s contemporary situation Arrernte Present Arrernte Past also documents the immense sociocultural changes they have experienced over the past hundred years Employing ethnographic and archival research Diane Austin Broos traces the history of the Arrernte as they have transitioned from a society of hunter gatherers to members of the Hermannsburg Mission community to their present marginalized position in the modern Australian economy While she concludes that these wrenching structural shifts led to the violence that now marks Arrernte communities she also brings to light the powerful acts of imagination that have sustained a continuing sense of Arrernte identity Indigenous Evangelists and Questions of Authority in the British Empire

1750-1940 , 2015-08-25 This is the first full length historical study of indigenous evangelists across a range of societies geographical regions and colonial regimes and the first to focus on the complex issues of authority surrounding the evangelists It answers a need frequently voiced in recent studies of Christian missions Most scholars now acknowledge that the remarkable expansion of Christianity in Africa Asia and the Pacific in the nineteenth and twentieth centuries owed far more to the efforts of indigenous preachers than to the foreign missionaries who loom so large in publications This book addresses that concern making an excellent introduction to the role of indigenous evangelists in the spread of Christianity and the many countervailing pressures with which these individuals had to contend It also includes in the introductory discussions useful statements of the current state of scholarship and theoretical debates in this field **Walking with**

**Historical Dictionary of Australia** Norman Abjorensen, James C. Docherty, 2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of Historical Dictionary of Australia covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

**The to Z of Australia** James C. Docherty, 2010-04 The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through [Return to Uluru](#) Mark McKenna, 2021-03-02 A killing A hidden history A story that goes to the heart of the nation When Mark McKenna set out to write a history of the centre of Australia he had no idea what he would discover One event in 1934 the shooting at Uluru of Aboriginal man Yokunnuna by white policeman Bill McKinnon and subsequent Commonwealth inquiry stood out as a mirror of racial politics in the Northern Territory at the time But then through speaking with the families of both killer and victim McKenna unearthed new evidence that transformed the historical record and the meaning of the event for today As he explains Every thread of the story connected to the present in surprising ways In a sequence of powerful revelations McKenna explores what truth telling and reconciliation look like in practice Return to Uluru brings a cold case to life It speaks directly to the Black

Lives Matter movement but is completely Australian Recalling Chloe Hooper's *The Tall Man* it is superbly written moving and full of astonishing unexpected twists Ultimately it is a story of recognition and return which goes to the very heart of the country At the centre of it all is Uluru the sacred site where paths fatefully converged Mark McKenna has exposed the wounded heart of Australia Never has a history of our country so assumed the power of sacred myth *Return to Uluru* is a spellbinding story of death and resurrection that is Australian to its core James Boyce Mark McKenna sets the highest standard for truth telling of the kind that Australians so urgently need if they are to live in this country with honour I feel sure that this book will become an Australian classic not the first of its kind but certainly the most powerful narrative I have read of frontier injustice and its resonance in our lives today Marcia Langton
