Strains of Discord, 1958 Strains of Discord .1958 Strains of discord: studies in literary openness... Robert Martin **Strains of Discord** Robert M. Adams, 1971 Critical Assumptions Kenneth Knowles Ruthven, 1984-09-06 This Adams. book is an historical survey of some important theories of literary criticism which is designed to introduce more advanced students of English and other European literature to the nature and origin of these theories and ultimately to help them clarify their own attitudes to literature Professor Ruthven's approach is to bring together and analyse examples of the way in which major writers and critics have dealt with the critical issues raised by different kinds of writing He emphasizes throughout the variety of critical stances taken at different times in response to the challenge posed by highly original works and he draws on a large number of instances from all the major periods of English literature The examination of the historical material presented here should encourage students of English as well as other modern European literatures to recognise and Recovering Integrity Stuart Rosenbaum, 2015-08-13 The world of moral theory re appraise their own critical assumptions finds no place for the idea of integrity The natural intellectual home of the idea of integrity is the American pragmatist tradition Pragmatism makes possible an account of integrity that enables it to become philosophically central in thinking about morality The idea of integrity enables what Dewey called a working theory of morality Other intellectual traditions including those most prominent in the academic world of moral philosophy ignore integrity because of its imprecision and its inability to deliver precise answers to questions about what is right or wrong good or bad Recovering Integrity Moral Thought in American Pragmatism explains how integrity can and should become central in philosophical thought about morality Only within the intellectual tradition of American pragmatism may integrity achieve the intellectual stature it deserves as the central idea in ordinary moral thought The ideas of morally diverse communities are unified to a remarkable extent when seen through the moral lens of integrity Diverse communities having diverse ways of life share similar understandings of morality these similarities are important for understanding what morality fundamentally is in the human world Philosophical efforts to explain the nature of morality or the nature of right action or the nature of the good founder on their ignorance of moral diversity in the real worlds of human history and culture **Perverse Mind** Barbara Voglino, 1999 The fact is nothing in O Neill's forty five theatrical endeavors of varying merit prior to 1939 suggests the unmistakable touch of genius which radiates from his last plays A Touch of the Poet 1939 The Iceman Cometh 1940 Long Day's Journey into Night 1941 Hughie 1942 and A Moon for the Misbegotten 1943 BOOK JACKET At least one valid explanation for this phenomenon is the greatly improved endings of the late plays BOOK JACKET Anna R Kannan, 2017-06-13 AN ILLUMINATING ACCOUNT OF THE DMK AND ITS CHARISMATIC FOUNDER In 1967 C N Annadurai became the chief minister of Madras state when his party the DMK swept to power for the first time In this definitive biography R Kannan traces the growth of Annadurai from a young prot g of the radical thinker Periyar E V Ramasamy into a revered leader known

as Anna or elder brother Kannan draws on Anna's considerable body of writing and the memoirs of other leaders and authors in Tamil to candidly examine Anna's complex relationship with Periyar and his disillusionment with the corruption he witnessed when in power Featuring luminaries like Rajagopalachari and Kamaraj K Karunanidhi and MGR among many others Anna offers a warm and rounded portrait of a man who showed the way for the democratic expression of regional aspirations within a united India Roman Constructions Don Fowler, 2000-01-13 Roman Constructions is a collection of studies in Latin literature and literary theory The twelve pieces touch on many of the concerns of contemporary criticism and offer a provocative view of the role of classical scholarship in the contemporary world Cloud Rifts: Or, Looking, for the **Sunshine** George Valentine Reichel, 1898 The Sociology of Health, Healing, and Illness Gregory L. Weiss, Denise Copelton, 2020-08-11 With thorough coverage of inequality in health care access and practice this leading textbook has been widely acclaimed by teachers as the most accessible of any available It introduces and integrates recent research in medical sociology and emphasizes the importance of race class gender and sexuality throughout This new edition leads students through the complexities of the evolving Affordable Care Act It significantly expands coverage of medical technology end of life issues and alternative and complementary health care topics that students typically debate in the classroom While the COVID 19 pandemic emerged after this edition of the text was originally submitted material has been added in Chapters 3 10 and 13 about it Many new text boxes and enhancements in pedagogy grace this new edition which is essential in the fast changing area of health care New to this edition More text boxes relating the social aspects of medicine to students lives Expanded coverage leading students through the complex impacts of the ACA and health care reform Greater emphasis on sexual minority health and LGBTQ persons experiences in the health care system Expanded coverage of medical technology end of life issues and alternative and complementary health care Health and the Internet sections are updated and renovated to create more interactive student assignments New end of chapter lists of terms with key terms as flash cards on the companion website An updated instructor's guide with test bank *Patrick White's Fiction* Carolyn Bliss,1986-08-18 This study examines all eleven novels of Patrick White the great Australian writer and Nobel Prize winner It begins from the observation that major characters in his novels undergo a necessary redemptive or facilitating failure This failure paradoxically enables their success within the context of what White has called the overreaching grandeur which circumscribes human existence Evolution of this theme is traced through forty years of White s fiction from his first novel Happy Valley 1939 to his most recent work The Twyborn Affair 1979 Comprehensive in its scope this book is informed by a thorough knowledge of White's poetry plays short stories and autobiography as well as his novels It is also unique in stressing that White s world view derives from a distinctly Australian experience It thus links him to a country in which he is deeply rooted and to a heritage he continued to affirm Criticism ,1959 Littell's Living Age ,1873 **Encyclopedia** of Adolescence Roger J.R. Levesque, 2014-07-08 The Encyclopedia of Adolescence breaks new ground as an important

central resource for the study of adolescence Comprehensive in breath and textbook in depth the Encyclopedia of Adolescence with entries presented in easy to access A to Z format serves as a reference repository of knowledge in the field as well as a frequently updated conduit of new knowledge long before such information trickles down from research to standard textbooks By making full use of Springer's print and online flexibility the Encyclopedia is at the forefront of efforts to advance the field by pushing and creating new boundaries and areas of study that further our understanding of adolescents and their place in society Substantively the Encyclopedia draws from four major areas of research relating to adolescence The first broad area includes research relating to Self Identity and Development in Adolescence This area covers research relating to identity from early adolescence through emerging adulthood basic aspects of development e g biological cognitive social and foundational developmental theories In addition this area focuses on various types of identity gender sexual civic moral political racial spiritual religious and so forth The second broad area centers on Adolescents Social and Personal Relationships This area of research examines the nature and influence of a variety of important relationships including family peer friends sexual and romantic as well as significant nonparental adults The third area examines Adolescents in Social Institutions This area of research centers on the influence and nature of important institutions that serve as the socializing contexts for adolescents These major institutions include schools religious groups justice systems medical fields cultural contexts media legal systems economic structures and youth organizations Adolescent Mental Health constitutes the last major area of research This broad area of research focuses on the wide variety of human thoughts actions and behaviors relating to mental health from psychopathology to thriving Major topic examples include deviance violence crime pathology DSM normalcy risk victimization disabilities flow and positive youth development Advances in Psychological Science: Social, personal, and cultural aspects John G. Adair, David Bélanger, Kenneth L. Dion, Michel Sabourin, 1998 The volumes Advances in Psychological Science are the most timely reviews for a person who wants an up to date state of the art description of selected topics in psychology These volumes will be useful for the graduate student to get a perspective on the latest developments in psychology today The chapters are written in a non technical manner i e not for the specialist but for the educated psychologist who wishes to see developments across the spectrum of psychology They may be used for teaching or by experts who wish an overview of recent advances in their science The chapters uniquely reflect the international or global character of psychology both in the authors selected to write them and in their coverage of research from around the world Volume 1 contains original contributions to the social personal and cultural aspects of the discipline The Spurgeon Series 1855 & 1856 Charles H. Spurgeon, 2012-01-01 Known as the Prince of Preachers Charles Haddon Spurgeon was among the most prolific and influential pastors of the 19th century Characterized by profound insights and a passionate call for personal relationships with Christ Spurgeon s work has stood the tests of time Beloved even today Spurgeon's sermons offer you the opportunity to grow in your own faith in a conveniently digital format designed for

your busy life on the go Updated into modern language with helpful explanatory footnotes the text has been carefully proofed to ensure the highest quality and accuracy Brought to you by the editors who translated the landmark work Annals of the World this first series of digital releases from the Spurgeon sermon collection is for the years 1855 and 1856 in one convenient digital file at an unbeatable price All sermons are unabridged and include references to make it convenient for you to extend your Spurgeon studies Easy to read and hard to forget these are sermons of substance that will impact your life The Complete Works of C. H. Spurgeon, Volume 3 Spurgeon, Charles, 2015-02-23 Volume 3 Sermons 107 164 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach everyone in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon's legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon Littell's Living Age Eliakim

Littell,Robert S. Littell,1891 <u>Self-Efficacy</u> Albert Bandura,1997-02-15 Albert Bandura s highly anticipated examination of his vastly influential work on self efficacy is now available The result of over 20 years of research by this renowned psychologist the book articulates comprehensively Bandura s theory that believing one can achieve what one sets out to do results in a healthier more effective and generally more successful life
